The Scriptures quoted in this work are from the Scriptures and the Amplified versions of the Bible modified to reflect the proper Hebrew names of our Creators Almighty Yahuwah and our Messiah Yahushua—Father and Son.

First published May 2014

This work is not for sale. Father Yahuwah has indelible printed His Word in my being and He has commanded me to share with His people what is written in my heart. It is my testimony of the Presence of Yahushua or ‘the blood of the Lamb’ in my heart. This testimony is to fulfill what is written,

Revelation 12:11 And they have overcome (conquered) him by means of the blood of the Lamb and by the utterance of their testimony, for they did not love and cling to life even when faced with death—holding their lives cheap till they had to die for their witnessing.

Isaiah 55 Let the wicked forsake his way and the unrighteous man his thoughts; and let him return to Master Yahuwah, and He will have love, pity, and mercy for him, and to our Almighty Creator, for He will multiply to him His abundant pardon. “For My thoughts are not your thoughts, neither are your ways My ways, says Master Yahuwah. For as the heavens are higher than the earth, so are My ways higher than your ways and My thoughts than your thoughts. For as the rain and snow come down from the heavens, and return not there again, but water the earth and make it bring forth and sprout, that it may give seed to the sower and bread to the eater, so shall My word be that goes forth out of My mouth: it shall not return to Me void without producing any effect, useless, but it shall accomplish that which I please and purpose, and it shall prosper in the thing for which I sent it.

May it so be done! Love to all,

Insert At Front Of Begin At The End Part 2 Booklet

Tuesday, April 28, 2015 at 5:20 am

Father? Here we are, it's Tuesday already and still, I don't have a clue as to when or if I am to move! However, You are in control and You know exactly when or if You will relocate me! I wait on You with patience & composure!

I published the first book yesterday—Begin At The End Part 1. Now I aim to work on part 2. Even so, at the moment I'll take a break and see what goes on around me!

Tuesday, April 28, 2015 at 10:28 am

Father, I need to go to Umniah, to Mada and to deliver a plant that I am gifting to Aquavista. I will turn off the computer and wait to see how I am to do this maneuver! Maybe the driver from Aquavista comes to get me or I'll take a taxi.

Tuesday, April 28, 2015 at 4:04 pm

Father? You know all that transpired in this situation with Umniah. You are my Avenger, I cast my trouble upon You for You care for me!

Now, what is happening with Ahmad? That's another situation up in the air—You alone can resolve these matters for us! I cast all my troubles upon You because You care for me!

Father, unless You intervene on our behalf we haven't got a chance to survive these hard times that have come upon us! I refuse to doubt Your providence for us!

Wednesday, April 29, 2015 at 12:57 am

Ha! It's Wednesday already! How 'bout that? Been sleeping on & off since I came back from my errands! Around 10 pm I decided to stay up & read the comments in my posts. Wow!

Two hours plus reading the very encouraging words for several bloggers! Now, here I am! What to do next my Father? I am thinking about whatever I need to post next, rather, what would You have me to post?

For the moment I lift up my being at this midnight hour and worship You! I thank You for Your Presence in my heart and in my life! And I am getting sleepy again so I'll head for bed and hope that You bless me with a couple hours of more needed sleep!

O well! Here it's 2:19 am and I have not gone to bed yet! Now I am wondering about what to do with myself? Father? Show me the way!

Wednesday, April 29, 2015 at 5:26 am

At last I got me a couple hours of sleep! Thanks my Father! Now I will see where You are leading me in the recapping of my life! Perhaps it is time to insert some of my private records?

Excerpt From NOVEMBER 2009 PRIVATE RECORD....

It's now 6:21 am. Alright my Father! Now insert a couple of pages from my 2009 private records?

NOVEMBER 2009 PRIVATE RECORD BETWEEN THIA AND HER BELOVED MASTER

Sunday, November 01, 2009 (12:46am).

Master—my Beloved You know that I have given up all things that I have learned in order for You to teach those things to me afresh. ***Actually, I have given up my understanding of Your Word but I have not given up Your Word!***

I know and I aware that Your Word is written in the Scriptures and that Your Word is unchangeable but, I also know that my understanding or knowledge of Your Word was totally not Your meaning of those words written in the Scriptures as I and everybody else understand them.

But still, I cannot blame my brothers and sisters for their fear that I am against Your Word when I am proclaiming the matters that You are giving me to proclaim against practically all the concepts and ideas and practices and activities that my brothers and sisters are involved in at this late time in the age of this generation; because truly I have nothing kind to say about the whole shebang of the things that we say and do! And I have already been labeled as INSANE!

But my Master—my Beloved it is truly ridiculous the way we see things, especially spiritual things. And the concept we have of You is ridiculous! How can I reconcile anymore the concept I once had or rather I went along with my brothers and sisters claiming the concept stating that,

“God Almighty is not like that! God Almighty is love! God Almighty is merciful! God Almighty does not do things like that! That was the devil that caused you such evil! God Almighty is good! God Almighty only gives us good things!”

O my Master—my Beloved truly You are good but not in the sense that I in the past and my brothers and sisters meaning it at the present time. I know that to be a fact, for sure I know it!

For I know that You are good because I have experienced Your goodness in Your severe discipline to me! What am I talking about? Well, for a long time I have been

on to You, my Father because You quickened to me the Scriptures as they are written in Isa 45:1-25 but especially verse 7 as it is written,

I form the light and create darkness, I make peace national well-being, and I create physical evil (calamity); I am Yahuwah/Yahushua Almighty, Who does all these things. (Moral evil proceeds from the will of man, but physical evil proceeds from the will of Yahuwah/Yahushua Almighty).

So, if You quickened Your Word written in that verse to me, why didn't I stand up to my brothers and sisters instead of going along with the idea of being kind and understanding of the weaker brother?

Because to this day my brothers and sisters cannot comprehend that You being LOVE and MERCY can cause any evil and pain to us!

And even now that I proclaiming these things to them they thinking me to be INSANE!

And at that time, I was not willing to suffer because of my own wicked lust for the approval of man! It's just as simple as that.

But, YOUR GOODNESS to me to convict me of such wickedness and restore my life in Your Presence like it was for a short time before I succumbed to my own wicked lust of man's approval!

For sure we are to suffer! And for sure You cause us all that suffering to the end that we come into obedience!

And for sure it is of no use to perform and to conform to all other Scriptures unless we learn obedience through the things we suffer—Your discipline!

So it is of no use to congregate and have all of those emotional uplifts and sing all those, what I called lullabies unless we learn what obedience is and WHO we are supposed to OBEY!

So far we are so confused that we are obeying each other rather than obeying YOU my Master and that is a fact but they tell me I am not kind and loving and I have no fruit therefore I am INSANE! Pure NONSENSE!

And Master I had it with the whole bunch! I am ready to go sit under the juniper tree and die!

O Master—my Beloved truly I am ready to give up! As I see it we are all suffering with Attention Deficit Hyperactivity Disorder (ADHD) as the consequence of our sin—our lust for knowledge.

But of course, instead of looking at this situation for what it is—the result of our sin, such major block to live a content and peaceful life in Your Presence, such thing is looked at just as a disorder with a medical solution!

Of course such could be a foolish statement coming from somebody like myself who is totally ignorant of such advanced knowledge in the medical profession? Or am I ignorant? For I venture to state that my estimation of this problem is right on target based on my personal experience of so many similar medical disorders.

Master—my Beloved am I just rambling on? What am I driving at? What is my point and why am I going from not blaming my brothers and sisters all the way to ADHD? Speak to the heart of Your children my Master and explain to my flesh and blood children and to my brothers and sisters what is going on in this head of mine.

Let Your children and the flesh and blood children You have given unto me see that truly I AM NOT INSANE but that it is You the One Who is opening my eyes to see these things which are so preposterous in the sight of all man.

“My beloved Thia I hear your cry for it is a cry for mercy not for yourself but for My children and the children I have given unto you. I will speak and enlighten them as you quote the Scriptures I have quickened to you through the years and which I keep bringing to your remembrance over and over again. Let Me begin.

“My children My children My wisdom is UNFATHOMABLE! That means that you as a created being cannot figure Me out! Not even Satan who was at My court in heaven at one point of eternity and who is a being who posses such knowledge beyond your wildest imagination, not even him can figure Me out! As it is written in Romans 11:33-36.”

End of the *Excerpt From NOVEMBER 2009 PRIVATE RECORD....* For now. This record shall continue in the front of Begin At The End Part 3.

For now let's go on to 2014 in the next entry!

Proclaim To His People Their Sin. What Sin?

The Sin Of Living According To The Will Of Man.

From My Presence in My beloved Thia's journal—A dialog between thia/Basilina and Master Yahuwah/ Yahushua!

Sunday, October 26, 2014 at 12:56 am

O wretched creature that I am at this moment of time, my Father! What is happening to me? I have never been able to cope with stupidity and right now that is all that I can see everywhere I turn!

People are so stupid that they are obsessed with the tinsels of civilization. Knowledge, money and entertainment are their god!

They are throwing away the pure gold of Your Presence in their lives and gorging their souls with mere rubbish—the tinsels of civilization!

Not all that shines is gold and people are smart enough to know that but not smart enough to recognize and choose the gold of Your Presence in their lives!

The whole spectrum is enough to make me want to throw up! From the belittling of the female element to the greed and lust for power & money & carnal pleasures mankind have become totally out of control!

And this is the spectrum in the whole world—it's a global epidemic! But each country in this world consider themselves exempt from this corrupt condition—the arrogance of the citizens of each country is nauseating!

As I observe the visitors and the residents of this hotel at the present time my heart breaks to see the emptiness of this quest for relaxation & entertainment—exactly as it happens in the USA and all over the world—the tourism industry is in full bloom in spite of the perilous times that we are living in!

O how I pray that someday in the near future this hotel will generate income from individuals that are engaged in honest work rather than these fools that come just to 'have fun'!

Sunday, October 26, 2014 at 3:39 am

Even so, my Father, what is the use? What is the use for people to live to have fun or to work or to engage in whatever other activity without You? No use whatsoever!

Such is the reason why we were commissioned to ‘teach’ others what Yahushua taught us! And what would that be? What is it that Yahushua taught us?

From that time Yahushua began to preach, crying out, Repent (change your mind for the better, heartily amend your ways, with abhorrence of your past sins), for the kingdom of heaven is at hand.

Yahushua was not talking to notorious sinners only, but, He was talking to the most strict followers of the Law, the adherents to the religion of the day!

Of course now we have different religions and that is even worse! And for that reason our Creator is raising His mouthpieces to proclaim to His people their sin. What sin?

The sin of living according to the will of man—religion is a byproduct of the will of man and it got nothing to do with the will of our Father!

Religion is a counterfeit for the will of the Father/Creator! But who wants to hear that over and over again? No one! They shut their ears and continue to do as they and their peers please and see fit to do!

And that is what Ahmad spat on my face the other night! And that is a confirmation of what others are doing about all these things that I write! And that is the reason for my utter distress!

Even so, the Father/Creator of our beings—Almighty Yahuwah/ Yahushua is still on the throne and soon all and each one of His children will have to eat their just desserts just like Ahmad is doing now!

Sunday, October 26, 2014 at 7:05 am

I went to sleep after recording the above, then, I woke up about 5 am from a vivid dream—I was eating some delicious grapes before I was to head for the beach!

The dream was so vivid that for a second I was still tasting the grapes when I woke up and I felt really good about it! Then when I became fully awake I wondered what on earth for was I going to the beach?

I got busy with different things plus fixing me some breakfast but the dream remained vivid in my mind to this moment of time.

One more radical change for good has taken place in my life since yesterday. Suddenly! This change took hold of me to my own amazement! What am I talking about?

For almost six years now I have been delivering a message about Ahmad's identity and his responsibility in the sight of our Father/Creator and Ahmad has been struggling to receive such message, but, Satan, so far has hindered us placing major obstacles between Ahmad & I!

As a result, Ahmad has become reluctant to believe or receive the message and the uncertainty of his reluctance is causing him unbelievable pain and confusion to the point that Ahmad is about to lose his mind and every asset to survive and take care of his family!

Therefore, our Father/Creator took action yesterday and sealed my lips to the point that for maybe six hours Ahmad taunted me in all kinds of ways for me to speak and respond to his demand for my attention but my lips remained sealed!

Finally Ahmad left and the peace and strength from my Father became more real to me than ever before. For the rest of my day I slept but also worked on my sites. And then this wonderful dream to begin my new day! What does it all mean?

Well I know from previous dreams that the meaning of eating grapes can be good depending on the circumstances and how you feel when you wake up and before you went to sleep.

One interprets grape traditionally as a token of good health. Other meanings can arise from the following accompanying circumstances:... sweet grapes promise above all love, security and tenderness.

My sense before I went to sleep was a sense of perfect security and peace and strength to withstand anything that comes against me—such goes along with the above interpretation. But the beach thing puzzled me so I Googled it and came up with the following,

Appearance of beach in your dreams signifies collaboration of two aspects or emotions in your mind. This is due to the presence of two diverse dream symbols in your dreams that is water and sand over the beach. It also indicates toward positive changes going to happen in your life.

O my Father! You are awesome! Who am I to deserve such loving care from You? You are the Almighty Creator of heaven & earth and all there is under, above & below such elements and I—only a microscopic dot in all, yet, You keep a watch over me? Who am I that You bother about me?

“O My child! Who are you? Like the lily among thorns, so are you, my love, among the daughters. Rise up, my love, my fair one, and come away. For, behold, the winter is past; the rain is over and gone. The flowers appear on the earth; the time of the singing of birds has come, and the voice of the turtledove is heard in our land. The fig tree puts forth and ripens her green figs, and the vines are in blossom and give forth their fragrance. Arise, my love, my fair one, and come away.”

In silence I worship You my Beloved Master! The sense of the immensity of Your love & care for me engulfs my whole being as I arise and You lift me up to come away with You never to look back for my eyes are set in the beauty of Your Being within me!

What is next in the agenda that You have prepared for me, O my Beloved Master? I wait until You prepare my heart & mind to dispel only the fragrance of Your love within my being!

Cory Has Entered Into Peace ... Rest From His Strenuous Labor To Save Us All!

From My Presence in My beloved Thia's journal—A dialog between thia/Basilina and Master Yahuwah/ Yahushua!

Tuesday, October 28, 2014 at 5:12 am

Father! Your ways are far above our ways! I woke up around 2:30 am only to hear the shocking news of Cory's death! And, once again You have brought me to Your written words that apply to us all at this shocking moment of our lives,

Isaiah 57:1-2 THE RIGHTEOUS man perishes, and no one lays it to heart; and merciful and devout men are taken away, with no one considering that the uncompromisingly upright and godly person is taken away from the calamity and evil to come [even through wickedness]. (2) He [in death] enters into peace; they rest in their beds, each one who walks straight and in his uprightness.

How true and appropriate are Your words! Cory was a THE RIGHTEOUS man—Cory's heart was totally set in rescuing his peers from their addictions and setting us all religious & self-righteous people straight!

Cory was my heart and I learned much from him—O how had I longed for the day that he would accomplish his goal and would share his accomplishment with me, but, that was not to happen for Father knows best and it was best for Cory to enter into peace ...

His love in my heart for all, thia/Basilina

Our Father Creator does not fit into our concept of righteousness or love ...

From My Presence in My beloved Thia's journal—A dialog between thia/Basilis and Master Yahuwah/ Yahushua!

Tuesday, October 28, 2014 at 9:04 am

A good majority of human beings consider themselves righteous and approved of our Father/Creator and point their finger to the ones they consider wicked!

Even so, such state and condition of that great majority of human beings is false and it's an abomination unto our Father/Creator. For it is written,

Romans 3:10-18 None is righteous, just and truthful and upright and conscientious, no, not one. No one understands [no one intelligently discerns or comprehends]; no one seeks out the Creator of our beings. All have turned aside; together they have gone wrong and have become unprofitable and worthless; no one does right, not even one! Their throat is a yawning grave; they use their tongues to deceive—to mislead and to deal treacherously. The venom of asps is beneath their lips. Their mouth is full of cursing and bitterness. Their feet are swift to shed blood. Destruction—as it dashes them to pieces and misery mark their ways. And they have no experience of the way of peace—they know nothing about peace, for a peaceful way they do not even recognize. There is no reverential fear of the Creator of our beings before their eyes.

*Isaiah 64:4-6 For from of old no one has heard nor perceived by the ear, nor has the eye seen an Almighty besides You, Who works and shows Himself active on behalf of him who [earnestly] waits for Him. You meet and spare him who joyfully works righteousness (uprightness and justice), [earnestly] remembering You in Your ways. Behold, You were angry, for we sinned; we have long continued in our sins [prolonging Your anger]. And shall we be saved? For we have all become like one who is unclean [ceremonially, like a leper], and all **our righteousness (our best deeds of rightness and justice) is like filthy rags or a polluted garment**; we all fade like a leaf, and our iniquities, like the wind, take*

us away [far from our Father/Creator's favor, hurrying us toward destruction].

Such 'righteousness' is what Cory fought against, but, according to the many who consider themselves 'righteous' because they adhere to any of the multitude of beliefs and practices approved by mankind one way or the other, to these many Cory was considered only by his deficiencies and his company was avoided! What a pity!

For this many ones missed to capture the beautiful treasure that Cory was handing out in the midst of his deficiencies.

Even so, I was blessed to receive such treasure from my beloved grandson. And though we bucked heads for different circumstances we truly 'connected' and I rejoice now because Father saw fit to bless me with my Cory's presence in my life even it was for such short time.

What now? I see in Cory's death the accomplishment of his desires for many who read these lines will see the truth about our false 'righteousness' and our cruel religious ways and many will repent and turn around heading home to our Father/Creator!

Thus I rejoice in Cory's death! However, how am I to proceed now in view of what our Father/Creator is demonstrating to us all?

Perhaps, as usual, my children and many others would raise their eyebrows and question my claim to proceed in this matter as if I was an important personage which they consider me not to be?

Well, important personage I am not! But if our Father/Creator used a donkey as His mouthpiece to talk to the prophet Balam why not used this whatever woman that I am?

And so, let me proceed with Father's message to us all as He lifted up our Cory to his rest! Our Father/Creator wish is for us all to come to chapter 57 in the book of the Prophet Isaiah and chapter 2 of the book of Romans. Why?

Because those chapters hold the key to bring us down from our pedestal of false 'righteousness' and on to the dust of REPENTANCE if take those words as addressed to each one of us individually by the Almighty Set Apart Spirit of our Father/Creator!

Believe me O people! In past times when I would read and study those words and find out the history of the chosen people (the ones miscalled 'Jews') I would close my Bible and exclaimed, "O those wicked Jews! How could they sacrifice or burn their own children?" And I will close the book feeling quite right and knowledgeable about the matter!

Until one day the Almighty Spirit stroke me the answer to my arrogant question. And I heard the words that came clear into my mind and amounted to this, "They sacrificed their children in the same way that you have sacrificed your children's mind in the altar of 'the knowledge of good and evil' to honor the god of this world—Satan founder of all churches & schools & Universities!"

I heard those words some time before Yahushua stepped into my life and deliver me from my own wicked thinking and feelings for the end of that chapter 57 in the Book of Isaiah came to pass in my life as it's written,

Isaiah 57:18 I have seen his willful ways, but I will heal him; I will lead him also and will recompense him and restore comfort to him and to those who mourn for him.

O but the infinite mercy of our Father/Creator! Unfortunately for us it's all taken for granted so, we suffer!

The Mighty Hope To Sustain Us All!

From My Presence in My beloved Thia's journal—A dialog between thia/Basilis and Master Yahuwah/ Yahushua!

Sunday, July 20, 2014 at 9:44 PM

Shall the prey be taken from the mighty, or the lawful captives of the just be delivered? For thus says the Almighty Master: Even the captives of the mighty will be taken away, and the prey of the terrible will be delivered; for I will contend with him who contends with you, and I will give safety to your children and ease them.

And I will make those who oppress you consume themselves in mutually destructive wars, thus eating their own flesh; and they will be drunk with their own blood, as with sweet wine; and all flesh will know with a knowledge grounded in personal experience that I, the Almighty Master, am your Savior and your Redeemer, the Mighty One of Jacob.

What a mighty Yah we serve does not totally express the mightiness of our Father/Creator. Indeed! His mightiness simply do not fit in the human mind.

‘Even the lawful captives of the mighty will be taken away’? But we are lawful captives—captives by our own will what kind of mercy is there for us? His mercy!

Yes, for one reason or another we have bow down to Satan for a morsel of food for our families. But Satan—the thief has stolen everything from us willful fools that we are in exchange for that pitiful morsel of food!

Instead it is imperative that we bow down to the Almighty Father/Creator of our beings to receive not only the promised abundant life but also life eternal in the loving Presence of our Father/Creator! It's written,

*John 10:7-11 So Yahushua said again, I assure you, most solemnly I tell you, that I Myself am the Door for the sheep. All others who came as such before Me are thieves and robbers, but the true sheep did not listen to and obey them. I am the Door; anyone who enters in through Me will be saved (will live). He will come in and he will go out freely, and will find pasture. **The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance (to***

the full, till it overflows). I am the Good Shepherd. The Good Shepherd risks and lays down His own life for the sheep.

His love in my heart for all, thia/Basilisa

I Am Stroke Down To The Ground But Not Destroyed

...

From My Presence in My beloved Thia's journal—A dialog between thia/Basilina and Master Yahuwah/ Yahushua!

Wednesday, October 29, 2014 at 1:28 am

Another shock my Father! You know that Cory shall be cremated! How am I to get over this shock? Just when I had just a glimpse at the hope for family reconciliation? I wait on You.

It's now 4:40 am. Thanks my Father for the few hours of sleep! What is coming next? Only You know my Father. I beseech You that once again lift me up and take me away into Your bosom!

Otherwise, the alternative facing me would be unbearable! For to add more sorrow on my plate Ahmad's physical ill causes him to be angry and unable to control himself as he been told by the doctors and unless he has surgery his condition shall progress!

But, it all is happening exactly as it is written by the finger of Your Spirit, O my Father; and not a single mark of Your written words will miss its fulfillment. It's written,

Isaiah 59:14-21

Justice is turned away backward, and righteousness (uprightness and right standing with The Almighty) stands far off; for truth has fallen in the street (the city's forum), and uprightness cannot enter [the courts of justice].

Yes, truth is lacking, and he who departs from evil makes himself a prey. And the Master saw it, and it displeased Him that there was no justice.

*OPEN YOUR EYES PEOPLE! Read and understand that the words written stand as they are written not as any human interprets such to stand for. It's clearly stated that there was nor is to this day any intercessor—no one to intervene on behalf **of truth and right**; therefore Yahushua came!*

And He saw that there was no man and wondered that there was no intercessor [no one to intervene on behalf of truth and right]; therefore His own arm brought Him victory, and His own righteousness [having the Spirit without measure] sustained Him. [Isa. 53:11; Col. 2:9; I John 2:1, 2.]

For [the Master] put on righteousness as a breastplate or coat of mail, and salvation as a helmet upon His head; He put on garments of vengeance for clothing and was clad with zeal [and furious divine jealousy] as a cloak. [Eph. 6:14, 17; I Thess. 5:8.]

According as their deeds deserve, so will He repay wrath to His adversaries, recompense to His enemies; on the foreign islands and coastlands He will make compensation.

*So [as the result of the Messiah's intervention] they shall [reverently] fear the name of the Master from the west, and His glory from the rising of the sun. **When the enemy shall come in like a flood, the Spirit of the Master will lift up a standard against him and put him to flight [for He will come like a rushing stream which the breath of the Master drives]. [Matt. 8:11; Luke 13:29.]***

*He shall come as a Redeemer to Zion and **to those in Jacob (Israel) who turn from TRANSGRESSION**, says the Master.*

As for Me, this is My covenant or league with them, says the Master: My Spirit, Who is upon you [and Who writes the law of The Almighty inwardly on the heart], and My words which I have put in your mouth shall not depart out of your mouth, or out of the mouths of your [true, spiritual] children, or out of the mouths of your children's children, says the Master, from henceforth and forever. [Jer. 31:33; Rom. 11:26, 27; Gal. 3:29; Heb. 12:22-24.]

What transgression? What is our transgression? Actually such is the wrong question. The correct question should be, **Why can I not see my transgression but I am very quick to see somebody else's transgression?**

Wednesday, October 29, 2014 at 11:22 am

So, to conclude, the fact is that we must repent or turn away from the lifestyle that we are now living, but, we cannot do that unless our Father/Creator convicts or confronts us!

And confront each one of us He will on His time not in our time. For all our efforts to do better are merely attempts to manipulate our Father/Creator to bid us our carnal pleasures!

And that is never going to happen! Even so, our carnal pleasures are satisfied by the fruit from the knowledge of good & evil and since half of that fruit is good we think that to be from our Father/Creator but it is not!

No flesh shall ever enter the Kingdom of heaven! The good that the carnal self produces is not good no matter how good that fruit taste sweet or sour, healthy or rotten it is all 'no good'!

It's not a matter of our goodness or our badness! It's a matter of our personal relationship with our Father/Creator!

His love in my heart for all, thia/Basilina

I Am His Beloved And He Is My Beloved....

From My Presence in My beloved Thia's journal—A dialog between thia/Basilis and Master Yahuwah/ Yahushua!

Thursday, October 30, 2014 at 6:00 am

Father, thank You for giving me sleep and for speaking to me in my dreams and deciphering those dreams to me.

I woke up some 2 hours ago from a dream about burning my writings. I talked to Joyce for quite a while until the line went dead and I could not hear her.

Then I have been searching for Your direction about the meaning of burning my writings in that dream. I finally came with a meaning,

To dream of seeing something burning in your dream represents intense emotions or passionate feelings. A total lack of concern for something. Intentionally being harsh, hurtful, or insensitive. It may also reflect emotional burned out or be a sign that you need to relax.

Father, You always make clear to me Your message in any dream that comes to me. I sense that in the dream of this morning You are addressing my dilemma with my writings and the latest happenings with the death of Cory. Speak to my heart my Father for I long to hear Your voice.

“My child, your sense is accurate. I am aware of your desire to withdraw from your family because you do not fit in their style of life. My child, I am the One who place in you the desires in your heart for a good reason. I have lifted you up above everything that is to happen to your family and closest friends because they refuse to hear the warnings that I have given to them in your writings.

Not only that but, they have inflicted much hurt to you with their refusal. In doing so your family have touched the Anointed One in you even Yahushua Messiah and for that they must account unto Me because I am your Avenger!

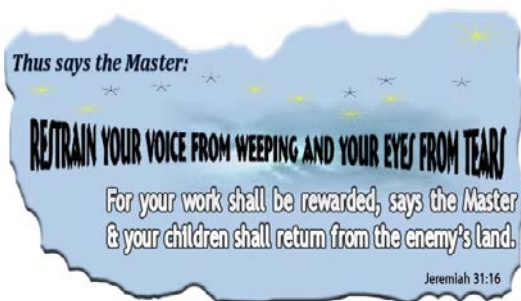

Therefore the burning of your writings in your dream signifies the deep wound that your family has caused to you and

continue in the same way without an inkling of repentance. Even so, the death of your grandson Cory and your reaction to such shocking event is working for the good of everybody because I am holding you up in order to keep you from sympathizing and condoling their wrong doings in exchange for their approval.

Thus, I will make it clear to all that is not in your heart to wish evil on any of them, on the contrary your cry for mercy for them all with each blow of their rejection has reached My ears!

For I will continue My work in their midst until I accomplish My will for them to repent or abandon their present lifestyle and come into My Presence for their own protection.

And from now on My power and strength in you shall be evident to all of your concern because nothing or no one will deviate you for My purpose for your life!

Fear not My child because I am now in the process of fulfilling My promise to you to reward

your work and bring your children back where they belong.

Rejoice and be glad for the winter is past and My song is coming to you even on this instant of time because that song is forever implanted in your being as I lift you up on the daily basis and you come away with Me above all the cares from this world! You are My beloved, My beloved thia/Basilial!"

Rise up, my love, my fair one, and come away. For, behold, the winter is past; the rain is over and gone. The flowers appear on the earth; the time of the singing of birds has come, and the

voice of the turtledove is heard in our land. The fig tree puts forth and ripens her green figs, and the vines are in blossom and give forth their fragrance. Arise, my love, my fair one, and come away.”

Thank You my Father! In silence I worship You! And away I go totally away from the evil that is evident and surrounds me in all corners both here and afar!

Awesome Sign of our Creator Beckoning His Children to come up where they belong...

This picture is a real picture somebody took a while ago of this awesome sign in the skies. It was sent to me in an email and I thought that somebody had made up such picture! And so I was in the Jet on my way to Amman, Jordan and I happened to look up the sky and WOW! There were several clouds in the exact same shape as in the picture I got in the email! It surely made a believer out of me! For this truly is a sign confirming all written words with the finger of our Heavenly Father beckoning us in the most loving way to come to Him!

And such is what I proclaim in the series of books that I have been instructed to write one of them you are now holding in your hand.

Welcome To My Present Life...

Conclusion

There is a conclusion in the book of Ecclesiastes in the Scriptures which amounts in my own paraphrased, "If you keep on studying and wondering about how, when, where, who, and why it all happened, you'll go berserk! For all has been done, seen, and heard over and over again. In a nut shell, **Fear Almighty Yahuwah and keep His commandments!**

And to that end—to empower all of His children to keep His commandments the Almighty Set Apart Spirit of our Creator is revealing Himself to all not only by means of these writings but by all means possible because the time is coming to a closing much sooner than anyone expects! So what? Everybody has been hearing the same rhetoric over and over again and it has ceased to make any impression on anyone's mind and heart! Regardless it is my hope that the reading of these writings will reach the very core of your being dear reader to make a difference in your eternal future! For I came a long way through the wilderness of life—groping along in broad day light when it was not necessary to do so. But, neither it was necessary for the prodigal son to go out and spread his wings to squander the portion of his inheritance. Who can tell? And what is the use of philosophizing and wondering and expounding the ifs of life? But the things herein written are not the usual rhetoric! Indeed! The things herein written are the facts and realities coming strait out of the heart of the Mighty Presence of our Maker within my being because it is not His will that anyone should perish! And the fact is that should any NOT mind what it is written here and in the heart of the true believers and follow Yahushua that one shall perish!
