The Scriptures quoted in this work are from the Scriptures and the Amplified versions of the Bible modified to reflect the proper Hebrew names of our Creators Almighty Yahuwah and our Messiah Yahushua—Father and Son.

First Edition: June 2015

Second Edition: September 2015

Originally, this work was not for sale. The Spirit of Father Yahuwah has indelible imprinted and given life within my being to our Father/Creator's words to His children. He has commanded me to share with His peoples such Living Word in my heart as a testimony of the Presence of Yahushua or 'the blood of the Lamb' in my heart as is written in Acts 1:7,8 - in Revelation 12:11 and in Isaiah 55.

Now, at the present time, things have changed as we have arrived to the last days of this generation. Therefore, the Father/Creator is leading me to generate a certain income to avail me until Yahushua's return, by asking the readers that are financially able to donate any amount to support the author of these books. May it so be done by the Power of Love from on High. His love in my heart for all, thia/Basilia Licona Author/Publisher

Dedication

Monday, June 15, 2015 at 5:44 am

Father, it totally amuses me to see the way You lead me to go one way or the other and when I get there I find all the necessary things to enable me to publish this great message that You have entrusted to me for deliverance to Your people.

I need to write the Dedication for Power From On High.! Right now, I am too sleepy to think of anything to write. I will try again when I wake up.

All right. Here we go my Father. You are leading the way. I am now awake and ready to write this Dedication at 10:47 am of this Monday, June 15, 2015—exactly Your timing for me to do it.

To whom must this book be dedicated, my Father? To the many present followers/readers and to the future ones that are and will be following/reading the inspired blogs/books that yours truly has created/written in obedience to Your instructions.

Dear Followers/Readers, the end of the matter in this life is: Fear the Almighty—revere and worship Him, knowing that He is and keep His commandments.

In order to love the Almighty and keep His commandments, we must establish a personal relationship with the Almighty—our Father/Creator. These writings are to entice you to build that required personal relationship with our Father/Creator.

thiaBasilia Licona

You and I, are the chosen ones to connect with the Spirit of our Creator in order to build that required personal relationship with our Father/Creator to avail us for eternity. Be blessed.

His love in my heart for all, thia/Basilialia

Standards And Conventions In Power From On High.!

Monday, October 5, 2015 at 2:44 am

This book is about the story of how the Almighty Creator of our beings developed a relationship between Himself and thia/Basilina and a gentleman called, Ahmad.

The whole story is related in the journal of yours truly, thia/Basilina's daily record of my life in the Presence of the Spirit of our Creator.

I want to make clear the fact that I do not adhere to any religion or religious groups whatsoever because, since 1985 our Father/Creator transformed and delivered me from the religious world into a most personal relationship with Him.

So, in that relationship, I live & breathe by the written words from our Father to His children that the Spirit of our Father has brought to life within my being.

Because of the life in those words, I have learned to relate and address our Father/Creator as the Almighty, Yahuwah/Yahushua our Father/Creator—Father and Son and my Master. Why?

1. The Almighty because, that is how Abraham called Him before the name Yahuwah was given in the Book of Exodus, chapter 3, "I am that which I am."¹ And He said, "Thus you shall say to the children of Yisra'el, 'I am has sent me to you.' " Footnote: ¹The Hebrew text reads:

'eyeh 'asher 'eyeh, the word 'eyeh being derived from hayah which means to be, to exist, but the Aramaic text here in v. 14 reads: ayah ashar ayah. This is not His Name, but it is an explanation that leads up to the revelation of His Name in v. 15, namely, YHWH (Yahuwah). And Elohim (the Almighty) said further to Mosheh, "Thus you are to say to the children of Yisrael, YHWH (Yahuwah) Elohim of your fathers, the Elohim of Abraham, the Elohim of Yitshlaq, and the Elohim of Ya'aqob, has sent me to you. This is My Name forever, and this is My remembrance to all generations.'

2. So, since not many understand the Hebrew account of the Name Yahuwah, I use, our Father/Creator, Father and Son, my Master because, in the reality of true life, that is what He is. For He created us in His image for His created beings to be His children. Think about it, where this thing in our present time of a family with a father & mother came from? Who invented this 'father' term & meaning?
3. And why I use, my Master not my Lord? Because, 'Lord' is a British term meaning rank in the Royalty sphere but, 'Master' denotes Ownership as the ownership of a slave—that is what He is to me. He owns me for He paid Satan for the life that I, ignorantly, had given to Satan.

Alright. The pronouncing of the Tetragrammaton or four Hebrew letters is close to Yahuwah. This is usually transliterated as YHWH or JHVH and used as a biblical proper name for what is commonly called God. All of this shall transpire as this story develops.

Now, all of that out of way, let us get into the Preface to further explain how the book came into being.

Preface

Second Edition—Revised & Updated Power From On High.!

Sunday, September 27, 2015 at 7:21 pm

At this point, I realize that I need to rewrite the Chapter 3 of the first edition of Power From On High.! I will then set it as Chapter 1. Why?

Because, I now realize that the Gift Of A Son is the actual plot not only for Power From On High but also for all the free books that I have written & self-published to the date.

Now, the experts Derek Murphy & Michael Balmaceda, suggest to publish a series of books rather than individual books if there was a story to validate a series.

I realized then that, I have such story. For my story—my journey for the last 30 years has been a progressing story with the same end: Dying In The Present. Living In Eternity. In order to establish a relationship with our Father/Creator and subsequently with our loved ones.

Thus, I came up with the title denoting my life's reality at the present time—Reality: Dying In The Present. Living In Eternity.

At the moment, I am holding in my hand, the hard copy of the first edition of Power From On High.! Phew.

thiaBasilia Licona

I am so glad that nobody has bought it. In addition, I see the reason why nobody has bought it—the book is disorganized with no plot to show the aim & purpose for the story.

Therefore, to correct the matter, first of all I am making *Power From On High.!* Volume 1 of the series, *Reality: Dying In The Present. Living In Eternity.*

Then, I have edited & re-arranged the front matter and the chapters in an organized way to show the plot and aim for the story beginning in *Power From On High.!*

Next, I have added a few interesting chapters at the beginning and at the end. Why?

Because, those added chapters denote the sequence of the incidents that brings the story to the actual beginning of my *Living in Eternity in the Presence of my Father.*

So now, *Power From On High.!* is Volume 1 of the series, *Reality: Dying In The Present. Living In Eternity.*

Now, what is this series, *Reality: Dying In The Present. Living In Eternity* all about?

The series are a testimony of how our Father/Creator deals with the writer who happens to be this peculiar Thia, to develop a relationship between Himself and thia/Basilia and a gentleman named Ahmad.

Read on to find out how, for a better part of six years, the Master patiently deals with this rebellious thing that by nature I am.

Day by day, one blow after the next, bickering, crying, repenting, struggling to understand ...

Finally. No more dependence in her own thinking & feelings. No more struggling to understand. Emerged as a powerful witness for the honor of her Master.

thiaBasilia Licona

Now, in the reality of books to catch & hold the interest of the reader, perhaps this book does not measure up because at first sight there is nothing spectacular about the details of my daily existence.

In fact, the day-to-day struggle with my carnal self-goes on & on—now I am up in the mountain of hope next thing I am down in the valley of despair and repeat.

Even so, the beauty of it all lies in the Loving Spirit of our Father/Creator inhabiting in the depth of my being molding, leading & directing me in the way that I should go at all times.

It is my hope for the beauty of that Loving Spirit that inspired these words to me, to catch & hold the reader's interest from the beginning of this writing to the end, even when my writing style is sort of wordy.

For in spite of my flair for words, the content of each book in the series is invaluable. May I suggest a smile instead of a distraction as you enjoy my especial style of writing.

Now, all of that out of way, let us get into the Introduction or the beginning of thia/Basilia's journey in the Presence of our Father/Creator in order to appreciate the rest of this story recorded in thia/Basilia's Journal.

Power From On High.

Introduction

Dramatic Beginning...

It so happened one morning when I was intent in acquiring knowledge to earn a living—to become a productive citizen in this world, Yahushua stepped into my life.

For sure, Yahushua, the Father/Creator or religion or charity from any human being were not really in my agenda at that moment of my life—my whole aim was to help myself.

I had gone through a nasty divorce, I had fallen apart as the result of it and by this time I had totally given up on mankind and maybe in our Father/Creator as well.

In spite of my condition, I believed myself to be intelligent enough to learn and help myself without the need of help from any other source than the sources I would choose. I chose to learn writing skills & computers. That morning without any warning my thoughts drifted to myself...

On the morning of June 20 of the year of 1985, I got up at 3 am to study. I was immersed in a writing lesson, for I was learning the techniques of writing and I had availed myself of much reference material to study.

All of a sudden I realized how much I was learning and how tremendously I enjoyed learning. I set down my lesson and I allowed

my thoughts to drift to myself. That's when I came to realize what had been happening in my life.

I remembered when I first learned how to read. I remembered all the key persons that had contributed to my education.

In the screen of my imagination, I saw my home, where I was born and lived for the first ten years of my life.

In a moment of time I saw how much I had learned and how I had managed to learn.

I saw all of the places where I have been to get an education.

I also saw the school of "hard knocks," where I got most of my adult education. And I saw the key persons, "the understanding hearts" that I met who led me through that most intriguing institution.

As I remembered those places and I saw those people, I discovered the secret by which those people reached and cultivated my mind and comforted my soul and body.

For I sensed that beyond the cultivation of my mind and the comfort for my soul and body, there was something greater.

Something much greater that had given me life. Something that had given me the ability to receive those things. Something, beyond words to describe.

I sensed the Spirit of the Almighty Creator of our beings. The secret by which those people reached and cultivated my mind and comforted my soul and body.

Yet, I did not understand it at that moment of time. It all went right over my head because I did not know The Word of The Almighty Creator of our beings. I had not understood the Word of The Almighty Creator of our beings thus I was ignorant of it.

I had gone through life unaware of the secret saving power of the Spirit of The Almighty Creator of our beings, taking everything and

everybody for granted without consideration of anything other than my own understanding of life and the raw feelings of my emotions.

But, that morning, on the screen of my imagination a beautiful Garden of Eden was displayed. In that Garden I saw those people that had helped me throughout my life as trees.

From those trees hung as precious gems—the things or the “good traits” they possessed.

And all those gems were part of the treasure of their love and understanding.

And those things that were as precious as gems were the pure and lovely, the fine good things in others, the things you can praise The Almighty Creator of our beings for and be glad about, as it is written in the Book of Philippians, Chapter 4, verse 8 and about which I had never thought before.

In that Garden of Eden I walked, bedazzled by the marvelous treasure of the love and understanding that had followed me all the days of my life which I had taken for granted.

I picked up my pencil to write it all down. I did not know at the time that what I was about to write was in the Word of The Almighty Creator of our beings. I was only describing what I was seen in that transitory moment, but, a year later when I read the Scripture in the Book of Isaiah Chapter 59 it all fit together.

At that moment though, when I was walking in that field saturated with gems, I picked my pencil and my tattered tablet with my heart pounding in my head loaded with emotional excitement and I simply described what I saw when I wrote,

All of my life I have walked in the Field of Knowledge with my eyes closed. I have been lost in that field groping along almost unattended.

And now, suddenly. I have opened my eyes and WOW! . . .
What a wonderful, beautiful and fabulously wealthy field that
is. I see now that the field is covered, in fact, saturated with
gems: “The gems of the knowledge of goodness.”

Well, My Goodness. There are all kinds of gems. There are
some that float and they float in the very air that I am inhaling.

. . .

There are others that hang from the trees across and along the
pathway. . . .

Some hide under the decayed roots of trees that have ceased
to produce. . .

Some are at the bottom of the ponds collected from the
streams. . . . Some are within the waters of the streams that
sate the thirst of the earth. . . .

They are even thrown at random in my pathway where I
stumble upon them. . . .

Oh. those gems, those beautiful gems. They are everywhere
in that field.

I know now as I stop and look around, that there is no
possible way that I can collect them all.

And the more I collect, the more I see the ones I have not yet
collected.

And by seeing the ones I have not yet collected, I have,
actually, collected a big gem: “The gem of the Knowledge of
my Ignorance”.

I finished writing. I knelt down by my bed side and I praised The
Almighty Creator of our beings. I thanked The Almighty Creator of
our beings for his infinite blessings. And in deep communion with my
Master, I went again into a reverie.

I remembered, in a magical recollection, all the prayers that I had uttered. I remembered all the cries for help; all the inquiries, the whys that I had made unto The Almighty Creator of our beings.

I came to sense myself in a magical spot. In that magical spot gems were floating. I was inhaling that air flowing in that spot. And with each breath of air that inhaled, I inhaled the gems.

The gems became part of my very being. And when the gems became part of my being, I was able to see, as if by magic, how all those prayers that I had uttered had been answered.

All the cries for help had been taken care off. And at that moment, that very moment, even my inquiries and my whys were being reconciled.

It was at that moment that The Almighty Creator of our beings stepped in the direct actuality of my living experience.

But, it took many months for me to really understand what had actually happened at that moment. For it was not until a year later that The Almighty Creator of our beings chose to show me in His Word, the magnificence and splendor of the Giver of the gems—the Gem of all Gems that gave me the sense of being in a magical spot.

The Gem that lit up my whole being and transformed me in that instant of time: **YAHUSHUA MESSIAH HIMSELF** stepped into my life at that very moment.

It took me almost a whole year to cease from my wandering and my works of pride and rebellion, throw myself on the ground and truly say: “I give up. You alone are the **GREAT I AM**—The Almighty Creator of our beings and You alone I trust, Oh. How great You are—my Master and my Almighty Creator.” Why?

Read on what I am writing, that you may be enlightened and that your eyes may be opened to see and you may be encouraged to know

thiaBasilia Licona

that The Almighty Creator of our beings is indeed an Almighty of mercy, Creator of heaven and earth and of our beings.

That you may not be deceived yourself and sin against THE GREAT I AM harboring pride and rebellion in your heart.

That you may be encouraged to know that THE GREAT I AM is indeed OUR FATHER—the Father of Master Yahushua Messiah. A Father Who loves and never leaves nor forsakes His children in spite of His children’s rebelliousness.

On to the first chapter of Power From On High.!

His love in my heart for all, thia/Basilia

Chapter 1

My Father's Gift Of A Son. It All Started With A Gift Of A Son.

The Actual Plot For Reality: Dying In The Present. Living In Eternity. Series Of Books.

Friday, April 24, 2015 at 8:32 am

O my Father. How can I not be in awe of Your doings? All these years I have been whining that I have no one but You and I am all alone in this world. Really? How dumb. Why?

Because, all this time You have brought me to this town and gifted me with Ahmad but, I had not fully received Your gift until sometime on this past Wednesday, April 22, 2015. What happened?

Well, just when I was dreaming of a nice apartment with a full bathroom & kitchen, Bam. Ahmad dropped the bomb on me that opened my eyes big time. Like magic I saw. What?

I saw my gift. Father has gifted me with a son to be my companion for the rest of my life. How did I see such a thing?

Ahmad confessed to me his intentions to quit his Aqaba business and return to Amman. Then, with tears in his eyes he also confessed to me that he would quit his failing business and return to Amman **ONLY IF**, I would go with him—he could not possible see his life without me. **WOW!**

Never in a million years did I expect to hear such confession from Ahmad. Immediately. I saw what I have never quite seen before. I saw my gift. I told him, “Yes, I will go with you.”

And a new life has officially, began for me, for Ahmad. Sealed by the finger of my Father’s Spirit within both of us. Never again will I be alone with my Father. Father always knows what is best for me and for Ahmad.

It is not certain yet when will all of this move take place but, now I have the certainty of Ahmad’s & I relationship as a mother & son.

What bearing this relationship has with Power From On High or the series that I am now compiling?

Much in every way. For, the process to build Ahmad’s & I relationship as a mother & son and ultimately a relationship with our Father/Creator is the plot for this series of books.

Therefore, let me continue with this story as I introduce another dramatic happening to begin the process of establishing this relationship of mother & Son between thia/Basilia and Ahmad.

Chapter 2

A Bond Was Established ...

A bond was established between a little girl born some 71 years ago & one little boy born some 42 years ago.

Last night it came to me to create a graphic about the dream/vision I had when I asked Father to take all my affection for Ahmad out of my heart.

That night after my request I went to sleep and I found myself at the edge of a pool at the bottom of a rushing water cascade. I knew that from that cascade babies would be still-born or congenital defective and I was there to **KILL** those babies...suddenly, a beautiful baby girl came rushing down the cascade crying and attached to this girl by the umbilical cord was a long boy apparently sleeping and I exclaimed: **I CANNOT KILL THESE BABIES. THEY ARE ALIVE.**

Then I bend over and picked up the little girl and somebody else picked up the boy and we were looking for some scissors to cut them apart but then I heard Ahmad's voice saying: **"NO. DON'T CUT THEM NOW. WE CAN DO THAT LATER."** And I woke up.

The Spirit told me that day that my affection for Ahmad was to be the umbilical cord to transmit **LIFE** into Ahmad's being and He would not take it out of my heart but on the contrary He would

thiaBasilina Licona

nurture my affection until due time -- His time for Ahmad to accept the life that I would transmit to him.

Thus, this story continues to evolve by the design & purpose of our Father/Creator. On to the next Chapter.

Chapter 3

Especial Dedication On This Period Of My Journey....

So, here is my latest book to begin my new year after my 24 years of active service and my ordination with the same privileges of a priest unto my Master—Yahuwah/Yahushua—the Almighty Creator of our beings.

I have no logical explanation of how my Master has done and accomplished His work in my life but I do know that now, I am established and secured in the Presence of my Master—the Almighty Creator of our beings.

And I know without the shadow of a doubt that He has raised me as His witness and spokesman for these later days. Thus I shall continue my witness with the publishing of the present book.

And to whom should I dedicate this book? Obviously it has to be dedicated first of all to none other than Ahmad—my gifted son AFTER my Master—my Beloved Yahuwah/Yahushua.

Next I dedicate it to my children and to my friends old and new all over the world.

For, again, there is no doubt in my mind and heart that He—our Creator has chosen & raised me as His witness and spokesman because of His faithfulness to us all not for any merit of my own.

And because of His faithfulness He has inspired me to write these things for a witness to Ahmad and to my children and to my friends

old and new all over the world, for all to reconsider their lifestyles accordingly to this witness. Thus this book is dedicated to you all.

Nonetheless Ahmad's 42nd birthday has arrived with a very intense message for him. Therefore, on this day of his most especial birthday I am honoring him by publishing that message along this latest one that has not yet been published in book format and I am making this especial addendum to dedicate this work to him on his most especial 42nd birthday for obvious reasons.

Chapter 4

I Began To Come Out Of ‘Fantasy World’ To The Reality Of Life—Eternal Life That Is.

Tuesday, November 02, 2010 (3:07 pm)

About three years ago I heard the word ‘Aqaba’ for the first time and I asked to my own self, “What in the world that is and where is it located?” and on I went to the Google search engine in my PC. WOW! Not only ‘Aqaba’ was real but also the thing of the moment—a famous resort for the rich and famous. Where have I been all of this time when everybody else was aware of such thing but I didn’t even know it existed?

But then again, the information given to me by reliable sources stated that Aqaba was to be the refuge destined by our Almighty Creator—our FATHER to shelter His people while Yahushua shall kindle HIS wrath on the rest of the wicked world.

And I lifted my voice on high and said, “Father, if that is where I am supposed to go ‘til the end of time You are going to have to transport me there Yourself because I am not neither rich nor famous and I have not any means whatsoever to get myself there.”

Sure enough within a year HE managed to turn my world around for me in the most drastic and dramatic way. And now here I am in Aqaba, Jordan with the rich and famous living among incognito kings and queens and none the wiser.

Rich And Famous? It’s A Laugh Among The Locals. Yes. Rich and famous it’s a laugh among the locals who are monetary deprived

just like myself but they do not know that, like myself they are **ROYALTY**.

Yes. We are royalty—we belong to the highest royalty—the **ROYALTY** of the **ALMIGHTY CREATOR** of our beings—our **FATHER**.

But these poor souls don't even understand how the **ALMIGHTY** can be a father to us because they looked at fatherhood only from the human point of view. They do not understand that **HE** is a **FATHER** with capital letters—a unique and only **FATHER** and **HE** is not a father like an ordinary man.

And all of these years I am sure, there has been untold amount—numerous—great number of missionaries and religious zealots who have come to this land to convert them to their different beliefs and systems including the different sects of Christianity—to proselyte them.

But none has managed to make a dent in the ways of these people—these people remain set in their customs and traditions to the point that many just give up and either adapt to their customs and traditions or leave them alone to live and let live as they put it.

But again, the unfathomable wisdom of our **FATHER**. Here on His timing, **HE** sends that little girl born some 71 years ago in the remote wilds of Guatemala not to the whole region but only to one little boy born some 42 years ago in this region of the world. Why?

Because this little boy is destined to do great exploits for the **ALMIGHTY CREATOR** of our beings—our **FATHER** at this precise time of the age.

Thus, this most intriguing story begins. On to Chapter 5.

Chapter 5

Thia/Basilia & Ahmad—What A Pair.

It has been a year, for the 4th day of November shall mark the exact date when Basilia & Ahmad met for the first time.

O what a year it has been. Never a dull moment. And a very productive year it has been at the expense of thia/Basilia's carnal pride.

For after humiliation plus humiliation her pride has been totally spent—no more pride left.

And so here you have thia/Basilia and Ahmad—what a pair. Neither thia/Basilia much less Ahmad have really any real concept of our FATHER doings.

For our FATHER, purposely, does not let thia/Basilia know much ahead of time for obvious reasons—if HE would let thia/Basilia know all the details of His plan, thia/Basilia will, for sure, take it upon herself to improve and execute such plan accordingly to her own carnal or human reasoning, just like everybody does.

And so, again, it has been a year, for the 4th day of November shall mark the exact date when thia/Basilia and Ahmad met for the first time.

O what a year it has been. Never a dull moment. In addition, a very productive year it has been at the expense of my own carnal pride.

Believe me, there is no pride left in me. It has all been spent in this year of one humiliation after another, after another to the point that now I am able to humbly recognize that wicked pride and subdue it. For at last, I am able to die daily as it is written that we **MUST** do,

So then, brethren, we are debtors, but not to the flesh we are not obligated to our carnal nature, to live a life ruled by the standards set up by the dictates of the flesh.

For if you live according to the dictates of the flesh, you will surely die. But if through the power of the Set Apart Spirit you are habitually putting to death (making extinct, deadening) the evil deeds prompted by the body, you shall really and genuinely live forever.

Never you mind thia/Basilias high O mighty standards of living anymore.

Thia/Basilias—to her own amazement is able to truly say, “I don’t need anything. I am more than blessed and grateful for what I have and I can do without what I don’t have.” and I mean it.

Chapter 6

Humbly ‘Wise’ Instead Of Arrogantly ‘Smart’.

Yes my pride is gone. But, the wisdom from my FATHER has taken over so I have become humbly ‘wise’ instead of arrogantly ‘smart’. And I do live a wise and simple life in spite of Ahmad’s doubts that I do so.

Yes, I do live a wise and simple life but, as of yesterday I did not quite understand that Ahmad had a problem accepting my mode of living as simple because, I use a computer and the Internet and such.

I had me a good laugh when Ahmad confessed this problem to me yesterday and he told me what was his concept of a simple life. A simple life to him did not include the use of a laptop or mobile or even electricity or any modern commodities.

I could not help it but, as he expressed what a simple life meant to him I exclaimed, “That’s not a simple life. That is sheer stupidity.” And Ahmad could not help but to crack a good laugh.

Soberly speaking under the influence of our FATHER’S mind, a simple life does not mean that we cannot use any of the modern commodities to simplify our tasks.

But it does mean that we are NOT to depend on such commodities nor attached to them the honor only due to our FATHER. Is that simple. And it is written,

1 John 2:15-17

Do not love or cherish the world or the things that are in the

world. If anyone loves the world, love for the Father is not in him. For all that is in the world—the lust of the flesh—craving for sensual gratification and the lust of the eyes—greedy longings of the mind and the pride of life—assurance in one's own resources or in the stability of earthly things—these do not come from the Father but are from the world itself. And the world passes away and disappears, and with it the forbidden cravings (the passionate desires, the lust) of it; but he who does the will of our Creator and carries out His purposes in his life abides (remains) forever.

Nevertheless, we human beings have our own warped concepts of everything and they are, either lofty or lowly unless our FATHER intervenes and grant us HIS wisdom.

Otherwise, human beings have developed all kind of warped ways of living to the point of ridicule. Why?

Because the human being has to appease the need to worship the ALMIGHTY CREATOR of our beings—our FATHER.

For instance, most human beings—or most of us for we are all human beings—most of us have a warped concept of 'holiness' and we do all kinds of dumb things to show off our 'holiness'.

We do these things not just in public but in our own private life. O yes. But don't tell this to any prayer warrior.

Don't tell anyone that they are ridiculous not 'holy' when they kneel down and begin a litany of prayers and words addressed to our FATHER but without any concept of the reality of our FATHER'S requirements for 'holiness' or correctly speaking the word should be 'SET APARTNESS' not 'holy'.

No. Don't tell anyone such thing BECAUSE you would make a killer enemy of whomever.

Regardless, FATHER tells us, actually COMMANDS us ALL to testify or to give witness or to immerse or let in everybody in whatever HE teaches us.

So it is Okay for me to tell and testify that such practice is RIDICULOUS not HOLY because that is what FATHER taught me.

Man. No one can tell me that I had not been a ‘prayer warrior’. I even had calluses in my knees to prove it. Sometimes for hours I would be on my knees reciting all kinds of Scriptures and lofty words of praise and adoration and even singing and lifting up my hands or falling down on my face and weeping and more. Until finally. FATHER had enough of my shenanigans and put stop to them.

And in due time, after one of my long ‘holy’ sessions when I was feeling so satisfied that I had gotten through the highest heaven, FATHER spoke to me and said,

“Why do you have to change your tone of voice and do all things that you do when you pray?”

And in my bewilderment I said, “And how do You want me to pray?” And HE said,

”Just talk to ME at all times and under any circumstances not just at a set time.”

That was it. Since then even the calluses on my knees are disappearing and I am in continuous prayer at all times.

But I had to go to a process to learn to discern between my warped concepts and the ‘unfathomable wisdom’ of our FATHER.

And so one day, reading on Psalms 2 that the Almighty Creator of our beings sits in His throne in heaven and laughs at the wicked I considered such thing to be wrong somehow.

So I marched into my bathroom praying or saying, “Father, how come You laugh at the wicked but You tell us to love our enemy?” I thought for sure I had one on the Almighty.

But no sooner my arrogant remark came out of my lips, my FATHER answered me almost in an audible form and said to me quite clearly,

“I am laughing at your wicked being doing still all those things that you do to please Me but you DON’T OBEY ME.”

DUH. But that voice penetrated the core of my being and somehow I knew His meaning and my walk of humility began after that short interchange.

Hum. Do I mean to tell you that before, my prayers were not ascending on high? Do I mean to tell you that all that praying was all in vain?

YEAP. For the most it was. And it was unnecessary. Just like it is unnecessary to practice all of those ‘holy’ rituals that we practice nowadays as part of our religions duty or as part of the warped concept we have been programmed to live by about most everything that pertains to our FATHER.

And truly I am not condemning or accusing anyone. But I am not an abnormality of a human being.

I am not an exception. I am just like everybody else just with different physical features and capricious likes and dislikes.

But in the core of any human being lies the carnal self and that carnal self is identical in every human being whether of low or high birth.

TRUTH is TRUTH and we all must face it. We human beings are all alike but, for the Spirit of the Almighty Creator of our beings within the human beings that are destined as His chosen children.

Unfortunately, most of His chosen children do not know HIM—do not know the Creator as a FATHER. As it is stated through the prophets of ancient times.

Nonetheless, our FATHER is now revealing HIMSELF to HIS children by subtle methods, thus, this phenomenon of thia/Basilica connecting with Ahmad.

For in spite of our willful and rebellious ways our FATHER—for His name's sake aims to **restore** not to destroy us with the rest of the corrupt world. As it is written in Isaiah 48,

You have heard these things foretold, now you see this fulfillment. And will you not bear witness to it? I show you specified new things from this time forth, even hidden things kept in reserve which you have not known. They are created now—called into being by the prophetic word, and not long ago; and before today you have never heard of them, lest you should say, “Behold, I knew them.”

Yes, you have never heard, yes, you have never known; yes, from of old your ear has not been opened. For I, your Maker, knew that you, O house of Yisrael, dealt very treacherously; you were called a transgressor and a rebel in revolt from your birth.

For My name's sake I defer My anger, and for the sake of My praise I restrain it for you, that I may not cut you off. Behold, I have refined you, but not as silver; I have tried and chosen you in the furnace of affliction.

For My own sake, for My own sake, I do it—I refrain and do not utterly destroy you; for why should I permit My name to be polluted and profaned—which it would be if your Maker completely destroyed His chosen people? And I will not give

thiaBasilia Licona

My esteem to another by permitting the worshipers of idols to triumph over you.

It cannot be any more clearly stated about our Father's plans for His wayward children.

Chapter 7

Back To thia/Basilina & Ahmad Beautifully Ending A Year Of Turmoil.

I told Ahmad later on, “For what you did last night to cover me and watch to keep me from the cold and bring food to me I forgive you all your trespasses and unkindness to me forever. I’ll never going to get angry at you anymore.”

Anyhow back to thia/Basilina and Ahmad. One whole year of perfect connection between that little girl born some 71 years ago and that little boy born only 42 years ago, but, Ahmad and thia/Basilina still have not total comprehension of such connection.

Yet, there is no need for either of us to comprehend anything ahead of our FATHER’S design and purpose. And so things happen to us on the daily basis totally unexpected.

Sometimes we are enjoying ourselves in perfect harmony when suddenly, a brutal disagreement pops up on account of maybe one single word that I might say that blows away all of Ahmad’s customs and traditions and on he or I go on our sulking for a day or two.

Then just as unexpected and when I have thought it to be the end of my stay here all changes and Ahmad returns to his kind self and all is well for a while until the next blow out. A whole year of this kind of diet.

And through it all, FATHER has been the dispenser of this diet and such diet is now producing a healthy relationship between Ahmad and thia/Basilia and FATHER shall have HIS way in our lives.

The day before yesterday Ahmad and Thia/Basilia had what I hope to be one last blow out. And I came into my room in a huff and locked my door and went to sleep.

But after a while I woke up to a frantic knock on my door and as I unlocked it to open it, there is Ahmad with a dish of food mumbling and questioning me as to why did I lock the door on him?

I was so angry still that I did not even answer him. But he left just as quickly as he came and I was left with the wonderful dish of food on my table.

Hum. I wondered. I don't know what to make of this all my Master but thanks anyhow for this wonderful meal and I went ahead and ate every bit of it and did not even give thanks to Ahmad. Instead I went back to sleep. Only I did not lock my door anymore.

Next thing I know I woke up many hours later and as I turned to get out of bed there by my bedside on a night table is a dish with fried potatoes still warm and I smiled big and picked my mobile to signal Ahmad to come in my room.

In a jiff he was at my door and I said, "an angel has brought me food." Ahmad smiled big himself and proceeded to tell how he knocked but when I did not answer he came into my room and noticed that I was sound sleep and the room was cold and my window was opened and of course I go to sleep while I still have my cloth on and do not cover myself so Ahmad closed my window and he took a towel and placed it on my arms to keep me from the cold.

thiaBasilia Licona

O the amazing doings of our FATHER. Ahmad's kindness strengthened the bond that our FATHER has placed between the two of us.

I told Ahmad later on, "For what you did last night to cover me and watch to keep me from the cold and bring food to me I forgive you all your trespasses and unkindness to me forever. I'll never going to get angry at you anymore."

And I know that it will be so because those words came from the heart of our FATHER within me. What an amazingly beautiful ending to this tumultuous year.

Power From On High.

Chapter 8

A Conclusion For That Period Of Our Journey

It's now Tuesday, June 17, 2014 at 10:36 AM and I want to close this booklet with a brief explanation of what seems to be the course that I am to take with my latest writings and with the following entries in my journal. To begin with this booklet should give to all a good basis to understand what is happening now and what has been happening in the course of events since I came to Aqaba, Jordan in June of 2009.

Tuesday, June 17, 2014 at 11:04 PM

O my Master, people says that You did not make junk and proceed to brag about their worthiness because You have acquitted us. True, You do not make junk but we make junk of all the precious things that You gift to us, my Father. How do we do that?

Read the next entries and perhaps you will see how my wicked carnal-self attempts to take over my existence continuously making junk out of my Father's gifts.

Because no matter how our Father gifts us we take His gifts in the mind of the wicked carnal-self ingrained in all of us human beings and that mind is corrupt.

Take notice: no matter what we believe or how much knowledge of the Scriptures we acquire that wicked carnal-self will remain alive and well unless we live a life submitted to Yahushua in practice.

Yes, in practice, as it's written in John 8, "If you abide in My word—hold fast to My teachings and live in accordance with them, you are truly My disciples. And you will know the Truth, and the Truth will set you free.

That's in practice or as it is written not in believing or ideas about the meaning of those words and concepts that our carnal mind can freely assimilate as is the norm with most all leaders & teachers & followers of the day.

But if we abide in Yahushua's words then we mind the Spirit of Yahushua not our beliefs or ideas or concepts of our carnal mind.

Wednesday, June 18, 2014 at 3:04 AM

Father, I hate to be a 'party pooper' but I will not quit busting all of the abominable customs & traditions that You so detest.

So, nobody likes to hear about the wickedness of our carnal selves and they simply stay away from me and they continue their merry go round? "Tell them anyhow." You tell me. So, tell I do, regardless,

Therefore, I sit alone in Your Presence while they struggle to ride their merry go round wagon to satisfy the whims of their carnal selves, missing out to partake of the treasures You have gifted to me because, they have no understanding of such treasures.

Such has been the case from the beginning of time, which such knowledge does not bring me any comfort at all. Indeed. Such knowledge does nothing to bust my down right mood.

In fact, as I recap my steps from the first time I stepped into Aqaba's grounds and notice that in five years there has been hardly any change at all, I find myself dejected and discouraged even more so that I don't care to go on but, You know it my Father.

In addition, I know that somehow after some more sleep maybe You come through for me and lift me up from the pits of my dark

thiaBasilia Licona

thoughts & feelings. But if You don't, still, my hope & expectation are only on You.

Wednesday, June 18, 2014 at 11:53 AM

Well, perhaps there has been a remarkable change lest in Ahmad's lifestyle but, my wicked carnal self is not able to see things as they are in Your sight my Father. Thanks for opening my eyes to see my non-existent problem.

And thanks for giving me the power to overcome my dark thoughts & feelings with the truth that always set me free—the truth about my wicked self.

And such is the truth that Yahushua is talking about. And if the Son sets you free you are free indeed. No human effort of any kind can set anyone free—only the Son can set you free.

Thus are the treasures that our Father Creator gifts to me on the daily basis—always showing me the attempts from my wicked self to take over along with the security in the power to overcome my wicked self. *Only if my people knew what it is to be free.* Would that this booklet may enlighten someone—even one would make the bells of rejoicing with our Father's laughter resound in the heavens. Ha. Ha. HalleluYah.

With our Father's love in my heart for all, thia/Basilia

Power From On High.

Chapter 9

From My Presence in My beloved thia/Basilia's journal.
A dialog between thia/Basilia and Master Yahuwah/
Yahushua.

From His Presence in my heart let His voice resound through
the pages of this book from one end of the earth to the other.
thia/Basilia—Author/Publisher.

Let me begin to share this dialog between Master
Yahuwah/Yahushua and yours truly on this Saturday, May 23,
2015 at 6:28 am

O my Father. This is a remarkable 7th day of rest—my first day of
rest in this new location You have placed me in. What is so
remarkable on this day?

For all to take notice if they may. On this day the Set Apart Spirit
of our Father who is in heaven and within my being is directing me to
compile the title, Power From On High.!

Wow! What a title. Where did it come from? From my mind?
Indeed. Compiling a book though that I been thinking about it, this
morning such matter was the further thing in my mind much less
giving it a title.

So? What am I talking about? Well, let me put it like this: since
Wednesday, April 22, 2015 at 8:07 pm I have gone through the mill
of purification. Ha. Ha. HalleluYah.

What a joy it is to come out of the mill squeaky clean. Yeah.
Squeaky clean as of this very instant. Even a few hours ago this

morning the charring flames of purification burned the caustic fury in my mind directed to none other than my Ahmad.

Hum. I know now that you do not read my mind—blessed thing that is. Otherwise, you would be appalled to read the most evil thoughts that my mind can conjure up against any unpleasantry in my way.

Anyhow, coming to the point of the cause of all my or our troubles—my beloved Ahmad & yours truly are both the epitome of dreamers. Only trouble is that our Father/Creator has no use at all for dreamers. Reality & fact not dreams & dreamers is the requirement in the Father/Creator's book.

Euphoric Dreams of romantic dreamers are only the step ladder to climb to the throne of the Most High and be our own & sole possessor of our destiny. What am I suggesting?

I am talking about the insidious struggle of the human mind to control, period. Yes. At any cost, as human beings we want to control not only our lives & destiny but also the life & destiny of other human beings inhabiting in this world.

But the human mind is so ever clever. So, we live our lives in the desert chasing after the mirage of that elusive happiness in a better world. What a fallacy.

YET, for a price, so many leading the way to that mirage. And the many more than willing to pay that price at the cost of the last coin in their pockets or even at the cost of their own souls. What a tragedy.

Indeed. I personally followed the leader most of my life until...that memorable 20th day of June of 1985 when the Almighty Creator of our beings stepped into my life at the most unexpected moment and, began my transformation.

Therefore, a remarkable change from within my being began. Following the leader of my choice became a thing of the past.

Instead, power from on high to follow the Leader from above became the thing of my present until this moment of time.

Yes, instead, power from on high to live a life higher than the life that I had lived following after the leader of my choice on these earthly grounds, became my bastion until this very instant.

Now, in a concise manner for easy yet powerful reading, I present to you Power From On High.!

The aim & purpose for Power From On High is to summarize the sequence of events that took place to arrive at this point of my journey since that memorable 20th day of June of 1985.

Power From On High for what purpose? For the purpose to deliver the message of our Father/Creator's love for us all.

I am a 'messenger' from our Father/Creator. To confirm the matter let me quote now a poem that the Spirit of our Father/Creator inspired me to write at the onset of my journey in His Presence.

It was the year of 1985 and I was sitting in my office with not much to do in the office but with much going on in my spirit.

Thus I was inspired to write the following poem that I find appropriate to quote in view of Father's doings at this stage of my life's journey.

I am a Star, to shine Father Yah's love.

When I was a little girl, out of the clear blue sky I used to tell my grandmother that I was going to be a movie star.

That idea had to come out of the clear blue sky because there were not any TV sets or movie houses or such, in fact, we didn't even have electricity in that beautiful hole in Guatemala where I was born.

It must have been Father Yah telling me even then, that I was to be a Star.

Father Yah had always been one step ahead of me and I thought I was never going to catch up with Him.

Then one day he took me by the hand and gently tugged me so that I would catch up to His step. But, I, because of circumstances could not catch up with His step.

So, he pulled me by the hand for it was necessary that I would catch up with Him, but, I, thinking that He was angry stumbled and fell.

So, He picked me up in his arms and carried me. Because I was angry and hurt I never noticed that He had carried me, before he placed me down to see if I could walk.

But no, I could not walk, I couldn't walk at all. So, he took me back in His arms and lovingly carried me.

And the mountains were high, and the valleys were deep; the seasons came and the seasons went, and with the seasons along came bad weather, good weather, sunny days, cloudy skies, and the storms of rain and sleet, and ice and snow, and the flood came, and along came death to my body.

Then Father Yah put my drowned body on the stake with his Son, under the flood of the Blood and my spirit he placed in the wings of His Set Apart Spirit.

So, out of the flood of the Blood my body came alive and in the wings of His Set Apart Spirit my spirit soared.

So, in the wings of His Set Apart Spirit my spirit soared far, far beyond the sky, and in the firmament my spirit shone with Father Yah's love like a shiny star.

So Father Yah did make me a Star, far greater than a movie

star; a Star to shine His esteem and honor, a Star to display His beam of love.

I am a Star, I am a Star, praise be to Father Yah, I am a Star to shine His love.

A star is a 'messenger' as it's written,

Revelation 1:20 As to the hidden meaning (the mystery) of the seven stars which you saw on My right hand and the seven lampstands of gold: the seven stars are the seven angels (messengers) of the seven assemblies (churches) and the seven lampstands are the seven churches.

Ha. Ha. HalleluYah. I was in S. Africa when Father chose to show me this matter.

I thought about the concept of an angel that most of us have and, I burst up laughing. Me? An angel? O but my Father has a sense of humor.

Incurable curiosity--did that Loving Spirit caught your interest so far? His love in my heart for all, thia/Basilia

Power From On High.

Chapter 10

I Quote Scriptures, I Mention Yahuwah/Yahushua—The Father & Son To Encourage Not To Discourage.

No. I Am Not A Preacher Much Less Am I Preaching.

Sunday, September 20, 2015 at 7:21 pm

O my Father, I am overwhelmed with my task, what gives my Father? Perhaps I am trying to skip to the end? I wait on You to lead me in the way that I must go.

Monday, September 21, 2015 at 8:20 am

Thanks my Father. Somehow, I am catching on what to do? I am revising the content of Power From On High.! I will add a page or two.

No. I Am Not A Preacher Much Less Am I Preaching. Is that so? Then, why do I quote the Scriptures along with exhortations to my readers in the journal of my life?

No one wants to be preached at. I know that, to quote Scriptures and exhortations it is a good way to turn readers away because, all of our lives we have been beaten with the Scriptures so much that by now, we simply don't want to hear anymore. So, why do I do it?

Because of my own experience of life. For the most, I have lived a righteous life just like any other member of our society—church attendance, helping others, no kill, no steal so, what am I blabbing about?

Well, actually, I am not blabbing nor am I preaching. So? What is it that I am doing?

I am raising a Danger.  Sign to all of those traveling the same route that I am coming back from.

Whatever for? For the simple reason that our Father/Creator compels me to do so.

For it is not our Father's will that any should perish along that route. O for goodness sake. What route am I talking about?

I am talking about the route or lifestyle of a normal law abiding citizen of this world.

I traveled that route for the most of my 76 going on 77 years since my birth. I know the whole splendor as well as the utter darkness in that route—both ways leading the human race to a disastrous end.

Even so, by the power of love from high, that route is no longer my path of life—our Father/Creator lifted me for His own purpose not that I deserved to be lifted up.

Anyhow, I will tell you a secret, a well-known secret: Most all well-meaning, law-abiding, kind-hearted, gentle souls in this world are preachers of the Bible or the Torah or the Koran.

Unfortunately, and this I say in hind sight, but unfortunately, 100% of preachers of the good words, both ordained ministers as well as just any good soul, quote good but, **DEAD** words.

Oo-hoo. Let me dock. There comes the avalanche of stones. But really? By the fruit from all of the throng of humanitarian souls, anyone can tell that I am speaking truth.

Of course, I am not talking about the unique souls that have come to terms with our Father/Creator—there are many of them—those are the ones that will make a difference in our Father's world. And for the most, this group is a hidden group.

I am talking about the masses. I am talking about the organized humanitarian throng that aims to make good out of, not only the corrupt world that we inhabit, but also, out of our wicked carnal natures.

For myself? I have no agenda. I am only a messenger like a mail man or a delivery man under the authority of our Father/Creator.

It is by the will of our Father/Creator that I quote His words—the Scriptures. In addition, the Scriptures that I quote are the Scriptures that are now alive within my being. I quote experience not dead words.

I have spent most of my life quoting dead words from the Scriptures, just like the next one to me. That is the reason why in the past, though I seemed to be alive I was not, until Father raised me from my spiritual slumber.

Just as the Father/Creator shook me up from my spiritual slumber, He brought me back to the basis for all that is to be—the First and most important commandment.

Therefore, this book is not for study, for it is not a book containing anything new to be studied. This book is actually written for a witness to entice the reader to keep our Father/Creator's commandments, for it is written,

Ecclesiastes 12:12-14

But about going further [than the words given by one Shepherd], my son, be warned. Of making many books there is no end [so do not believe everything you read], and much study is a weariness of the flesh. All has been heard; the end of the matter is: Fear The Almighty [revere and worship Him, knowing that He is] and keep His commandments, for this is the whole of man [the full, original purpose of his creation,

the object of the Creator's providence, the root of character, the foundation of all happiness, the adjustment to all inharmonious circumstances and conditions under the sun] and the whole [duty] for every man. For the Creator shall bring every work into judgment, with every secret thing, whether it is good or evil. [Matt. 12:36; Acts 17:30, 31; Rom. 2:16; I Cor. 4:5.]”

Only remember, O please remember. The first & most important commandment to love our Father/Creator above all things. As it's written,

Matthew 22:37-38 And He replied to him, You shall love the Master your Almighty with all your heart and with all your soul and with all your mind (intellect). This is the great (most important, principal) and first commandment.

LOVE means OBEDIENCE. To love the Almighty—our Father/Creator means obedience to His commandments. Thus, our Father/Creator comes before our families & ourselves.

To love the Almighty does not mean the customary “I love God but my family and myself comes first.” The love for our families & ourselves comes secondarily not as the main purpose in our lives.

Moreover, this book is the record of my long struggle to please myself and my children and my friends ahead of my Father/Creator until the Father/Creator confronted me and ended such struggle to set me as an example of His good will for all of His children. Why?

Why setting me as an example of His good will for all of His children? Because, in order to love The Almighty above all things we must establish a personal relationship with The Almighty—our Father/Creator.

thiaBasilia Licona

And, the building of that relationship does not come without the struggle to overcome our natural or carnal selves—by nature we are unable to love our Creator above all things. Kid not yourself—it's impossible.

Thus, the example of my struggle & the final outcome by the power from on high invested upon yours truly for the benefit of our Father/Creator's children.

From His Presence let my voice resound in the waves of the Internet and in the books by yours truly from one end of the earth to the other. thia/Basilia—Webmaster/Author/ Publisher

Power From On High.

Chapter 11

Power From On High.! Why This Power Has Come Upon Yours Truly?

Stop & think: “what’s in this power for me?” Much more than you can ever imagine is your answer. Read on...

Saturday, June 13, 2015 at 1:56 pm

To all my followers. My hearty thanks for your faithfulness to check the posts as well as for your awesome & encouraging comments.

It is for you that I continue to post and go on with the power from on high that has come upon me for no merit of my own.

But this power has come upon me for your benefit to entice you all to investigate the Presence of our Father/Creator beckoning you all to allow Him to empower you likewise.

For what purpose and why should you be enticed to allow our Father/Creator to give you power from on high to live or to die as He wills?

There is only one fabulous purpose in the mind of our Father/Creator as it is written coming from the ancient Scriptures written by the finger of the Spirit of our Father/Creator through the ancient prophets,

1 Corinthians 2:9 But, on the contrary, as the Scripture says, What eye has not seen and ear has not heard and has not entered into the heart of man, all that The Almighty has

prepared (made and keeps ready) for those who love Him [who hold Him in affectionate reverence, promptly obeying Him and gratefully recognizing the benefits He has bestowed].

My friends, regardless of whatever anyone believes or not believe the ancient Scriptures contain the irrevocable words from our Father/Creator to us His children—those are words of wisdom from a loving Father to His children.

Those are words to teach us all about His immense love for us and the consequences should we reject such love and choose to live according to whatever seems good to us.

But those words are Spirit & Truth and can only be understood by those who submit to our Father/Creator like a child submits to the earthly father or mother.

It is that simple. The problem is that we human beings have rejected the Spirit & Truth of the Scriptures and have taken it upon ourselves to understand & interpret such awesome words with the power of our minds.

Therefore, we have made total chaos of such awesome but simple words and come up with the myriad of religions, beliefs, doctrines, systems and what have you enough to confuse and delude the whole human race.

That being said, let me state my present situation and why I do and say the things that I do and say?

I do and say the things that I do and say? Because it is in the obedience to the commandments that I found the foundation of all happiness, the adjustment to all my inharmonious circumstances and conditions under the sun and in my existence on these earthly grounds.

The adjustment of the awful inharmonious circumstances of my yesterday proves this fact to me.

Delving into Yoga, New Age, Goal Setting, Positive Thinking, Mind Control, Self-Improvement courses & seminars never satisfied my quest for the happiness that now is mine without the tremendous effort that all those endeavors of my past cost me.

For it was not until I quit all that nonsense of Yoga, New Age, Goal Setting, Positive Thinking, Mind Control, Self-Improvement courses & seminars that the Spirit of our Father/Creator was able to take the control of my life for my ultimate happiness.

What is the sense to live one's life depending on a successful career or successful anything by our own efforts? What happens when that career comes to a halt or that successful anything by one's efforts is truncated by ill health or old age? Misery, discontentment & death is the end of the matter for the most.

It is true that there are so many heroes that permeate the face of the earth but, if one examines such lives unless their base is the keeping of our Father/Creator's commandments such lives are basically rubbish.

The tragedy of the whole matter is that people do not discriminate and make gods of such heroes. People flock to the heroes in this world and forget the Father/Creator that created such heroes.

The most tragic fact is that for the most the heroes of this world are the rich & famous that lack for nothing in this world and live their lives to satisfy the most minute pleasure of the flesh—their lusts are staggering but they are the role model for the rest of human beings.

Of course, I was an intelligent person and I thought all those above mention practices were the thing to pursue at all costs just like the next intelligent person in this world thinks & acts accordingly.

And why not? From birth & before we are programmed to believe that our minds are the most valuable thing that we possess and even more we are programmed to believe in ourselves.

Then to uphold this program there are the myriad of schools & universities to educate us & our parents from birth until death do us part.

The result of all that education is the basis for the myriad of practices stemming from Yoga, New Age, Goal Setting, Positive Thinking, Mind Control, Self-Improvement and what have you.

Therefore, the program is seared in our minds and only the power of love from our Father/Creator is able to avail us to live over & above such program.

For there is no doubt that the whole kit & caboodle of practices produce the human's coveted success as well as a false peace and well-being that makes people think & feel that they have arrived in Paradise.

Thus all the hype about it all. For even the most elect are at the moment involved somehow into this counterfeit practices.

But why is this whole world of human beings in this state & condition of corruption at this point of time?

And why for the most people is struggling to believe that the world is corrupt and only set their minds in the beauty of it along with these practices that deny the Father/Creator's commandments?

And why in a very subtle way a lot of people blames our Father/Creator and a good number do not believe that He exists?

That is a matter that crosses most of our minds at one point or another in our difficulties in this complicated world that we have created for ourselves under the dominion of the god of this world—Satan himself. What?

O please. I do not mean to sound like a scholar or a 'know-it all' at all. The truth of the matter is: I spent most of my life wondering in all sorts of knowledge from the most brilliant minds in this world.

Even so, at the present time I have come into the knowledge of the truth to avail us all and set us free from the tyranny of the complicated world that we have created.

Yes. I have been pursuing knowledge most of my life until the miraculous moment when I saw the futility of it all. There is no amount of knowledge that can avail any human being to escape a future that has already been set for this world and its inhabitants. That is the immutable fact and no human or devil can change such fact.

How did I come to see such futility? You may find the answer to that question in the Introduction of Power From On High.! As a reminder, in the Introduction you have already read about the mighty miracle that took place some 30 years ago when the whole transformation of my being began.

I set that long quote as the Introduction because, the miracle that I quoted there will be the basic subject for the rest of the series.

In addition, let me remind the reader that such quote is most appropriate for the understanding of the end accomplished in my 30 year journey in the Presence of our Father/Creator. That quote is the beginning of the end.

It is my hope that the Spirit of our Father/Creator who inspired me to write this long essay has kept your interest up to this point. Until the next chapter.

His love in my heart for all, thia/Basilia

Chapter 12

My Physical Comfort Is No Longer A Priority In My Life. His Will At Any Cost Is My Determined Aim.

Wednesday, April 22, 2015 at 4:13 am

Father I do not know what is wrong with this file—I have not been able to saved it since last night. Maybe now is working fine.

Well it looks like the problem is fixed. It's now 4:36 am. I reopened the file and it is saved. Where do I go from here my Father?

All things remain uncertain. The only certainty is the fact that You are in control of this situation as well as all situations present, past and future.

Wednesday, April 22, 2015 at 5:54 am

Father? I know that You have all things under Your control. And You know that I am willing to follow You wherever You lead me for the benefit of Your children. You know that my physical comfort is not a priority in my life anymore.

Wednesday, April 22, 2015 at 8:07 pm

Thanks my Father for Your Presence in my life. All things are coming together according to Your plan for Your children. I will go to Amman with a glad heart even when I do not cherish that city.

The decision is made, now all there is to it is the actual move. I am attuned to Your leading in all that has to be done.

Thanks for giving me Isaiah 41. I needed for Your Spirit to give life to those verses and it is done so as Your voice resounds within my being:

Fear Not. Fear Not. Fear Not For I Am With You Says The Master.

Isaiah 41:8-16 But you, Israel, My servant, Jacob, (thia/Basilia) whom I have chosen, the offspring of Abraham My friend, [Heb. 2:16; James 2:23.]

You whom I—the Master have taken from the ends of the earth and have called from the corners of it, and said to you, You are My servant—I have chosen you and not cast you off even though you are exiled.

Fear not—there is nothing to fear, for I am with you; do not look around you in terror and be dismayed, for I am your Almighty.

I will strengthen and harden you to difficulties, yes, I will help you; yes, I will hold you up and retain you with My [victorious] right hand of rightness and justice. [Acts 18:10.]

Behold, all they who are enraged and inflamed against you shall be put to shame and confounded; they who strive against you shall be as nothing and shall perish. You shall seek those who contend with you but shall not find them; they who war against you shall be as nothing, as nothing at all.

For I the Master your Almighty hold your right hand; I am the Master, Who says to you, Fear not; I will help you. Fear not, you worm Jacob, you men of Israel.

I will help you, says the Master; your Redeemer is the Holy One of Israel. Behold, I will make you to be a new, sharp, threshing instrument which has teeth; you shall thresh the

mountains and beat them small, and shall make the hills like chaff.

You shall winnow them, and the wind shall carry them away, and the tempest or whirlwind shall scatter them. And you shall rejoice in the Master, you shall glory in the Holy One of Israel.

Hebrews 2:16 For, as we all know, He—the Messiah did not take hold of angels –the fallen angels, to give them a helping and delivering hand, but He did take hold of the fallen descendants of Abraham to reach out to them a helping and delivering hand. [Isa. 41:8, 9.]

I fear not. Though a thousand fall at my right hand and ten thousand at my left, I will fear no evil for Master Yahuwah/ Yahushua is with me.

This statement does not mean that I have arrived and I am now super woman ready to fight the devil himself.

Indeed. When I say, “I fear not.” my knees are shaking and my whole body goes into panic gear big time.

There is no telling of my immediate reaction at the sight of even a tiny roach much less thousands falling dead at my sides.

Forget the fear not. Panic & fear descend on me like a dark mantel that makes me rant & scream like crazy.

But that’s only my immediate reaction. Instantaneously, the power from on high descends on me as well for me to act as the occasion demands.

The fact is that our wicked nature will be the part of us to react in all circumstances as long as we walk on these earthly grounds.

thiaBasilia Licona

But there is a Way to live above of our wicked natures. A way to renounce the wicked nature and submit to the nature of our Father/Creator.

Thus the aim of this book is to demonstrate this Way for all to take notice and grab on to it.

Chapter 13

It Is Not The Father's Will That Any Should Perish.
Those Who Sit In Darkness Shall See His Light.

Thus it is written & thus it shall be & thus I have been sent. I am a messenger from on high. I am not here to convert anyone from one religion to another. Not at all. I am here to proclaim the Light of a Loving Father/Creator of our beings for all to see Him for Who He is—our Loving Father that only wants good for all & each one of His children.

Wednesday, April 22, 2015 at 10:15 pm

I had a full day my Father and I am going to bed and hope You give Your beloved sleep. It is now the next day and I am up but still sleepy.

Thursday, April 23, 2015 at 9:13 am

Father? Decisions are made and I know those decisions to be in Your plan.

Yet, it seems to me that the timing to carry on such decisions is not clear to me, thus, I am experiencing uncertainty again.

I sense in my spirit that the decision for me to go to Amman is in Your plan.

Now, I see that the way I figured how all of this is to take place is not according to Your written words in Isa 52:12,

‘For you will not go out with haste, nor will you go in flight [as

was necessary when Israel left Egypt]; for the Master will go before you, and the Almighty of Israel will be your rear guard.’

Such was the verse that You quickened to me; but when I went to check the content of the chapter stating those words? Wow!

The accuracy of what is happening now as it is written in Isaiah 52 is totally awesome to me.

Yet, When I share those words with Your child is like talking to the wall—not anything resembling the respect & reverence that Your words deserve.

Your child along with many of Your children are drowning in self-pity and instead of grabbing the life line of Your written words, they are grabbing at straws thrown at them by their relatives pampering the self-pity that is destroying each one of Your children one by one. What am I talking about?

I am talking about the fact that with the least reverse of life not only the family but the whole shebang of mental health caretakers flock to comfort and offer help but hardly any has the power to truly help for lack of knowledge of our Father & His ways.

Will this vicious circle ever stop? O my Father, what do I know? Anger arises from within my being.

How can such awesome words as written in Isaiah 52 not have any impact in the hearer?

Such is totally beyond my comprehension. Even why those awesome words did not make an impact in my life before now, makes me wonder.

Isaiah 52:1-15 **AWAKE, AWAKE**, put on your strength, O Zion; put on your beautiful garments, O Jerusalem, the holy city; for henceforth there shall no more come into you the uncircumcised and the unclean. [Revelation 21:27 But nothing that defiles or profanes or is unwashed shall ever

enter it, nor anyone who commits abominations (unclean, detestable, morally repugnant things) or practices falsehood, but only those whose names are recorded in the Lamb's Book of Life.]

Shake yourself from the dust; arise, sit, erect in a dignified place, O Jerusalem; loose yourself from the bonds of your neck, O captive Daughter of Zion.

For thus says the Master: You were sold for nothing, and you shall be redeemed without money. For thus says the Master Almighty: My people went down at the first into Egypt to sojourn there; and many years later Sennacherib the Assyrian oppressed them for nothing.

Now I delivered you from both Egypt and Assyria; what then can prevent Me from delivering you from Babylon?

But now what have I here, says the Master, seeing that My people have been taken away for nothing? Those who rule over them howl with joy, says the Master, and My name continually is blasphemed all day long. [Romans 2:24 For, as it is written, The name of Almighty Yahuwah is maligned and blasphemed among the Gentiles because of you. The words to this effect are from your own Scriptures. Ezekiel 36:20 And when they came to the nations to which they went, they profaned My holy name in that men said of them, These are the people of the Almighty Yahuwah, and yet they had to go forth out of His land.]

Therefore My people shall know what My name is and what it means; therefore they shall know in that day that I am He who speaks; behold, I AM. [Exodus 3:14-15 And Almighty Yahuwah said to Moses, I AM WHO I AM and WHAT I

AM, and I WILL BE WHAT I WILL BE; and He said, You shall say this to the Israelites: I AM has sent me to you. Almighty Yahuwah said also to Moses, This shall you say to the Israelites: The Master, the Almighty Yahuwah of your fathers, of Abraham, of Isaac, and of Jacob, has sent me to you. This is My name forever, and by this name I am to be remembered to all generations.]

How beautiful upon the mountains are the feet of him who brings good tidings, who publishes peace, who brings good tidings of good, who publishes salvation, who says to Zion, Your Almighty Yahuwah reigns. [Acts 10:36; Rom. 10:15; Eph. 6:14-16.]

Hark, your watchmen lift up their voices; together they sing for joy; for they shall see eye to eye the return of the Master to Zion. Break forth joyously, sing together, you waste places of Jerusalem, for the Master has comforted His people, He has redeemed Jerusalem.

The Master has made bare His holy arm before the eyes of all the nations, revealing Himself as the One by Whose direction the redemption of Israel from captivity is accomplished, and all the ends of the earth shall witness the salvation of our Almighty Yahuwah. [Luke 2:29-32; 3:6.]

Depart, depart, go out from there [the lands of exile].

Touch no unclean thing. Go out of the midst of her [Babylon]; cleanse yourselves and be clean, you who bear the vessels of the Master [on your journey from there]. [II Cor. 6:16, 17.]

For you will not go out with haste, nor will you go in flight [as was necessary when Israel left Egypt]; for the Master will go

before you, and the Almighty Yahuwah of Israel will be your rear guard.

Behold, My Servant shall deal wisely and shall prosper; He shall be exalted and extolled and shall stand very high. [For many the Servant of Almighty Yahuwah became an object of horror; many were astonished at Him.] His face and His whole appearance were marred more than any man's, and His form beyond that of the sons of men—but just as many were astonished at Him, So shall He startle and sprinkle many nations, and kings shall shut their mouths because of Him; for that which has not been told them shall they see, and that which they have not heard shall they consider and understand. [Rom. 15:21.]

Romans 15:20-22 Thus my ambition has been to preach the Gospel, not where Christ's name has already been known, lest I build on another man's foundation; (21) But [instead I would act on the principle] as it is written, They shall see who have never been told of Him, and they shall understand who have never heard [of Him]. [Isa. 52:15.] (22) This [ambition] is the reason why I have so frequently been hindered from coming to visit you.

Not two ways about it, it is as it is written, 'My people have been taken away for nothing? Those who rule over them howl with joy, says the Master, and My name continually is blasphemed all day long.'

Such is the situation right up to this moment of time, for His people are following the leaders that continue to blaspheme His name with much glee.

The whole spectrum of His people in worship has become an abomination to Him as it is written in Isaiah 1 but, His people refuse to see their error and repent.

For myself? Like Paul's ambition is my own ambition—I do not want to go where others have gone—all my desire is to go where Father wants me to go to proclaim His message to the Lost Sheep of Israel.

Chapter 14

No More Uncertainty In My Life....

Friday, April 24, 2015 at 11:32 pm

Thanks my Father for your leading & direction in all that is to be done as You have always done for me. For the last seven years You have made Yourself a reality in my life.

Saturday, April 25, 2015 at 12:40 am

Father? A couple of days from now it will mark seven years since You called and send me to the lost sheep of Yisrael.

Since that momentous day You have sent me to the most unexpected places and to the most especial individuals. Thus, almost seven years ago also You sent me to Ahmad—O Your unfathomable wisdom.

On this 7th day of rest I find myself satisfied and in perfect rest with the knowledge that I live in Your Presence and nothing whatsoever shall ever wrench me from Your hands of mercy.

Saturday, April 25, 2015 at 4:28 am

Father? You know that there is no more uncertainty in my life. For even when such feelings & thoughts attempt to invade my being Your Spirit within my being arises like a flood and swipes those feelings & thoughts away. What a marvel.

I am now ready to start to compile that book that You have instructed me to compile. But at this moment of time I am really

thiaBasilia Licona

sleepy again, so I am going back to bed & hope You give Your beloved rest.

Saturday, April 25, 2015 at 6:48 am

O my Father. What wonders a few hours of sleep can do to my body. Thanks for giving sleep to me. I am now ready to continue the task You have assigned unto me.

It's now 10:55 am. I will close the computer and go to visit one of my friends. I came back from my visit around 4 pm. I dusted my working area and tried to straighten out one of the sites that is not working properly. Then I went back to sleep.

Sunday, April 26, 2015 at 12:03 am

O my Father. It's midnight. I lift up my being and offer You my midnight worship. You are worthy Almighty Yahuwah. You are worthy. In silence I worship You.

Sleep is Your kindness to me, O my Father. Now I am ready to post the announcement of the first booklet in this series that You have instructed me to compile—Begin At The End....

Actually that was a series of free booklets that Father instructed me to publish before Power From On High.!

Chapter 15

Seven Years Of Wonders....

Monday, April 27, 2015 at 3:13 pm

O my Father. Today marks seven years since that momentous day when You called me to go to the Lost Sheep of Yisrael.

It has been seven years of wonders as I journey in Your Presence through this valley of death commonly called 'world'. Now what, my Father?

“Now, My child, go ahead and compile the book [Begin At The End](#). Next publish this post and insert the link to it. I will do the rest.”

Good enough. Let's go. Here is the link to the first part. [Begin At The End Part 1](#)

Enjoy reading it again since it has been posted before. I am including the link here for the sake of continuity in Power From On High.!

Monday, April 27, 2015 at 6:53 pm

Father? I sense that You will truly do the rest and many more souls shall be touched with these compiling of my life that You are doing. Why?

Because Your love lifted me and Your love demonstrated in the work that You do within my being shall also lift many more souls. Therefore, I will keep going & going no matter what.

Chapter 16

The Arrogance Of Mankind Has Reached Its Peak. Read On

Tuesday, April 28, 2015 at 5:20 am

Father? Here we are, it's Tuesday already and still, I don't have a clue as to when or if I am to move.

However, You are in control and You know exactly when or if You will relocate me. I wait on You with patience & composure.

I published the first book yesterday—Begin At The End Part 1. Now I aim to work on part 2.

Even so, at the moment I'll take a break and see what goes on around me.

Tuesday, April 28, 2015 at 4:04 pm

Father? You know all that transpired in the situation with Umniah. You are my Avenger, I cast my trouble upon You for You care for me.

Now, what is happening with Ahmad? That's another situation up in the air—You alone can resolve these matters for us. I cast all my troubles upon You because You care for me.

Father, unless You intervene on our behalf we haven't got a chance to survive these hard times that have come upon us.

I refuse to doubt Your providence for us. In due time, all things will work accordingly to Your design & purpose for each one of us.

thiaBasilia Licona

Wednesday, April 29, 2015 at 12:57 am

Ha. It's Wednesday already. How 'bout that? Been sleeping on & off since I came back from my errands. Around 10 pm I decided to stay up & read the comments in my posts. Wow!

Two hours plus reading the very encouraging words for several bloggers. Now, here I am. What to do next my Father? I am thinking about whatever I need to post next, rather, what would You have me to post?

For the moment I lift up my being at this midnight hour and worship You. I thank You for Your Presence in my heart and in my life. And I am getting sleepy again so I'll head for bed and hope that You bless me with a couple hours of more needed sleep.

O well. Here it's 2:19 am and I have not gone to bed yet. Now I am wondering about what to do with myself? Father? Show me the way.

Here is the link for [Begin At The End Part 2 Booklet](#)

Wednesday, April 29, 2015 at 10:09 pm

Ahmad should be here any minute. Hopefully he brings good news. I ask You for wisdom on what to say, set a guard on my lips that I may not utter any words that will interfere with whatever work You are doing in Ahmad's heart.

Father, it's now 10:55 pm and Ahmad still not here—he is with a customer he says. This is a situation that I have to accept and have not been able to do so and You know it my Father. What situation?

Well, it is not just Ahmad but practically all people in this region of the world do not believe in keeping up with appointments.

If they are expected at a certain hour and they cannot make it for whatever reason they do not believe in the courtesy to inform the other party of their delay.

It's a very frustrating experience but one experience that can contribute to tweak my character. I sense this is all part of Your discipline to purify my being as it is written,

Dan 12:10 Many shall purify themselves and make themselves white and be tried, smelted, and refined, but the wicked shall do wickedly. And none of the wicked shall understand, but the teachers and those who are wise shall understand. [Dan. 11:33-35.]

Hum. All this tried, smelted, and refined is not a piece of cake. That's for sure.

Maybe tonight, maybe tomorrow there will be time to update me on this change of my entire set up that is of much concern to me but it seems that I am not entitled to such concern?

O but I am fuming, my Father and You know it. Ahmad finally updated me on the situation but my fuming did not subside—his attitude stinks. I'll go to bed and hope for sleep.

Thursday, April 30, 2015 at 4:22 am

Here I am my Father. It's the last day of this April and business continues as usual for most people.

For myself? I could not be any more disgusted with people as I am now.

The arrogance of people is totally disgusting. O my Father. I sense deep within my being this disgust is not altogether my own disgust?

Indeed. I sense the grieving of Your Spirit at the sight of the arrogance of mankind and all its pretensions.

However, in the immensity of Your Being, You are ready now to set Your worldly children free from their own arrogant egotistic selves for the sake of Your name not that we deserve Your loving-kindness. As it's written,

Isaiah 48 HEAR THIS, O house of Yaaqob, who are called by the name of Yisrael and who come forth from the seed of Yahuda, you who swear allegiance by the name of Master and make mention of the Mighty One of Yisrael—but not in truth and sincerity, nor in righteousness—rightness and moral and spiritual rectitude in every area and relation—For they call themselves citizens of the set apart city and depend on the Mighty One of Yisrael—Yahuwah of hosts is His name.

I have declared from the beginning the former things which happened in times past to Yisrael; they went forth from My mouth and I made them known; then suddenly I did them, and they came to pass says your Maker. Because I knew that you were obstinate, and your neck was an iron sinew and your brow was brass, therefore I have declared things to come to you from of old; before they came to pass I announced them to you, so that you could not say, "My idol has done them, and my graven image and my molten image have commanded them." You have heard these things foretold, now you see this fulfillment. And will you not bear witness to it? I show you specified new things from this time forth, even hidden things kept in reserve which you have not known.

They are created now—called into being by the prophetic word, and not long ago; and before today you have never heard of them, lest you should say, "Behold, I knew them."

Yes, you have never heard, yes, you have never known; yes, from of old your ear has not been opened.

For I, your Maker, knew that you, O house of Yisrael, dealt very treacherously; you were called a transgressor and a rebel in revolt from your birth.

For My name's sake I defer My anger, and for the sake of My praise I restrain it for you, that I may not cut you off. Behold, I have refined you, but not as silver; I have tried and chosen you in the furnace of affliction.

For My own sake, for My own sake, I do it—I refrain and do not utterly destroy you; for why should I permit My name to be polluted and profaned—which it would be if your Maker completely destroyed His chosen people? And I will not give My esteem to another by permitting the worshipers of idols to triumph over you.

Listen to Me, O Yaaqob, and Yisrael, My called ones: I am He; I am the First, I also am the Last. Yes, My hand has laid the foundation of the earth, and My right hand has spread out the heavens; when I call to them, they stand forth together to execute My decrees. Assemble yourselves, all of you, and hear. Who among them—the gods and Chaldean astrologers has foretold these things? Your Maker has loved him—Cyrus of Persia; he will do His pleasure and purpose on Babylon, and his arm will be against the Chaldeans. I, even I, have foretold it; yes, I have called him Cyrus; I have brought him, and your Maker shall make his way prosperous.

Come near to me and listen to this: I have not spoken in secret from the beginning; from the time that it happened, I was there. And now your Maker and Master has sent His Spirit in and with me.

Thus says your Maker, your Redeemer, the Set Apart One of Yisrael: I am your Maker your Master, Who teaches you to profit, Who leads you in the way that you should go.

Oh, that you had hearkened to My commandments. Then

your peace and prosperity would have been like a flowing river, and your righteousness the holiness and purity of the nation like the abundant waves of the sea.

Your offspring would have been like the sand, and your descendants like the offspring of the sea; their name would not be cut off or destroyed from before Me.

Go forth out of Babylon, flee from the Chaldeans. With a voice of singing declare, tell this, cause it to go forth even to the end of the earth; say, “Your Maker has redeemed His servant Yaaqob.”

And they thirsted not when He led them through the deserts; He caused the waters to flow out of the rock for them; He split the rock also, and the waters gushed out. There is no peace, says your Maker, for the wicked.

What a Mighty Yah we have. Angels bow before Him and heaven & earth and all therein shall worship Him. O what a day of rejoicing that will be.

Even so there is no peace, says your Maker, for the wicked—That’s right, no peace for the wicked self-ingrained in all of us no matter how intensely we struggle to obtain such peace by our own devices.

Thursday, April 30, 2015 at 10:37 am

Honest to goodness. Because I write all things in first person narrative some people considers me to be selfish or self-centered.

Actually, this consideration from some people has jolted my insulted switch. That’s awful. I whined. Me? Self-centered & selfish?

Friday, May 01, 2015 at 6:26 am

Ha. Even the thought of the memory of that awful moment when I was told, “Nothing wrong with your theology—you are self-centered and I do not have time to meet with you.

Talking about devastation? I thought the world had come to the end for me. I turned off the computer and bow to never write one more word. Can you imagine that?

Why not? I had thought the lady be next to the Almighty Himself and assumed that she thought well of myself as well. So? Guess what?

The lady is as serious as a heart attack and I am as goofy as goofy himself. But Father in His loving ways got a place for both of us.

Friday, May 01, 2015 at 8:32 pm

I have not been able to continue with this writing for one reason or another, mainly because every time I come back to it sleep claims my attention. So be it—I'll see if I can do something with this when I wake up next.

The truth of the matter is that I never know what am I to write next—Father is the one leading me in all kind of directions according to what is needed at any given time.

For what reason I am writing about this thing of selfishness? O my Father, perhaps You have a reason to remind me of such matter? Whatever for? Ah. I sense I got it my Father.

Let's see, am I selfish? Of course. I am a human being possessor of a selfish human nature just like the next human being. Only I would like to pride myself assuming my choice to be self-forgetful and place the other human being ahead of me. Really? Who am I kidding?

Let's face it, even the most altruistic of a human being cannot forget that thing called 'self'. At the bottom of our most noble choices is always that tacit delight in the glory of that wicked self of ours. That's the fact whether I like it or not.

thiaBasilia Licona

It is a total impossibility for any human being to be selfless or self-forgetful. Ha. So? So that is why I hardly ever been impressed with all the selfless heroes & heroines exalted by the world at large.

Aha! So that's the reason why You have reminded me of my selfishness. Alright. So now what? Where do I go with this subject? On to the next chapter.

His love in my heart for all, thia/Basilia

Chapter 17

Like Abraham I Am Going But I Do Not Know Where Am I Going?

Saturday, May 02, 2015 at 3:14 am

From here on I must confess my selfishness and the impossibility for me to get rid of it. However, what is impossible with me is possible with my Father/Creator.

Saturday, May 02, 2015 at 4:53 am

At last the decision is final—I am packing and will move to Amman for now either tomorrow or Monday. Thank You my Father, I know that all of this is under Your control. And I know that You will go ahead and remain beyond us all the way.

Saturday, May 02, 2015 at 1:23 pm

Father, You know that I am resting on You. For I know that You have arranged all things accordingly to Your goodwill & care for us.

I do not know where I am going. I sense that it is the same situation as it was for Abraham.

In addition, I do not understand how You told me that Aqaba was to be my home until Yahushua's return, but I trust that You have good reason to relocate me at the moment.

Perhaps You are moving me to Petra—Wadi Musa. And if that is the case I sense that perhaps Yahushua's return is imminent. We'll see. What a day of rejoicing that will be.

Father, how is it that Your people refuses to follow You but follow each other instead?

And why so many good people set themselves as teachers of Your written words?

“My child, My children do not understand the meaning of My words. My children only do what they understand which is way different than My meaning. It’s written,

Matthew 28:19-20 Go then and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit, Teaching them to observe everything that I have commanded you, and behold, I am with you all the days (perpetually, uniformly, and on every occasion), to the [very] close and consummation of the age. Amen (so let it be).

Notice My child, it says, *“Teaching them to observe everything that I have commanded you,...” to this day My children are not teaching what I commanded.*

Instead, My children have come up with a multitude of doctrines that has nothing to do with what I commanded my disciples of old.

Thus, My children are now immersed in all of those doctrines created by the human mind under the influence of Satan—the arch enemy of your souls.”

Wow! O my Father. I have been sleeping for the last four hours. I now feel rested and ready to continue with this arduous task of packing my belongings.

Yesterday was a consuming day to the point that I failed to record anything after the last entry on Saturday, May 02, 2015 at 3:31 pm.

thiaBasilia Licona

I packed and deliberated many things about this move with Ahmad. I talked to Joyce and to Andrea about all that's going on but have no record of any of that at all.

Thanks to Andrea I found out the time I went to sleep right after I talked to her around 4:30 am. It also seems that Ahmad is still sleeping for the last seven hours. What is to take place when he wakes up? Only You know.

Sunday, May 03, 2015 at 9:22 pm

Father, You know all that transpired between Ahmad & I. He is now in Amman to secure an apartment for me & will call tomorrow to instruct me on how I am to proceed.

I went to visit my friends Adeb, Athia & Jawed to inform them of my leaving. Now I am back & I am very tired. I hope You give Your beloved sleep.

Monday, May 04, 2015 at 7:37 pm

Thanks my Father for giving me to spend my day at Aquavista with Rubba & Muna—I had a wonderful time with both of them.

I wonder why I have not heard from Ahmad. It's now 10:47 pm and still no apartment for me, what is the meaning of this my Father? Am I supposed to stay in Aqaba?

If that is the case my Father, please make it clear to me. Show me the way, I cast this problem unto You once more for I know that You care for me.

Maybe my senses are not in line with Your will and if that is the case show it to me my Father, I beseech You. You are my Advocate and my Master. I wait on You.

Wondering, wondering, wondering? Always wondering no matter how You patiently reveal Yourself to me at all times. Maybe doubting is a better word?

thiaBasilia Licona

Father, You know that my trust & dependence are set on You. Please forgive my lapses and renew a new spirit within my being.

There is no desire within me to do what the sin principle within my being quickens me to do and You know it.

Thanks my Master for setting me free from that sin principle within my being—from that satanic nature I inherited as a human being.

Chapter 18

All Difficulties Transpiring In Our Midst Are All Part Of The Purification Of Our Beings.

Tuesday, May 05, 2015 at 4:09 am

Father, You know all things. You know how discouraged I remain because of the way things are developing in my midst. I wait on You to change my mind and attitude.

It's now 6:20 am. Maybe I need to go back to sleep for I do not feel good at all. I am dreading to face another day in this limbo, but I do realize that this is not really a big deal compared to the horrors that are going on in other places among many families.

Unless You intervene my Father we will not make it. But I know all of this is part of our purification. And I know that You are well aware of every minute details that is going on in our lives.

Moreover, I know that You are well aware of my situation of disgust & discouragement with the behavior of Ahmad. You know all that is transpiring and I am hoping that it is all part of Your purification of our beings.

In fact, I know that is what it amounts to. I do not like it but I accept it and rejoice that You count me worthy to suffer not only for my sake but the sake of others.

Father? I know that in the natural my carnal self along with the carnal self of all human beings consider Ahmad & I as irresponsible

and non-reliable ones because we do not make provision for our future—we do not save money or buy insurance of any kind and every money that we get we use it in ways that the world do not approve.

Thanks my Father for giving me this insight. I see now the core of my disgust & discouragement. I see where such disgust & discouragement is coming from even from my wicked carnal self.

And of course from Ahmad's wicked self—Ahmad is running around trying to please me instead of lifting his eyes to You and ignoring my wicked demands. And I am doing likewise.

Thanks my Father. Thanks for Your conviction. I thought that I knew better but now I see that I know nothing at all and I repent in dust and ashes.

WOW! What an experience. The peace & strength & power to withstand & overcome all evil that the carnal self can dish to me invades my being.

In silence I worship You my Father.

His love in my heart for all, thia/Basilia

Chapter 19

When The Fiery Storms Rage In The Ocean Of Time The Boats Of Our Lives Washed Ashore...

Tuesday, May 05, 2015 at 9:15 am

Father? It is obvious that You will prevail over our wicked selves. I find myself at the present moment in a very strange situation—perhaps in neutral grounds.

I have no desire to talk to anyone not even to Ahmad. I fear to imagine or speculate or question anything.

I know that You are at work but I do not want to think at all. It seems that my whole being is in neutral gear. Still as if dead. Yet, there is no fear or dread—only a strange kind of peace.

You must be holding me closer than ever before to Your bosom for my own protection from my wicked self. Hold me Father. Don't let go of me lest I destroy my own self.

Tuesday, May 05, 2015 at 2:53 pm

I wait on You my Father. Your silence is unbearable but I refuse to doubt that You are with me.

It's 3:53 pm and I just got the shocking news of the death of four girls first cousins of Ahmad.

I don't understand it my Father? What are You telling us all? When I got the news about Cory You comforted me.

thiaBasilia Licona

Yet in this situation I find no comfort nor an inkling of understanding?

Tuesday, May 05, 2015 at 9:21 pm

Woke up almost an hour ago but I am going back to bed. Sleep evades me at the moment but still hope for more that I need. It's now 11:58 pm and I am awake but still sleepy.

Wednesday, May 06, 2015 at 12:03 am

I do not know what to do with myself but whatever it is that will happen today I know that it will be in Your perfect plan for me. On this midnight hour I offer You my prayer of thanksgiving.

Wednesday, May 06, 2015 at 4:20 pm

O my Father, here I am waiting? I have been immersed in reading a good story to withstand this waiting period. Waiting is not an easy thing to do and You know it my Father. I finish the story. What to do now? There is silence. Not a single indication of when am I to leave?

You know that I was prepared to leave last Monday and here I am is Wednesday already and I am still waiting for that phone call to give me the word to leave.

Thursday, May 07, 2015 at 1:05 am

Father? Where are You? I am lost in uncertainty. I am tasting the bitter cup of loneliness & isolation. I can't find my way to You. Come to my aid, O my Beloved Master, come.

My times are in Your hands. To You alone I have given to rule & control my being. To You alone I owe the complete submission of my being.

It is Your right to assign the care of my earthly life to whomever and I thank You for those that You have assigned such task. I plead my Father to give them understanding of my physical needs.

I am weary from the lack of understanding from those that I trust You have placed in my path of life to take care of me, do they not know the harshness of their silence when I am in this awful state of waiting?

I am weary of calling & whining. I am weary of begging for their concern for what I am going through. I am weary of my unwanted concern for what they are going through.

Hardly any of my attempts to communicate with those that I care the most has availed and I am weary of this miserable situation of my life. It is of no use to reach out to others—they do not respond.

In my despair for the lack of communication I decided to read a best seller book that was gifted to me.

That book magnetized me for better than a day, I couldn't put the book down.

There is no use to indulge in the exquisite morsels of pleasure that this world can hand to us in the many pages of best sellers books—those morsels only debilitate the strength of our spiritual beings.

Perhaps such is the reason why I am now experiencing this agonizing low spiritual condition after reading that book—one of my favorite best seller author of my former days.

But as I read the last page and came down to reality I found myself lost and at the portal of a forbidden yet beckoning zone wondering if I should get another book?

That's the way of the world—the way of the carnal nature always in the lookout for pleasure.

Where are You my Father? Where are You? It is through others that You manifest Yourself to us, but there is no one, or is there? Open my eyes to see You in the few that care for me. Let me not take them for granted.

Chapter 20

Carefully I Trudge Along The Way Of This Valley Of Death That We Human Beings Must Travel On. Read On To Find Out The Wisdom Of My Carefulness.

Thursday, May 07, 2015 at 9:45 am

Thanks my Father for bringing me back to the fountain of life in Your written words. Again You have granted me Your victory, Your favour, Your love, Your peace, Your joy, and Your matchless, unbroken companionship just like it is written.

I have nothing to fear. I can now resume the task You have assigned unto me.

All things are under Your perfect control and in spite of all of our human blunders You work all things for our good.

I am now secured in the knowledge that You have reserved for me the perfect apartment among the neighbors of Your choice for this moment of time.

It's all a matter of Your perfect timing. Yes, as a human being I am quick to point my finger at Ahmad for not getting me situated as quickly as I demanded for him to do at any cost. Even so, You have kindly brought me out of my human carnal demands and empowered me to act with Your wisdom instead of my wicked feelings. Thanks my Father. I remain in awe of Your doings in my life and the life of all of my concern.

Friday, May 08, 2015 at 4:52 pm

Father, I almost miss this day. I have been busy creating a graphic and time has slipped past me. Thanks my Father for giving me the incentive to get back to the task You have assigned unto me.

I published what You gave me yesterday. Now I wait to see what You develop next. Perhaps Ahmad calls after a while.

My lifestyle now is nothing like it used to be. In the past when things did not go the way I expected them to go I would fall apart. And of course I will make an appointment with my therapist.

In the present when things don't go as I please them to go I still fall apart but I take it all to my Father instead of any human being.

In His turn my Father unlike my former therapists and well-meaning friends; my Father resolves all my troublesome matters.

Saturday, May 09, 2015 at 3:39 am

In a sober manner, I come to You my Father on this 7th day of rest. Evidently You are not finish teaching me the lesson for this moment of time. Have Your way with me my Father.

I refuse to question You. I refuse to continue with my complains. No matter what sort of tragedy comes my way I accept it all from Your hand of mercy.

For it is good that one should hope in and wait quietly for the salvation (the safety and ease) of the Master.

O my Master, You are my portion or share, says my living being (my inner self); therefore will I hope in You and wait expectantly for You.

For it is true, those who wait for You my Master—who expect, look for, and hope in You shall change and renew their strength and power; they shall lift their wings and mount up close to You as eagles

mount up to the sun; they shall run and not be weary, they shall walk and not faint or become tired.

Feasting on Your written words You have brought me to Isaiah 42
Wow! At first I could not understand the first few verses, why?
Because it is written,

Isaiah 42:2-3 He will not cry or shout aloud or cause His
voice to be heard in the street. A bruised reed He will not
break, and a dimly burning wick He will not quench; He will
bring forth justice in truth.

As I read those verses my mind reversed to the time Yahushua
walked among mankind—He certainly did cry and shout aloud and
caused His voice to be heard.

Even so, as I kept reading Your Spirit began to show me Your
hidden meaning in You written words. Yes, it was all seemingly to no
avail or was it really to no avail? For many did believed and followed
Him.

Wow! Then Your Spirit—my Teacher brought me to the end of
the chapter. There.

Suddenly. I saw. What? I saw that at that time You manifested
Yourself physically for all to see & hear You physically.

That was at that time. Now it has come the time for You to
manifest Yourself hidden in the heart of whomever You choose to
speak for You—hidden in the heart of Your mouthpieces.

Wow! Most certainly. Your mouthpieces fulfill verses 2 & 3 of that
42 chapter of the Book of Isaiah. And, most certainly, we have no
choice but to walk carefully in the streets of this confused & corrupted
world.

O mine. Can anybody appreciate the beauty in our Father's
unfathomable wisdom?

What would become of my old carcass should I go around the streets in this peculiar town shouting like a fool & throwing my pearls among the swine?

I shudder to even think about it. And for sure my beloved Ahmad will lock me in with 7 keys before he will permit me to do such a foolish thing. Ha. Ha. HalleluYah.

Saturday, May 09, 2015 at 9:30 am

O my Father, today marks the 18th day since You announced to me I was to move to Amman and I am still not there. I have reported in previous posts all the details of each day past.

It has been 18 days of intense learning. Eighteen days of purification to prepare me as well as Ahmad for the near great tribulation (affliction, distress, and oppression) such as has not been from the beginning of the world until now--no, and never will be again as it is written in Matthew 24:21; Daniel 12:1; Joel 2:2.

I know that most people find this statement to be preposterous because, for the most people at large are totally immersed in their own good lives to be bother with such somber future that is already upon us.

In the other hand, a good number of people are consumed with searching and pin pointing the times and events that are to take place.

In both cases, I do not observe any concern for taking a personal account of their own doings—I do not observe any signs of repentance of living accordingly what seems good to the human mind.

Moreover, an amazing number of righteous people with a heart of compassion are set in the task of comforting & encouraging a depressed world of people and, I, for one admire these understanding hearts. Thousands if not millions are flocking to these ministries of love & compassion.

However, and most unfortunately, these ministers of love & mercy are misleading the people to settle for that elusive happiness that can be obtained by the power of the human mind to think positive. What am I talking about?

I am talking about a very subtle matter of our carnal nature to aspire for goodness at all costs. Even so, the mind of the carnal nature cannot apprehend the mind of the nature of our Creator. Indeed. It cannot. Romans 8 is very explicit about the matter, specifically Romans 8:7,

[That is] because the mind of the flesh [with its carnal thoughts and purposes] is hostile to The Almighty, for it does not submit itself to The Almighty's Law; indeed it cannot.

Most of my life I have aspired for that goodness myself and I have been a faithful follower and supported of many great ministers of love & mercy to obtain such goodness.

Such was my quest—my ultimate goal until the Spirit of our Father busted asunder the cave of my carnal nature to convict me of the error of my ways and set me to enter in the narrow gate that many refuse to enter in. Why?

Because this gate is narrow (contracted by pressure) and this way is straitened and compressed. But this is the gate & the way that leads away to life. Sadly, few are those who find it as it is written in Matthew 7:14; Deut. 30:19; Jer. 21:8.

And so my Father set me to walk in the gate & way that leads to life sharing His Presence within my heart. Thus His Spirit has empowered me to be His witness. His witness—that's what I am. The former search & goal for goodness & peace to live happy in this world has vanished from my being.

The how and when is all of this to take place has become the least of concerns for me because it is not for me to know such things as it is also written,

Acts 1:6-9 So when they were assembled, they asked Him, Master, is this the time when You will reestablish the kingdom and restore it to Israel? (7) He said to them,

It is not for you to become acquainted with and know what time brings [the things and events of time and their definite periods] or fixed years and seasons (their critical niche in time), which the Father has appointed (fixed and reserved) by His own choice and authority and personal power.

But you shall receive power (ability, efficiency, and might) when the Holy Spirit has come upon you, and you shall be My witnesses in Jerusalem and all Judea and Samaria and to the ends (the very bounds) of the earth. And when He had said this, even as they were looking [at Him], He was caught up, and a cloud received and carried Him away out of their sight.

Chapter 21

The Human Mind—The Potential Of The Human Mind?

Yeah, that's exactly what got us in the colossal mess existent in this miserable world that we inhabit.

Saturday, May 09, 2015 at 2:38 pm

So you have joined Satan in his attempt to take over the Almighty Creator of the Universe and all contained therein including us human beings? Hooray. Hooray.

Yes. We have been given a good mind and a free will to choose life or death. Unfortunately, and inevitable, a human being always chose death. Why?

Because of the power of Satan to subdue the human being with false beauty & false wisdom—a counterfeit of the beauty & the wisdom that emanates from the Almighty Creator of our beings.

Our brilliant minds are our worst enemy. *The potential of the human mind is to overcome the Creator Himself.* This lofty aspiration is our gift from Satan to ultimately destroy us for good.

THINK YOU HUMAN THINK. Do you think you can outsmart Satan? Do you think you have control of your life? **THINK YOU HUMAN THINK.** Satan controls this world. Satan made the rules—the laws that control you and there is no way you can control yourself.

Satan controls you with his bribes to make you believe that you are in control. **THINK YOU HUMAN THINK.**

All the skims to drive you to a successful and productive life come from the Powers To Be. The PTB make the rules for a successful & productive life by the power of your mind.

Those rules & laws are a counterfeit of the Ten Commandments to make you believe that our Creator is behind such rules & laws but it is not so. **THINK YOU HUMAN THINK.**

If all that malarkey about successful & productive life was genuine we would be in paradise. But that is not the case. **THINK YOU HUMAN THINK.**

The idea that The Almighty help those who help themselves is a lie from the pit of hell—the reverse is the truth. Yes, I was a staunch believer that The Almighty help those who help themselves and I was determined to be self-sufficient at any cost.

Believe me. I am not a stupid dummy. I do have a good mind. And with all my faults, I have accomplished some remarkable things in my wacky life time. Yes, I was an educated fool. That's all I can say about my accomplishments. And the sooner I realized my foolishness. The minute I quit depending on my own mind.

The minute I gave up depending on my brilliant mind and became helpless, on that instant the remarkable transformation of my being began. And my eyes were opened to see that nothing, absolutely nothing is as it seems to be. All things programmed in my mind even before my birth are the opposite of the things that our Creator meant for our creation.

THINK YOU HUMAN THINK. I am speaking as per say from the horse's mouth. I am speaking with the voice of experience. **YES. BY ALL MEANS OUR MINDS ARE OUR WORST ENEMY.**

Chapter 22

On The Way. Actual Move Is A Reality.

Sunday, May 10, 2015 at 1:22 am

HalleluYah. The great day of my move to start a new life has arrived. I got the news about my move last night. I am schedule to leave around 7 am.

I have been making sure that all packing is OK. Now I will go to sleep and probable will wake up in a couple of hours. From there I'll see what You develop next.

Sunday, May 10, 2015 at 4:07 am

Thanks for the few hours of sleep my Father. it's now 5:03 am. I am turning off this computer and packing it. All things are packed and hopefully I have not overlooked anything of importance. But I take refuge in the fact that You have told me not to worry for You are in control.

Monday, May 11, 2015 at 5:14 am

I am at Ahmad's father's house in Amman. Totally an unexpected development. Father, Your wisdom is unfathomable. I see Your purpose for each step I take in this valley of death that I am traveling in along with all human beings.

I arrived at Amman yesterday with stars in my eyes of a wonderful apartment You had reserved just for me. Rude awakening. That

thiaBasilia Licona

apartment was not to be. From there I began a major turn in my journey in Your Presence.

Eventually, the new apartment materialized the following week, on Monday, May 18, 2015.

Tuesday, May 19, 2015 at 8:31 pm. I already had a delicious salmon & rice dinner cooked in the new apartment at last. Ahmad could not come to help unpack as promised.

I started to get sore about it but I thank You my Father for taking a hold of my evil thoughts. I am now going to sleep and hope for the best for all of us.

Chapter 23

Where The Spiritual Growth And The Strength Of My Character Take Place? Read On To Find Out.

Wednesday, May 20, 2015 at 5:56 AM

Wow. The spiritual growth and the strength of my character take place while each disappointing episode arises to throw me out of kilt.

Ah. But Your wisdom, O, my Father, it always prevails. While musing about all the humongous disappointing week that Ahmad & I went through, it came to me: "I am blessed. Ahmad has exceeded his willingness to protect & take care of me at all costs to himself.

Saturday, May 23, 2015 at 2:02 am

O my Father. Here we are. It's my first day of rest in the new perfect apartment that You have gifted to me. So much has happened in the last few days. All of it? Your doing.

I thank You for teaching me this lesson that began when I read the writings of Hannah Withal Smith. She wrote that all things come from Your hand of mercy for us.

In addition, she wrote that things are like a bottle of bitter medicine that our mothers must give to us to make us well. The medicine tastes bitter but the results are sweet.

thiaBasilia Licona

The Christian's Secret of a Happy Life by Hannah Whitall Smith?
A book that made a difference in my life. I would like to read that book again, perhaps You make a way for me to get it.

Saturday, May 23, 2015 at 3:39 am

Father, I have so much to record to update most of the happenings of the last few weeks and I hope that today You give me the incentive to update it all.

In the meantime, I will go back to bed and hope You give Your beloved the much needed rest. It's now 5:27 am and I am awake. Thanks my Father for the few hours of sleep.

Chapter 24

Are You Leading Me To Compile Power From On High In A Professional Way In Order To Sell It?

I need to know, why? Because in 2005 I disobeyed your instructions and I went ahead published my autobiography and put it on the market only to suffer my just desserts for my disobedience. This time I will not do such a thing unless You clearly let me know that this is Your directive.

Saturday, May 23, 2015 at 6:39 pm

Father, a few years back You told me that my feelings for goodness would intensify tenfold as well as my feelings for badness. How true that is.

Thus, Your wisdom prevails over my feelings. For You have empowered me to live a higher life in Your Presence.

At that time You have also told me that no one should disturb me any longer.

In truth, whether they come or not. Whether they exalt or demote me it's all the same for me—Your care & protection is all that matters to me.

Even when, the lack of understanding from all do get the best of me sometimes, I have accepted my lot of life with much joy.

thiaBasilia Licona

Sunday, May 24, 2015 at 6:35 am

Thanks for everything my Father. Thanks for my change of attitude. Thanks for Your wisdom. Thanks for Your loving care for me and for Ahmad and all of my loved ones.

This is the dawn of another day in Your Presence. I am content and in awe of Your doings. At the moment I am evaluating the content of Power From On High as You would have me to do.

It is a rather chilly morning and I have to leave my windows close. You know that I do not like to be closed in but, it won't be for long. Surely it will warm up later on.

Sunday, May 24, 2015 at 6:14 pm

Father, You have invested power into my being to live a life according to Your will not my will. Now I sense that You are leading me to compile Power From On High in a professional way in order to sell it.

At first, when You commissioned me to write my story in a journal You also instructed me that I was not to sell the words that You have given to me. Are You telling me different now? I need to know, why?

Because in 2005 I disobeyed your instructions and I went ahead published my autobiography and put it on the market. You convicted me of my error and I took the book out of the market.

Now this idea to compile this book and put it on the market has come to me again. Only this time I will not do such a thing unless You clearly let me know that this is Your directive.

You always let me know all that I need to know to follow Your instructions.

So far today I created the cover for the book. I do not know exactly how to go about to compile this book. So, I will now go to sleep and wait on You for my next step.

thiaBasilia Licona

Monday, May 25, 2015 at 1:45 pm

I woke up after midnight. I thank You for arranging a long conversation between Ahmad & I. You certainly are working all things for our good. Thanks my Father.

Yes. Power flows out of my being. Power? What kind of power? Power to live. Power to die as the Master wills. What in the world am I talking about? Read on to find out.

Power From On High.

Chapter 25

I Refuse To Question Your Reasons For Allowing Satan To Strike Us Unrelentingly—One Blow After The Next Over & Over Again.

Monday, May 25, 2015 at 5:32 pm

Where do I go from here my Father? It seems that this new life is altogether new and different than anything I know. I thank You again for gifting Ahmad to me. Ahmad came for a visit and we had a worthy moment to reconnect.

I think for the moment I am going to sleep since I am finished revising the cover for Power From On High and I don't have a clue on how to proceed.

I slept on and off all of last night. Then I proceeded to organize the content of the book.

Then I took a break to do some house cleaning. Around 10 am I took a shower and work on the book up until this moment of time.

Tuesday, May 26, 2015 at 3:19 pm

Father? Just when things were beginning to shape up for Ahmad now it looks like there is turmoil again—his father is seriously ill.

All plans to take care of the things needed for me today are now on hold again.

What is the meaning of it all my Father? How long am I to withstand this situation?

Wednesday, May 27, 2015 at 1:49 am

Father, You promised to work all things for our good, I refuse to despair. I wait on You to act on our behalf. You alone hold the key for our destiny. You alone have the power to destroy us for eternity but, it is not Your will that any should perish. Thus You gave us Your only begotten Son as it is written,

John 3:16-21

For The Almighty so greatly loved and dearly prized the world that He [even] gave up His only begotten (unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life.

For The Almighty did not send the Son into the world in order to judge (to reject, to condemn, to pass sentence on) the world, but that the world might find salvation and be made safe and sound through Him.

He who believes in Him [who clings to, trusts in, relies on Him] is not judged [he who trusts in Him never comes up for judgment; for him there is no rejection, no condemnation—he incurs no damnation]; but he who does not believe (cleave to, rely on, trust in Him) is judged already [he has already been convicted and has already received his sentence] because he has not believed in and trusted in the name of the only begotten Son of the Almighty Creator of our beings.

[He is condemned for refusing to let his trust rest in the Messiah's name.] The [basis of the] judgment (indictment, the test by which men are judged, the ground for the sentence) lies in this: the Light has come into the world, and people have loved the darkness rather than and more than the Light, for

their works (deeds) were evil. [Isa. 5:20.] For every wrongdoer hates (loathes, detests) the Light, and will not come out into the Light but shrinks from it, lest his works (his deeds, his activities, his conduct) be exposed and reprov'd.

But he who practices truth [who does what is right] comes out into the Light; so that his works may be plainly shown to be what they are--wrought with the Almighty Creator of our beings [divinely prompted, done with the Almighty Creator of our beings' help, in dependence upon Him].

I beseech You my Father give Your people the power to repent from living in the darkness without Your Son. Unless You do the work no one can be saved.

You see the problem my Father, just when Ahmad is ready to come into fellowship with Your Presence in my heart another blow strikes and back we go to square one.

I don't know what to do? I am weary and You know it my Father.

I refuse to question Your reasons for allowing Satan to strike us unrelentingly—one blow after the next over & over again.

I know that in due time You will open our eyes & ears to see & to hear the sound of Your verdict and subsequent release from the grip of Satan as it was the case with Your servant, Job. I wait on You. It's written,

Job 38:1-4

THEN THE Master answered Job out of the whirlwind and said,

Who is this that darkens counsel by words without knowledge? [Job 35:16.]

Gird up now your loins like a man, and I will demand of you, and you declare to Me.

Where were you when I laid the foundation of the earth?

Declare to Me, if you have and know understanding.

WOW! Talking about hearing? There is no other way but to hear and mind what one is hearing.

On & on brother Job is confronted by the Almighty Creator of our beings until we get to the last chapter,

Job 42:1-6 THEN JOB said to the Master, I know that You can do all things, and that no thought or purpose of Yours can be restrained or thwarted.

[You said to me] Who is this that darkens and obscures counsel [by words] without knowledge? Therefore [I now see] I have [rashly] uttered what I did not understand, things too wonderful for me, which I did not know. [Job 38:2.] [I had virtually said to You what You have said to me:] Hear, I beseech You, and I will speak; I will demand of You, and You declare to me. I had heard of You [only] by the hearing of the ear, but now my [spiritual] eye sees You.

Therefore I loathe [my words] and abhor myself and repent in dust and ashes.

Blessed be my Father Yah who has dealt with me in like manner as He dealt with brother Job.

Chapter 26

I Do Not Know My Father But My Father Knows Me.....

It's now 3:09 am. The minutes, the hours, the days, the months as well as year after year fly by past us without fail but we remain steady in whatever lot of life we have chosen for ourselves.

Yet, You have the power to shake our lots until You succeed in waking us up and take an account of ourselves and our wrong choices and false hopes.

Sometimes, if not most of the time my Father, You let me go on & on like a flowing river carrying all sorts of things to a predefined location.

So are my thoughts. Forever those flow to that predefined location in Your ears.

Once those thoughts reach Your ears You are free to dispose of them in whichever way is best for me and my loved ones. Why?

Because You have convicted me of the futility to live by my knowledge of You and have given me instead to live by Your knowledge of myself. As it is written,

Psalm 139

O my Master—my Beloved Yahuwah/Yahushua, you have examined my heart and know everything about me. You know when I sit or stand. When far away you know my every thought. You chart the path ahead of me, and tell me where

to stop and rest. Every moment, you know where I am. You know what I am going to say before I even say it.

You both precede and follow me, and place your hand of blessing on my head. This is so amazing, too wonderful to believe. I can never be lost to your Spirit. I can never get away from my Father in the heavens.

If I go up to heaven, You are there; if I go down to the place of the dead, You are there. If I ride the morning winds to the farthest oceans, even there Your hand will guide me, Your strength will support me.

If I try to hide in the darkness, the night becomes light around me. For even darkness cannot hide from my Father in the heavens; to You the night shines as bright as day. Darkness and light are both alike to You.

You made all the delicate, inner parts of my body, and knit them together in my mother's womb. Thank You for making me so wonderfully complex. It is amazing to think about. Your workmanship is marvelous--and how well I know it.

You were there while I was being formed in utter seclusion. You saw me before I was born and scheduled each day of my life before I began to breathe. Every day was recorded in your Book.

How precious it is, O my Master--my Beloved Yahuwah/Yahushua, to realize that You are thinking about me constantly. I can't even count how many times a day your thoughts turn towards me. And when I waken in the morning, You are still thinking of me.

Surely You will slay the wicked--my nasty carnal nature, O my Master--my Beloved Yahuwah/Yahushua. Away, bloodthirsty

men. Begone. They blaspheme Your name and stand in arrogance against you—how silly can they be? O my Master—my Beloved Yahuwah/Yahushua, shouldn't I hate those who hate You? Shouldn't I be grieved because of them?

Yes, I hate them, for Your enemies are my enemies too.

Search me, O my Master—my Beloved Yahuwah/Yahushua, and know my heart; test my thoughts. Point out anything you find in me that makes you sad, and lead me along the path of everlasting life.

Abide in Yahushua for without abiding in Yahushua you can do nothing pleasing unto Me.

Fear not, there is nothing to fear, for I am with you; do not look around you in terror and be dismayed, for I am your Almighty. I will strengthen and harden you to difficulties, yes, I will help you; yes, I will hold you up and retain you with My victorious right hand of rightness and justice.

Chapter 27

I Cannot Remain Silent Any Longer And If I Perish I Perish—Yoga Is An Evil Practice

Wednesday, May 27, 2015 at 5:55 am

There is so much difference between the existent two worlds—the visible & the invisible world. The invisible world is by far much greater than anything we can imagine.

So many souls tamper with the invisible in ignorance of the perils in such world. In His unfathomable wisdom our Father forbids us to do so. But so many choose to disobey our Father's commands for different reasons.

O child of mine, you are walking in dangerous grounds. You are walking in the beautiful side of evil. Your son is not wondering around in that invisible world that you are tampering with at this moment of time.

Once we die our spirit goes to the One that gave it us as it is written. Your son is resting in peace as it is written. Your son is not wondering around smelling like roses or taking human form to meet with you.

My child, Satan is taking advantage of your grief to seduce you into this false life that you are living—Yoga is an evil practice regardless of the deceptive beauty that has sucked you and many, many souls to conform to such practice.

You have left your first love. You must take heed and repent. Your eternal life is at stake as it is written. It is not our Father's will that you should perish.

In addition, it is not the will of our Father/Creator that we communicate with the spirit of our dead ones.

Please, child of mine, go back to the written words by the finger of the Spirit of our Father/Creator and let His Spirit empower you to repent.

I tremble to think of the consequences of your present doings. Read the whole chapter of Leviticus 20 and tremble as I do.

Leviticus 20:6

The person who turns to those who have familiar spirits and to wizards, [being unfaithful to Israel's Maker Who is her Husband, and thus] playing the harlot after them, I will set My face against that person and will cut him off from among his people [that he may not be included in the atonement made for them]. [Isa. 54:5.]

Matthew 18:10-14

Beware that you do not despise or feel scornful toward or think little of one of these little ones, for I tell you that in heaven their angels always are in the presence of and look upon the face of My Father Who is in heaven. For the Son of man came to save [from the penalty of eternal death] that which was lost. What do you think? If a man has a hundred sheep, and one of them has gone astray and gets lost, will he not leave the ninety-nine on the mountain and go in search of the one that is lost? And if it should be that he finds it, truly I say to you, he rejoices more over it than over the ninety-nine that did not get lost. Just so it is not the will of My Father Who

is in heaven that one of these little ones should be lost and perish.

Revelation 2:4-5

But I have this [one charge to make] against you: that you have left (abandoned) the love that you had at first [you have deserted Me, your first love].

Remember then from what heights you have fallen. Repent (change the inner man to meet The Almighty's will) and do the works you did previously [when first you knew the Master], or else I will visit you and remove your lampstand from its place, unless you change your mind and repent.

Ecclesiastes 12:6-7

[Remember your Creator earnestly now] before the silver cord [of life] is snapped apart, or the golden bowl is broken, or the pitcher is broken at the fountain, or the wheel broken at the cistern [and the whole circulatory system of the blood ceases to function]; Then shall the dust [out of which The Almighty made man's body] return to the earth as it was, and the spirit shall return to The Almighty Who gave it.

Isaiah 57:1-2

THE RIGHTEOUS man perishes, and no one lays it to heart; and merciful and devout men are taken away, with no one considering that the uncompromisingly upright and godly person is taken away from the calamity and evil to come [even through wickedness]. He [in death] enters into peace; they rest in their beds, each one who walks straight and in his uprightness.

In revising this article to include it in *Power From On High* I noticed that when I quoted the Scriptures pertinent to the content of

thiaBasilia Licona

the article I did not quote any Scriptures about having contact with the spirits of our dead.

Why did I over looked to quote such Scriptures? Perhaps because at the time I wrote the article I was not ready for such Scriptures.

Evidently, the time is now for me to quote the Scriptures to proclaim their sin to our Father/Creator's people and that includes my own grieving child.

Yes, my child lost her son—my grandchild and in her grief she has turned to the evil practice of meditation or the practice of Yoga.

In doing so, the world of false peace & well-being has opened up to her resulting in the approval of many that are consumed by such practice.

And because she has made this matter public I am addressing her likewise for all to take heed of this dangerous practice and repent.

His love in my heart for all, thia/Basilia

Chapter 28

The Still Waters Of Your Presence Within My Being...
All Is Well Again. What Was It That I Was Bickering
About? Total Nonsense.

Wednesday, May 27, 2015 at 8:25 am

Father, I have committed myself to You totally without any reservation. I will not renounce my commitment to You at any cost.

To the best of my knowledge I have obeyed Your instructions backed by Your written words. Even so, now, I find myself at lost and discouraged at this very instant of time and after observing all the happenings and the doings of Your people all around the world and in my immediate surroundings.

I sense danger all around and again I find myself with no desire to even attempt to reach out to anyone. I want to remain silent, I want to retreat, I want to be alone with You.

I thank You for giving me this safe place. I can now close my door including the Internet door and wait on You. I will no longer make any attempt to communicate with anyone.

Wednesday, May 27, 2015 at 12:49 pm

Father, You have bountifully blessed me. And what do I do with my blessings? I take them for granted—always looking for that which I do not have. O wretched one that I am. Who can deliver me?

It has been done—through Yahushua Messiah. Still, the nasty wretched carnal nature of mine is always raising its head and making me miserable.

The multitude of discontented Israelites in the wilderness on the way to the Promised Land complained and demanded meat to eat not satisfied with the manna from heaven that You had provided for them. You provided that meat for them along with the plague because they gave way to their carnal lusts.

Thanks my Father for in spite of my wicked self You continue to bless me with the reminders of their fate for me not to fall into the wiles of my carnal nature as they did.

Thus, You bring me to the still waters of Your Presence within my being and all is well again.

What was it that I was bickering about? Total nonsense. In Your Presence I am complete no matter what is lacking in material possessions.

Chapter 29

Submitting My Thinking To Your Control Because You Know Better Than Myself—That Is Wisdom—The Wise Thing To Do.

Wednesday, May 27, 2015 at 5:34 pm

Slowly this day drags on in silence from everywhere—not hear from Ahmad and I have chosen to turn off the Internet because I am weary of waiting for people to somehow respond to You my Father, to no avail. I am neither hungry nor sleepy—only waiting for You to act in our behalf.

Everybody is consumed with the affairs of this life and there is no time to trust or depend on You. I am weary of hearing how amazing and how strong and how beautiful and how smart and good I am without the slightest indication to give You the honor for my being.

Perhaps that is only my limited outlook. I cast my limited outlook—my thoughts & feelings unto You for I know that You care for me and for all of my concern.

Thursday, May 28, 2015 at 1:56 am

Another day has begun my Father. I remain waiting to see what do You have in store for me today? I refuse to speculate. I only want to think on what would You have me to do next?

Father, it is coming to me that to think on what would You have me to do next does not mean that I am capping out any responsibility to think for myself.

Indeed. I see now what it means my Father. It means that I am submitting my thinking to Your control because You know better than myself—that is wisdom—the wise thing to do.

It is also humbleness—opposite to arrogance. For the arrogance of the human being is to think and do for one self whatever seems good to do at any given time.

Unfortunately, not all that ‘seems’ good is good. In fact, all that seems good to the human mind is actually bad and all that seems bad is actually good.

O my Father, You know that I am just now learning these things. This ‘learning’ has nothing to do with my own self-efforts.

In fact, it was only when I quit all my efforts to learn these things that Your Almighty Spirit was released within my being to ingrain such things within me.

Chapter 30

My Much Talking Is Not Wise. Remain Silent Until My Mouth Opens With Words To Demonstrate The Wisdom From On High

Thursday, May 28, 2015 at 5:32 am

The dawn of Your day is here. O how I enjoy the dawn of Your days. So far the weather is perfect and the sky is clear. I wait for Your doings of today with a sober attitude hoping for Your wisdom and strength to react to whatever You have for me on this day.

I continue to remain silent until You see fit for me to open my mouth with words to demonstrate Your wisdom. For I sense that my much talking is not wise.

Thursday, May 28, 2015 at 4:54 pm

O my Father, how much and how long am I supposed to wait for the things promised to come to pass?

My trust is in You not in man, are You testing me? You know that at times like this when I find myself alone and without the promised help from Ahmad, I despair and wonder whether I belong to You or am I only a figment of my imagination?

At times like this I question the reason for my existence. I have consumed this day reading the book of Your prophet Isaiah and I tremble to think that I could be other than what I proclaim to be—Your servant—Your child?

thiaBasilia Licona

How long my Father are we to endure the misery that our minds can deal to us?

I refuse to abide by this awful & painful thinking. Your promises are sound. I refuse to doubt You.

For whatever reason things are the way they are I know that it is all under Your control and sooner or later this too shall be no more.

Friday, May 29, 2015 at 1:42 am

Thanks again my Father for bringing me to my senses. Ahmad came and we had a profitable exchange. I have been sleeping for the last few hours and I am going back to bed for I am still sleepy.

Friday, May 29, 2015 at 9:13 am

Father, thanks for Your wisdom. Thanks for delivering me from my own fearful & self-centered thoughts & ideas.

Thanks for taking control of my negative attitude with the least unpleasantry that comes my way.

Thanks for keeping me from reversing my doings to my old ways of overloading my friends with my doings.

And thanks for opening my eyes to see and the power to correct my erratic behavior.

I am back on track. Today I will work on Power From On High while I wait on You to see what would You develop for me on this day.

Chapter 31

Scriptures To Substantiate The Power From On High.!

Dear reader, do not despair at the sight of so many Scriptures quoted in this chapter. For all those Scriptures quoted are not quoted from the head of yours truly.

But the fact is that all the Scriptures quoted in this chapter and throughout the pages of the book can only avail if the carnal self is under the control of our Father/Creator's Spirit.

In the past, I would quote the Scriptures to no avail, which is in the same way as most all still do at the present time. Me? At the present, it is altogether different because the Set-Apart Spirit has enlightened me. So now I know that, I quote the Scriptures and you read them but only the Spirit of our Father/Creator can bring those Scriptures to life.

In addition, only the Spirit can give you the power from on high to live by them in the Presence of our Father/Creator. This can only be done by the power from the Set Apart Spirit of our Father/Creator. Thus it is written,

Luke 11:13

If you then, evil as you are, know how to give good gifts [gifts that are to their advantage] to your children, how much more will your heavenly Father give the Holy Spirit to those who ask and continue to ask Him.

thiaBasilia Licona

Friday, May 29, 2015 at 1:07 pm

Working, working always working as per our Father/Creator's instructions.

For His instructions are written in many passages of the written words from our Father/Creator to His children.

John 5:17

But Yahushua answered them, My Father has worked [even] until now, [He has never ceased working; He is still working] and I, too, must be at [divine] work.

Ephesians 2:10

For we are The Almighty's [own] handiwork (His workmanship), recreated in Yahushua Messiah, [born anew] that we may do those good works which The Almighty predestined (planned beforehand) for us [taking paths which He prepared ahead of time], that we should walk in them [living the good life which He prearranged and made ready for us to live].

Saturday, May 30, 2015 at 6:30 pm

Wow! Talking about work? This day of rest I worked harder than the rest of the days since I moved in my apartment. Not only I finished updating this journal but also I took care of several odds & ends that needed to be taken care of. I am now extremely tired and ready to go to bed and hope You give Your beloved sleep.

I had a hard time but finally I slept for a bit. But then I woke up to continue checking things out in the computer.

Now, the end of the day has come and gone is another day. A new day is here for me to continue to record in the journal all things as You quicken me to do every single day of my life in Your Presence for a witness to the whole world.

Sunday, May 31, 2015 at 2:09 am

Father, my awe of Your doings continues. Little by little I am coming to terms with the meaning of everything that is taking place in my midst.

I now understand why Yahushua spoke to us in parables and why the whole of Your written words is mostly symbolic or written in a way that it is only understood by Your chosen ones. It is exactly as Yahushua said it was. It's written,

Matthew 13:9-17

He who has ears [to hear], let him be listening and let him consider and perceive and comprehend by hearing.

Then the disciples came to Him and said, Why do You speak to them in parables?

And He replied to them, To you it has been given to know the secrets and mysteries of the kingdom of heaven, but to them it has not been given. For whoever has [spiritual knowledge], to him will more be given and he will be furnished richly so that he will have abundance; but from him who has not, even what he has will be taken away. This is the reason that I speak to them in parables: because having the power of seeing, they do not see; and having the power of hearing, they do not hear, nor do they grasp and understand. In them indeed is the process of fulfillment of the prophecy of Isaiah, which says: You shall indeed hear and hear but never grasp and understand; and you shall indeed look and look but never see and perceive. For this nation's heart has grown gross (fat and dull), and their ears heavy and difficult of hearing, and their eyes they have tightly closed, lest they see and perceive with their eyes, and hear and comprehend the sense with their ears, and grasp and understand with their

heart, and turn and I should heal them. [Isa. 6:9, 10.]

But blessed (happy, fortunate, and to be envied) are your eyes because they do see, and your ears because they do hear.

Truly I tell you, many prophets and righteous men [men who were upright and in right standing with The Almighty] yearned to see what you see, and did not see it, and to hear what you hear, and did not hear it.

Wow! How amazing it is to come to terms at the present time, with Yahushua's words at that ancient time. Also another passage that makes sense now is the passage about some not dying. It's written,

Matthew 16:26-28

For what will it profit a man if he gains the whole world and forfeits his life [his blessed life in the kingdom of The Almighty]? Or what would a man give as an exchange for his [blessed] life [in the kingdom of The Almighty]?

For the Son of Man is going to come in the glory (majesty, splendor) of His Father with His angels, and then He will render account and reward every man in accordance with what he has done.

Truly I tell you, there are some standing here who will not taste death before they see the Son of Man coming in (into) His kingdom.

In a few days I will reach the 77 years mark (Correction, only 76, for some reason I thought I was 77 but I am only 76.) since my birth in these earthly grounds.

Somehow, in all of these years I have never sensed death. Somehow, I know I will be alive when my Master comes to establish His kingdom on a new earth.

Sunday, May 31, 2015 at 4:10 am

This is the last day of this 5th month according to this world's calendar. Tomorrow will be the first day of the 6th month or the beginning of the middle of this year.

So much has come to pass in the last six months—much more than what it meets the eye or more than we realize that has happened.

For in general the majority of people remains oblivious to the signs of the times.

For the majority of people have chosen to ignore the written words and are completely absorbed by the affairs of the present life in this world. The written words are ignored. Even so, it's written,

Luke 21:32-36

Truly I tell you, this generation (those living at that definite period of time) will not perish and pass away until all has taken place.

The sky and the earth (the universe, the world) will pass away, but My words will not pass away.

But take heed to yourselves and be on your guard, lest your hearts be overburdened and depressed (weighed down) with the giddiness and headache and nausea of self-indulgence, drunkenness, and worldly worries and cares pertaining to [the business of] this life, and [lest] that day come upon you suddenly like a trap or a noose; for it will come upon all who live upon the face of the entire earth.

Keep awake then and watch at all times [be discreet, attentive, and ready], praying that you may have the full strength and ability and be accounted worthy to escape all these things [taken together] that will take place, and to stand in the presence of the Son of Man.

Moreover, the majority of people are living exactly as the people was living at Noah's time. Anyone with just a little of reading comprehension can read and get moved to question the lifestyle chosen by the great majority of human beings—a life of fun & success & positive thinking & a form of peace & well-being at any cost.

We have no excuse. And it is time for all of those consumed with the world of Yoga including all teachings in the same category of Yoga—the world of the occult—the world of witchcraft to come to their senses and repent.

For the beauty of the occult world as beautiful as it can be, it is not genuine—such beauty is only a gimmick devised by Satan himself to seduce us all.

Wake up Yoga worshippers, wake up. It is still time for us all to reconsider our ways. For all things are coming to pass right at this moment of time just as those things are written.

Believe me, I am here in the Middle East and I am seeing it all come to pass. And I am not the only one, many have given warnings to all because we are seeing the real thing as it is written.

We are not just reading and imagining things from our church's pews or Sunday or Saturday's groups. We are not talking theory or empty words from our human understanding but, are talking facts. It's written,

Matthew 24:34-39

Truly I tell you, this generation (the whole multitude of people living at the same time, in a definite, given period) will not pass away till all these things taken together take place.

Sky and earth will pass away, but My words will not pass away.

But of that [exact] day and hour no one knows, not even the angels of heaven, nor the Son, but only the Father. As were

the days of Noah, so will be the coming of the Son of Man. For just as in those days before the flood they were eating and drinking, [men] marrying and [women] being given in marriage, until the [very] day when Noah went into the ark, and they did not know or understand until the flood came and swept them all away--so will be the coming of the Son of Man. [Gen. 6:5-8; 7:6-24.]

Luke 17:20-37

Asked by the Pharisees when the kingdom of The Almighty would come, He replied to them by saying, The kingdom of The Almighty does not come with signs to be observed or with visible display,

Nor will people say, Look. Here [it is]. or, See, [it is] there. For behold, the kingdom of The Almighty is within you [in your hearts] and among you [surrounding you].

And He said to the disciples, The time is coming when you will long to see [even] one of the days of the Son of Man, and you will not see [it].

And they will say to you, Look. [He is] there. or, Look. [He is] here. But do not go out or follow [them].

For like the lightning, that flashes and lights up the sky from one end to the other, so will the Son of Man be in His [own] day.

But first He must suffer many things and be disapproved and repudiated and rejected by this age and generation.

And [just] as it was in the days of Noah, so will it be in the time of the Son of Man.

[People] ate, they drank, they married, they were given in marriage, right up to the day when Noah went into the ark,

and the flood came and destroyed them all. [Gen. 6:5-8; 7:6-24.]

So also [it was the same] as it was in the days of Lot. [People] ate, they drank, they bought, they sold, they planted, they built;

But on the [very] day that Lot went out of Sodom, it rained fire and brimstone from heaven and destroyed [them] all.

That is the way it will be on the day that the Son of Man is revealed. [Gen. 18:20-33; 19:24, 25.]

On that day let him who is on the housetop, with his belongings in the house, not come down [and go inside] to carry them away; and likewise let him who is in the field not turn back.

Remember Lot's wife. [Gen. 19:26.] Whoever tries to preserve his life will lose it, but whoever loses his life will preserve and quicken it.

I tell you, in that night there will be two men in one bed; one will be taken and the other will be left. There will be two women grinding together; one will be taken and the other will be left. Two men will be in the field; one will be taken and the other will be left.

Then they asked Him, Where, Master? He said to them, Wherever the dead body is, there will the vultures or eagles be gathered together.

Matthew 24:21-22

For then there will be great tribulation (affliction, distress, and oppression) such as has not been from the beginning of the world until now--no, and never will be [again]. [Dan. 12:1; Joel 2:2.]

And if those days had not been shortened, no human being would endure and survive, but for the sake of the elect (The Almighty's chosen ones) those days will be shortened.

Mark 13:19-20

For at that time there will be such affliction (oppression and tribulation) as has not been from the beginning of the creation which The Almighty created until this particular time--and positively never will be [again].

And unless the Master had shortened the days, no human being would be saved (rescued); but for the sake of the elect, His chosen ones (those whom He picked out for Himself), He has shortened the days. [Dan. 12:1.]

Sunday, May 31, 2015 at 9:05 am

Those last few verses quoted ...'for the sake of the elect, His chosen ones (those whom He picked out for Himself), He has shortened the days '...

In addition, the promise from my Father to work all things for the good of my beloved and all of my concern are the sure hold to my soul to remain steady in the Presence of my Father as I observe this whole world going down, down, down straight to the bottom of bottoms.

For sure, there is no question about the destruction or the end of this corrupt world.

Regardless all skepticism and mocking and unbelief and willful ignorance stemming from most all human minds, regardless and in spite of all human efforts for a better world, in spite of it all this world shall end in a great ball of fire in the very near future. So it is written,

2 Peter 3:1-18

BELOVED, I am now writing you this second letter. In [both

of] them I have stirred up your unsullied (sincere) mind by way of remembrance, that you should recall the predictions of the holy (consecrated, dedicated) prophets and the commandment of the Master and Savior [given] through your apostles (His special messengers).

To begin with, you must know and understand this, that scoffers (mockers) will come in the last days with scoffing, [people who] walk after their own fleshly desires

And say, Where is the promise of His coming?⁹ For since the forefathers fell asleep, all things have continued exactly as they did from the beginning of creation.

For they willfully overlook and forget this [fact], that the heavens [came into] existence long ago by the word of The Almighty, and the earth also which was formed out of water and by means of water,

Through which the world that then [existed] was deluged with water and perished. [Gen. 1:6-8; 7:11.]

But by the same word the present heavens and earth have been stored up (reserved) for fire, being kept until the day of judgment and destruction of the ungodly people.

Nevertheless, do not let this one fact escape you, beloved, that with the Master one day is as a thousand years and a thousand years as one day. [Ps. 90:4.]

The Master does not delay and is not tardy or slow about what He promises, according to some people's conception of slowness, but He is long-suffering (extraordinarily patient) toward you, not desiring that any should perish, but that all should turn to repentance.

But the day of the Master will come like a thief, and then the

heavens will vanish (pass away) with a thunderous crash, and the [material] elements [of the universe] will be dissolved with fire, and the earth and the works that are upon it will be burned up.

Since all these things are thus in the process of being dissolved, what kind of person ought [each of] you to be [in the meanwhile] in consecrated and holy behavior and devout and godly qualities,

While you wait and earnestly long for (expect and hasten) the coming of the day of The Almighty by reason of which the flaming heavens will be dissolved, and the [material] elements [of the universe] will flare and melt with fire? [Isa. 34:4.]

But we look for new heavens and a new earth according to His promise, in which righteousness (uprightness, freedom from sin, and right standing with The Almighty) is to abide. [Isa. 65:17; 66:22.]

So, beloved, since you are expecting these things, be eager to be found by Him [at His coming] without spot or blemish and at peace [in serene confidence, free from fears and agitating passions and moral conflicts].

And consider that the long-suffering of our Master [His slowness in avenging wrongs and judging the world] is salvation (that which is conducive to the soul's safety), even as our beloved brother Paul also wrote to you according to the spiritual insight given him,

Speaking of this as he does in all of his letters. There are some things in those [epistles of Paul] that are difficult to understand, which the ignorant and unstable twist and misconstrue to their own utter destruction, just as [they distort

and misinterpret] the rest of the Scriptures. Let me warn you therefore, beloved, that knowing these things beforehand, you should be on your guard, lest you be carried away by the error of lawless and wicked [persons and] fall from your own [present] firm condition [your own steadfastness of mind]. But grow in grace (undeserved favor, spiritual strength) and recognition and knowledge and understanding of our Master and Savior Jesus Christ (the Messiah). To Him [be] glory (honor, majesty, and splendor) both now and to the day of eternity. Amen (so be it).

This is not a time to relax and enjoy a life of carnal pleasures. This is no time to occupy ourselves with the betterment of this earth.

Come out from the beautiful side of evil and you will find the beauty and everlasting peace under the loving care of a Father that is longing for you. The alternative? Don't be a fool.

However, don't be a fool to remain stuck in the beautiful side of evil but, to come out from the beautiful side of evil only because the alternative is not the best choice is not the thing to do either.

Come out only because the Father is longing for your presence in His world. It's written,

Isaiah 30:18

And therefore the Almighty Yahuwah earnestly waits expecting, looking, and longing to be gracious to you; and therefore He lifts Himself up, that He may have mercy on you and show loving-kindness to you.

For the Almighty Yahuwah is a Mighty One of justice. Blessed—happy, fortunate, to be envied are all those who earnestly wait for Him, who expect and look and long for Him for His victory, His favor, His love, His peace, His joy, and

His matchless, unbroken companionship.

It's now 1:25 pm. I will end these reflections at a later time because I must turn off this computer and prepare to do a major cleanup of my new apartment with Ahmad's help. Afterwards, I will need to reorganize things, so, it will be a while before I return to my recording.

Sunday, May 31, 2015 at 7:04 pm

We finished cleaning around 5:00 pm. It took me this long to setup the computer and update the writing above. I still got much to do but I am going to bed and hope for sleep for I am very tired.

Monday, June 01, 2015 at 2:28 am

Thanks my Father for the few hours of sleep. I slept and woke up before midnight. I fixed me something to eat and then proceeded to finish replacing all things as I had them before the cleanup.

Father, You know all about the tactics of the enemy to instill fear in me with the sole purpose to destroy my testimony of Your Presence within my being and Your control of my life.

Around midnight today I sense enemy activity outside my bedroom window. Fear attempted to get a hold of me momentarily. Suddenly, Your Spirit from within my being arose and I proclaimed,

“I refuse to fear. I live in the Secret Place of Almighty Yahuwah whose power no foe can withstand. My Master Yahuwah rebukes you Satan. I am sheltered under His shadow and Master Yahuwah/ Yahushua Messiah rules & reign in this house and in my heart. Begone Satan and take all your demons with you to the place where you belong.”

Thus is my life in the Presence of the Almighty Yahuwah/ Yahushua—sole Creator of my being along with the whole Universe and everything therein including the human race.

Power From On High.

Chapter 32

Am I Finished? Almost....With The Book I Mean. Me? A Work In Progress.

So? What is the difference between what is happening to me so similar to what is happening to so many people that are proclaiming such change as part of their self-efforts or as the result of following one teaching, system, doctrine or whatever? Much in every way. By no means I owe this change to my own efforts or by following any system or any human being at all. On the contrary, this change came about when I quit my own efforts to change myself.

Monday, June 01, 2015 at 7:19 am

Father, this is the first day of my birth month; You have brought me one more year walking on these earthly grounds. And I sense that You will continue to keep me walking until the day of Yahushua's return.

The 14th day of this month will mark my 77/76 years old journey. In hind sight, I realize now that because a double 7 meaning is, complete & perfect, I grab on that mark for my journey.

Actually, I am living on my 77th year but I am only 76 years old. Ha. Ha. HalleluYah.

From the meaning of numbers in the Bible by Brad Scott,

The Meaning of Numbers: The Number 7

Used 735 times (54 times in the book of Revelation alone), the number 7 is the foundation of The Almighty's word. If we include with this count how many times 'sevenfold' (6) and 'seventh' (119) is used, our total jumps to 860 references.

Seven is the number of completeness and perfection (both physical and spiritual).

It derives much of its meaning from being tied directly to The Almighty's creation of all things. According to Jewish tradition, the creation of Adam occurred on October 7th, 3761 B.C. (or the first day of Tishri, which is the seventh month on the Hebrew calendar).

The word 'created' is used 7 times describing The Almighty's creative work (Genesis 1:1, 21, 27 three times; 2:3; 2:4). There are 7 days in a week and The Almighty's Sabbath is on the 7th day.

The Bible, as a whole, was originally divided into 7 major divisions. They are 1) the Law; 2) the Prophets; 3) the Writings, or Psalms; 4) the Gospels and Acts; 5) the General Epistles; 6) the Epistles of Paul; and 7) the book of Revelation.

The total number of originally inspired books was forty-nine, or 7×7 , demonstrating the absolute perfection of the Word of The Almighty.

Appearances of the number seven

There are at least seven men in the Old Testament who are specifically mentioned as a man of The Almighty. They are Moses (Joshua 14:6), David (2Chronicles 8:14), Samuel (1Samuel 9:6, 14), Shemaiah (1Kings 12:22), Elijah (1Kings 17:18), Elisha (2Kings 5:8) and Igdaliah (Jeremiah 35:4).

In the book of Hebrews, written by the apostle Paul, he uses seven titles to refer to Christ. The titles are 'Heir of all things' (Hebrews 1:2), 'Captain of our salvation' (2:10), 'Apostle' (3:1), 'Author of salvation' (5:9), 'Forerunner' (6:20), 'High Priest' (10:21) and the 'Author and finisher of our faith' (12:2).

Wow! All this time of hardship since the moment that I made my final commitment to Ahmad to come with him to Amman is culminating in the perfect & complete work of my Father within & without my being.

Does that mean that now I am set to sleep on my laurels? By no means.

But it means that I am now in perfect & complete submission to the Father/Creator of my being thus empowered to obey Him at any cost even the cost of my physical life.

Power to live. Power to die. As the Master wills. That's the meaning of the subtitle for Power From On High.!

Monday, June 01, 2015 at 11:48 pm

It's almost midnight on this first day of the 6th month according to the world's calendar.

All is quiet...I turned off my light and look out and up my door window only to see the most beautiful moon gentle dispelling its light on the town.

Tuesday, June 02, 2015 at 2:58 am

I had a full day yesterday and now it's a new day. I am going to bed & hope You give Your beloved some good & restful sleep.

Father, I thank You for giving me the skills to troubleshoot this computer. I have now set it up perfectly.

And I hope that this setup lasts me for a while or at least until July 29 when Windows 10 is supposed to download in my computer.

It seems to me that You have really succeeded in shaping me to Your liking, for I am a different person than what I was even a few days ago.

I still get shook up because I don't like certain things, but I realize now that things do not have to change to suit my needs; instead I need to adjust to the things that I cannot change.

So? What is the difference between what is happening to me so similar to what is happening to so many people that are proclaiming such change as part of their self-efforts or as the result of following one teaching/system/doctrine or whatever?

Much in every way. By no means I owe this change to my own efforts or by following any system or any human being at all.

On the contrary, this change came about when I quit my own efforts to change myself.

This change came about in the Father/Creator of our beings' due time to change me for the benefit of His plan to restore His beloved children to the original intent for their creation. Now what?

Wednesday, June 03, 2015 at 3:42 am

O my Father. What can I say in my defense? Nothing. I am guilty as guilt itself—always looking for pay day just like the rest of human beings. And I thought I was different. Duh.

There is no such a thing as 'I am different'. Only thing different between human beings is the insidious claim to be different because ...I eat pie and you eat cake. Ah. What an amazing difference. Ha. Ha. And no HalleluYah.

Why are we so stuck up in being different or being this or being that?

Because we are human beings and that's the way we are. So? What's the point?

Good question and I don't know if I have an answer but let me try—try to answer with my point of view? Nay. Not my point of view at all.

Instead I will answer such a question with wisdom from on high. As a human being I am not any different from the next human being, that is the truth of the matter.

Alright. But the point of the matter is that, I live in the Presence of my Father and Father is always directing me to be honest not different.

Honest? What does it mean to be honest my Father?

“My child, to be honest means all those things listed in the dictionary.

1. Marked by or displaying integrity; upright: an honest lawyer.
2. Not deceptive or fraudulent; genuine: honest weight.
3. Equitable; fair: honest wages for an honest day's work.: Characterized by truth; not false: honest reporting. Sincere; frank: an honest critique.
4. Of good repute; respectable. Without affectation; plain: honest folk.
5. Virtuous; chaste.

“My child, all those adjectives applied to many persons but only on the surface. In the core of the human being, none of such adjectives fully apply to any one. Why, you might ask?

Because, My child, in the core of a human being there lies a wicked heart that will put aside all virtues should it be threaten with adversity or discomfort of any kind.

Honesty is a virtue of the human being as long as that virtue does not interfere with the human mind's thinking.

By nature all human beings are possessors of a mind that thinks & reasons all things contrary or opposite to My mind. Moreover, all human beings look out for number one—their own selves.

Whatever seems good to the human mind that's the motto for a human's lifestyle. Thus, those adjectives do not fully apply to any human being.”

Wow! So much for my pretension to be ‘different’. That's being honest as my Father wants me to be. Ha. Ha. HalleluYah.

Wednesday, June 03, 2015 at 11:35 am

Turning off computer to go run monthly errands. It's now 5:42 pm. I have been back since around 3:00 pm. I am very tired and very disappointed because I ran in a lot of problems in getting the things I need.

I know my Father that this moment shall soon end and again I shall return to the quiet zone of my emotions. There is no use to get all bent out of shape when things go out of control.

Wednesday, June 03, 2015 at 7:40 pm

Thanks my Father. The awful moment I had to go through has passed. My emotions are again under Your control.

I finally got my refrigerator and though that I am glad & thankful for it I am not in the least affected as far as material possessions coming my way.

Distasteful hypocrisy? Maybe not. After almost 7 years in this country, I have come to the conclusion that all those fancy appliances & commodities that were so necessary for me in the past, are not needed at all.

I am at the point that if I had a million dollars, I will not live any different than the way I am living now.

For I have learned to improvise. I am very resourceful and I consider that to be a gifted trait to avail us all in the near awful times ahead.

Thursday, June 04, 2015 at 2:33 am

O my Beloved Father/Creator/Redeemer and Master of my being. You are truly my Master and I am Your bond slave servant. Nothing can entice me to leave Your house—Your Presence within & without my being.

It is true, the flesh or our carnal natures—the ego within all human beings does not profit or does not change when we are born again of the nature of our Father/Creator just as Yahushua said it was to be as long as we walk on these earthly grounds.

I cannot emphasize such fact enough. Read it in the book of John, Chapter 3:1-36.

There you have it.—the wickedness of the carnal self. Or, the recording of the same matter through the pages of the books that I write and the blogs/sites that I create to proclaim it through the waves of the Internet

In other words, what I am trying to say is this: *my carnal self has not changed a bit with all that I have been through since that memorable day of June 20, 1985 when the nature of my Father/Creator took over my carnal nature.*

The only thing that has changed since that memorable day is the order of the two natures within my being. Since that day the nature of my Father/Creator rules my being in spite of my own carnal nature.

For my carnal nature will remain as long as I walk on these earthly grounds. Pity, pity, pity and pity again. Wish it was not so. But so it is, whether I like it or not.

The details recorded in the journal of my life are what demonstrates the struggle of my carnal nature to reverse the order of natures that Father has seared within my being at my request for Him to do so.

In turn, my Father lets my carnal nature struggle to the max until such nature cries, ‘uncle’ or gives up the struggle to rule my life.

Thus, when my Master quickens me to read my writings of former days, I find practically the same words describing the same situation in former times and...well...until this minute I realize that I have not grasped my Master’s aim to quicken me to read my former writings.

Now, my Master’s aim is dawning on me. Duh. Without a doubt, my Master is the Author of all things that I record. Otherwise, if it was up to me I will not be repeating myself over & over again, that’s for sure.

Why? Hum. Believe me, I’m a clever one and I have read & studied the art of telling only what others want to hear—the art of embellishing my writings to portray the ideal star of my writings—yours truly.

Yeap. I have enough knowledge and material to write a smashing hit of a novel—a novel to attract the carnal self of a great number of readers. Without much effort I could write a best seller and become rich & famous.

Even so, thanks be to my Loving Father/Creator/Redeemer and Master of my being—for He has erased even the memory of my efforts to become rich & famous. Such is the truth from my Father’s mouth.

Even so, believe me, a distasteful hypocrisy is always at work. I would like such matter to be the furthest thing in my mind at the present time in September 2015, but it is not quite so.

Yes, at the present time, Father is leading me to generate income from the books He has inspired to me, that's for sure.

Father is not leading me to become 'rich & famous' for the pleasure of my flesh or carnal nature.

Regardless. A distasteful hypocrisy, a wicked thought from my flesh flashes in my mind, "Sure. I will be so blessed that everybody is gone eat crow. Ha. Ha. The books are truly valuable, people will buy—I'll sell out to everybody's chagrin."

You know what? Such hypocrisy could truncate Father's work within my being—my witness would come to nothing. And I will wound up the bottom pit of the could have-beens.

No way. Away with such a distasteful hypocrisy. Father is leading me all the way. Father is keeping me aware of such distasteful hypocrisy.

As a human being, I gaze in wonder of such a grand worldly thing. Rich & famous? I momentarily consider it, then...with much gusto, I fling away such considerations.

Not for me. I am already rich & famous in the eyes of my Master. I want for nothing. My Father owns the cattle of a thousand hills and, He supplies all my needs.

Whatever for would I want any other riches & fame? That would be swapping gold for tinsels.

No way. No way. I am not that gullible anymore. Thus, I know that such matter of fame & fortune shall never again be my agenda.

Know something else? In the first edition of *Power From On High* I wrote that even all the compliments I get nowadays, the how beautiful, smart, amazing, super woman that I am, all of it has lost its charm to seduce me into conceit.

In addition, I wrote that it troubles me to get all honors that should be only due to my Loving Father/Creator/Redeemer and Master of my being because, I am what I am only by His favor, love & care for me in spite of my wicked self.

Hum. As I see it now, that also was distasteful hypocrisy. Why? In taking those compliments for myself, I am negating the people to see Him in me, period. Yes. I am what I am only by His favor, love & care for me in spite of my wicked self. For that reason, I should receive such compliments gracefully.

Furthermore, I must remain alert and having nothing to do with the wiles of my flesh. Away with all distasteful hypocrisies.

Even more so, once again, I repeat, the aim & purpose of the Loving Father/Creator/Redeemer of our beings for my writings, is to entice others to allow Him to become the Master in their lives.

Whatever for would anyone wish to have a master? Not just a master, but, the Master. The Almighty wants to become the Master in anyone's life in order for Him to bestow His love & care for all that so allow Him to be.

Friday, June 05, 2015 at 12:46 am

Thanks my Father for giving me the ability to take care of myself. You know that I bicker & complain because of the lack of help; but then I do realize that I do get much help—only the help I get is not to my liking. You know how bad I feel when I see Ahmad so intent in doing for me without stopping to think that his doings are not suitable to my needs.

I am weary of such situation. It looks like nothing that I say registers in Ahmad's mind. I sense that You are teaching me a lesson that I am not grasping. Help me my Father. Help me or rather, help us. As I am editing and updating this book and read a lot of my past

statements, I find them disgusting. Yes, Father taught me the good lesson to see and abhor my attitude.

It is now Saturday, September 26, 2015. I have learned my lesson. The result? Respect, understanding and consideration for each other. Our mother & son relationship has become more solid than ever before. Truly, the work of the Teacher. The lessons taught by the Teacher—the Spirit of our Father/Creator are forever imprinted in the core of our beings to avail us for eternity.

Friday, June 05, 2015 at 6:26 am

Father, You know that I have committed my entire being to You without any reservation at all. And You know that You have accepted my commitment and sealed my eternal future in Your Presence.

In addition, You have imprinted Your written words within my being and quicken those at the appropriate time to lead & guide me in all circumstances that come my way.

Thus, You have made it clear to me that You are the One holding & sustaining me in Your Presence forever and for that reason I will never again go away from You no matter what circumstance comes my way. Furthermore, You have arranged all things in a good plan for the rest of my days here on this earth. In addition, You are working all things for my good and the good of all of my concern.

Even more so, You have made clear to me the meaning of my commitment to You. By that voluntary commitment, I am no longer my own—I belong to You. I am Your bond servant.

Thus, I am ready to obey You at any cost no matter what I think or feel. At the moment I like this apartment but, if it is in Your plan for me to move, I am ready as much as I dread such a thing. Such is a summary of my life on these earthly grounds at this moment of time.

Power From On High.

Chapter 33

Editing & Formatting Power From On High Like A Pro. O Well. Almost Like A Pro.

Friday, September 25, 2015 at 6:57 am

Father? I must share my progress with Derek. Because of his expertise, I am now editing & formatting Power From On High like a pro.

Well, not only Derek's guidance but also the fact that I am now updated to Word 2016—what a dream come true this version of Word is.

O Derek, I am following THE GUIDE. What a dream come true your GUIDE also is. Finally. I got it. Thanks a million, my friend.

Friday, September 25, 2015 at 3:02 pm

O my Father. I just happened to see one of my children's Facebook page.

I want to cry but, I cannot even cry. When I see my children, actually Your children that You have chosen, so engrossed in the affairs of this world instead of Your affairs, O my Father, I want to cry. Moreover, my Ahmad is seriously ill again. Plus, the lack of funds to support the families is a serious problem for us all in this country—there is no money for the middle class.

The rich gets richer and the rest gets poorer. When sickness & lack beats the ones I love? All I can do is cry. Why? Because I call on You for them but You seem to be silent.

I know that You have a reason for everything that is happening to us but, that does not alleviate my sorrow.

Saturday, September 26, 2015 at 7:40 am

Phew. O my Father. Thanks for my latest programs. Yesterday, the computer shut off while I slept and this journal was not saved.

I woke up around 3:30 am and found out that the computer had restarted automatically. I did not bother to check anything, instead I started to resume my work in Power From On High.!

I have been intense at work since I woke up until this moment. It came to me to record in my journal some of the things that I am editing to end Power From On High.!

So, I pulled the journal file. Surprise. The last entry on it had been lost when the computer shut off. Grrr. Now what?

Immediately it came to me what to do—recover unsaved files. Wow! The recovery feature in Word 2016 has improved tenfold. There, quite visible my unsaved journal was. Ha. Ha. HalleluYah.

O well. What was it that I need to record? Ah. Now I remember. I will record the revised ending for Power From On High.!

Saturday, September 26, 2015 at 12:26 pm

Father? You are leading the way. You have inspired me to end Power From On High with the following writings,

1. My Journey Evolves Timely The Latter Rain Is Beginning To Fall. ...Sunday, September 13, 2015 at 7:28 am
2. Is There A Lesson Learned From The Frustrating Responses From Ahmad And From My Friends? Indeed There Is. Big Time. Thursday, September 17, 2015 at 4:23 pm

3. The core of our sin is our mind—the sit of our carnal nature. Tuesday, September 22, 2015 at 11:56 am

Wow! This ending for Power From On High could not be any more appropriate. The leading is absolutely Yours. Onward I go to work.

Saturday, September 26, 2015 at 7:36 pm

Father? This 7th day of rest has come to an end for now. Even so, I remain resting on You. I had written the end of Power From On High on Friday, June 05, 2015 at 3:32 pm.

The book was published and I am holding it in my hands. It is an exciting moment to hold one's work in one hand. It does not look that bad but, there is much to be desire for it to appeal to the readers.

Therefore, You have inspired me to insert those 3 entries before the end of the last chapter. Again, this is Your leading for sure.

For the insertion of those entries will give the book a better closure as the first volume in the on-going series, Reality: Dying in the Present. Living in Eternity.

Power From On High.! will begin the telling of my journey in the Presence of our Father/Creator. I will now begin the insertion of those entries.

IF YOU ARE WILLING & ABLE PLEASE DONATE VIA PAYPAL.

Power From On High.

Chapter 34

My Journey Evolves Timely. The Latter Rain Is Beginning To Fall. ...

Sunday, September 13, 2015 at 7:28 am

Well, well and well. As of 7:57 pm yesterday, I had no clue on what to do? Even as approached my bed sometime around 5 am this morning, I was somewhat clueless on how to resolve the situation between Ahmad and yours truly.

Not clue on what to do with my book. Not even a clue on how to handle the roaches from hell that appear from nowhere at times. I was totally disgusted with everything in my midst.

Suddenly. It came to me. Move in with Ahmad's family. The exact instructions to resolve my situation, rather the situation between Ahmad & I. Plus, the exact instructions on how to proceed with my Internet affairs. All is well with my soul now. Here is the record of it all as it took place since my last post.

Sunday, September 13, 2015 at 12:47 pm

Father? It is now 7:38 pm. I don't know what have I done all day long except read former writings and talk to Andrea & Pat for a few minutes. And of course, wait for Ahmad's promised visit.

Father? You know the state and condition of my mind and emotions every time that Ahmad makes promises that he does not keep and thinks nothing about it.

I do not know what to do and You know it my Father. My emotions are so intense that I cannot see strait. How can I remain calm at the sight of injustice?

Perhaps what I consider unjust and unfair it is not so at all. Perhaps it all is a trait of my flesh that needs to be tamed?

Show me the way my Father, show me the way. I submit my whole being unto You. I wait on You.

Sunday, September 13, 2015 at 11:25 pm

Father? Are You showing me the way out of this forsaken country? Are You telling that it is time to abandon Ahmad? I hope & pray that it is not so.

In the other hand, You know what is best for Ahmad. Perhaps I am in Your way because Ahmad has his mind set on me not on You.

Thus, You know that I am willing to do or to go whatever needs to be done and wherever You need for me to go. Here I am, my Father. Take the coal, touch my lips, here I am, send me.

Monday, September 14, 2015 at 12:11 am

It's midnight again, my Father. Sleep is overtaking me. Perhaps sleep will restore my composure.

Tuesday, September 15, 2015 at 7:16 pm

Father, You know that this day marks 8 yrs. Since You restored me into Your service. As soon as I recorded the date You brought to my remembrance the article on Daniel 8 by Yedidah.

This sister has truly been raised by You for the times that we are going through.

This article came to me in September 15, 2007 proclaiming the truth that You had revealed to me. I had neglected to proclaim it for 12 yrs. as I wrote it before in the pages of my journal.

I can now confirm the veracity of this article by my own experience of the content not only of this article but also of the other articles on Eugenics and the Preservation of the Royal Seed that You led me to read today.

I have left not only the future but also the present and the past in Your hands. Truly, I have no interest in any info that You are not sending to me for a definite purpose. That is why I write that You give me, on the spot, whatever You need me to be aware of. That is exciting.

You sent this info in 2007 to avail me for my restoration. Today You brought it to my remembrance just in the time that this information is needed for Ahmad's restoration.

Wednesday, September 16, 2015 at 3:42 am

O my Father. Thanks for Your unfathomable wisdom. For You are flooding my being with enough of that wisdom to do the work that You need to do in the restoration of Ahmad's mind.

I continue to be in total awe of Your work. This work in the journey of Yours truly through this valley of death that this world has turned out to be, has been going on since 1974 when You first set my eyes in Your Scriptures.

Forty one years ago....so much has transpired. Even so, You have been careful to have me record all such happenings in my journey.

Thus I have written numerous books & booklets that I have been publishing & distributing free of charge up to this moment of time, as You have instructed me to do.

At the present, it seems to me that You are leading me to publish & market those books. Even so, I submit what it seems to me unto You.

I ask of You, my Beloved Father, to keep me from any lustful ambition from my carnal self. You know that this is not at all a distasteful hypocrisy in my part or, so I hope for it to be.

For I truly fear the wiles & doings of my carnal self—I fear to delude my own self. I fear hypocrisy. I been there before and have no desire to return to the mire from which You have lifted me from. But You know all of that.

If in fact, it is Your will for me to publish & market these books, then my Father, I rest the whole matter on You. I will follow one of the leads coming to my mail box and let You develop everything according to Your will. For it is written,

Isaiah 30:13-22

Therefore, this iniquity and guilt will be to you like a broken section of a high wall, bulging out and ready at some distant day to fall, whose crash will then come suddenly and swiftly, in an instant.

And he shall break it as a potter's vessel is broken, breaking it in pieces without sparing so that there cannot be found among its pieces one large enough to carry coals of fire from the hearth or to dip water out of the cistern. For thus said the Almighty Yahuwah, the Set Apart One of Israel:

"In returning to Me and resting in Me you shall be saved; in quietness and in trusting confidence shall be your strength."

(Insert graphic if needed)

But you would not. and you said, "No. We will speed our own course on horses." Therefore you will speed in flight from your enemies." You said, "We will ride upon swift steeds doing our own way."

Therefore will they who pursue you be swift, so swift that One

thousand of you will flee at the threat of one of them; at the threat of five you will flee till you are left like a beacon or a flagpole on the top of a mountain, and like a signal on a hill. And therefore the Almighty Yahuwah earnestly waits expecting, looking, and longing to be gracious to you; and therefore He lifts Himself up, that He may have mercy on you and show loving-kindness to you.

For the Almighty Yahuwah is a Mighty One of justice. Blessed—happy, fortunate, to be envied are all those who earnestly wait for Him, who expect and look and long for Him for His victory, His favor, His love, His peace, His joy, and His matchless, unbroken companionship.

O people who dwell in Zion at Jerusalem, you will weep no more. He will surely be gracious to you at the sound of your cry; when He hears it, He will answer you. And though the Almighty Yahuwah gives you the bread of adversity and the water of affliction, yet your Teacher will not hide Himself any more, but your eyes will constantly behold your Teacher.

And your ears will hear a word behind you, saying, This is the way; walk in it, when you turn to the right hand and when you turn to the left.

Then you will defile your carved images overlaid with silver and your molten images plated with gold; you will cast them away as a filthy bloodstained cloth, and you will say to them, Be gone.

Ha. Ha. HalleluYah. “And though the Almighty Yahuwah gives you the bread of adversity and the water of affliction, yet your Teacher will not hide Himself any more, but your eyes will constantly behold your Teacher.” This amazing exhortation IS what most all of us miss.

Without fail every single soul that I know are hyped up in all the beauty of heavenly life without any notion that such heavenly life is not to be lived in this world. For as it's written in this world we are bound for tribulation & affliction. As it's written,

I have told you these things, so that in Me you may have perfect peace and confidence. In the world you have tribulation and trials and distress and frustration; but be of good cheer take courage; be confident, certain, undaunted. For I have overcome the world. I have deprived it of power to harm you and have conquered it for you.

And so, what is my point? What is it that I am conveying in this message in reference to my overbearing personality? And for an answer to this question I will have my Loving Father answer it for me. Speak to our hearts my Father that my readers may understand why You are having me to record these words at this moment of time.

“My child, as I have told you so many times before, I will never eradicate your human nature from you. I have heard your request and you have heard My answer. Most definitely you are a human being as I created you to be and there is no need for you to be otherwise.

“Yet My beloved child, there is a need for you to submit that ‘I’ that represents your humanity to Me. And in the submitting your ‘I’ to me lies the snare for most of My children because most of My children do not understand what ‘submission’ is in its entirety.

“The great majority of My children, including you in the past, are much too busy defending themselves and trying to make others see their errors that they miss a great deal of the lessons that I am now teaching to you and to them.

“And so, I let you suffer from others the unjust accusations and the attempt to control the way that I let you express yourself, to the end that you learn to let go and be still in My Presence.

“Thus, manifesting your request in writing, delights My Being because I am now satisfied that you have learned such lesson after the latest outburst with Joyce which caused you to make such request to Me.

For now you have become totally aware of the futility to defend or to stand up for your own self against the little things that so aggravate most all human beings.

“Furthermore, I am most delighted with your progress in letting Me take care of all things no matter how long I let you struggle with your own negative thoughts about all that I have given to you to proclaim to others.

Your obedience to stand firm in the words that I have given to you for the benefit of all of My children in spite of all the opposition and in spite of your doubts and internal conflicts, is totally pleasing to Me—a sweet fragrance unto My nostrils.

“So, go on My child. Go on and on and pay no mind to any disturbance that comes your way because you are now, from this day forth, conditioned to do so.

From now on I have conditioned you more than before to enjoy all things that you are to enjoy without the burden of what anyone does for you or against you. Rejoice and be glad for I delight in you and My delight in you is your strength.”

Wednesday, September 16, 2015 at 5:03 am

Father? Your delight in my obedience. Your delight in me IS my strength. How can I assimilate that in my mind?

“You can’t My child, so quit trying. Quit. Quit. Quit all your deliberations and aberrations and unworthy suspicious about My doings in Your life and the life of others.”

Good enough. I quit. Take over my life and do unto me as it is pleasant in Your sight. What’s next my Father? Need to stick to the point in the present message. What is the point?

Ahmad’s restoration. That’s the point. Wow! I hardly wrote that sentence when drowsiness fell upon me and I barely made it to my bed.

I collapsed and made myself comfortable. Immediately I dozed off. A bear appeared in front of my computer screen. It glued its nose to the screen then turned its nose to me with a plastic grey circular cap on it and, I woke up.

Wow! It’s now 7:59 am. It was shortly after 5:00 am when I had that dream. All this time I have been searching for its meaning—the meaning from You, my Father. I just now found it.

One meaning of bears in a dream, Fearless courage to never change in dangerous situations or terrible conditions. Powerful integrity.

As to the plastic grey cap on its nose? The nose? To see a nose represents your intuitive sense, listening to your gut instincts, or the ability to feel a situation out. A nose may reflect how well you can sense a problem. The dream may also suggest your need to learn more about a situation at hand.

Plastic grey cap? To dream of something being made of plastic represents your view of a person or situation being unimportant. Something makes you feel that it doesn't matter. Your perception of something being powerless or not a priority. Positively, plastic may reflect your feeling that someone or something is non-threatening or insignificant. Nothing to be worried about.

Grey, light grey or silver? The color silver in dreams is symbolic of the intuition, luck, or coincidences. Your intuition or internal guidance helping you to make choices to lead you to what you need in life. New insight, power or freedom gained by chance.

A cap, or circle? To dream of a solid circle represents perfection or a situation that does something perfectly.

Thanks my Father. I sense that in such dream You confirmed the words that You spoke to me earlier this morning.

Wednesday, September 16, 2015 at 9:30 am

Around 8 am I, again felt the need to bed and sleep. While I slept I dreamed again. This time, I was, frantically searching for a file for Ahmad. I could not find it and I lost it. I started to exclaim negative words about my inabilities. Ahmad was watching me waiting for the info I wanted to convey to him. When I lost my patience and reverted to my old reactions, Ahmad in a very quiet and sad voice said, "This is not for me...." And I woke up.

O my Father. You gave me the interpretation for this dream immediately. The losing of my composure in any way shape or manner, has a negative effect in Ahmad's acceptance of the work that You are performing within my being—it makes Ahmad doubt my testimony.

The beauty of Your interpretation is that with it, You gave me the power to control my emotions. Thus fulfilling the words You spoke to me way back in 2009. Quote,

"My beloved Thia, you are now beyond the realm of disturbing feelings and emotions and imaginations. From now on all your doings shall become sensible and your feelings for goodness shall intensify as well as your feelings for badness. And your thoughts shall be under the captivity of My

thoughts. This drastic change within your being shall soon take hold of the hearts of many who would turn to Me and esteem My name as they see your good works.”

O my Father. Every step of the way, the power of Your love from on high descends upon me to strengthen and encourage me to go on

Therefore, I am now ready, more than ready to continue with Your leading to restore Ahmad’s mind from the grip not only of Satan but also the grip that culture & civilization has on him.

And there you have it. For Ahmad is not the only victim of Satan and of our culture & civilization.

All of us human beings have sold out to Satan in lieu of Satan making us masters of our destine.

“The mind is a terrible thing to waste” is the motto of the society of mankind. And on we go doing whatever seems good to us—gorging ourselves with the fruit of The Tree Of The Knowledge Of Good & Evil.

Quoting from **EUGENICS: THE PLANNED END OF MANKIND** by Yedidah. In that article is clearly articulated the core of the awful predicament of all human beings. Quote, Lucifer has a dream--Isaiah 14:13-14--to sit and rule from Yahuwah’s throne without any remembrance of Yahuwah on planet earth—no Torah, No Bible, no one believing in Yahuwah or worshipping Him, or obeying His Torah—no one who even exists in His image and likeness. He wants to see only the image and likeness of himself, worshipping only him. To obtain this goal, he began in the Garden of Eden to offer Adam and Eve the “privilege” of joining him in revolt against Yahuwah, for the “blessings” of being their own gods, having the power that comes from the knowledge of good and evil,

the obtaining of all that the eye desires, wealth, and all the things that he can give them.

Since the 1700s, he has gathered groups of men and women who will be his agents to help him. He has promised that they will have eternal lives in indestructible bodies, have all the world's wealth at their disposal, slaves to do their every desire, and the ability to travel to other planets and colonize as they will. He has introduced them to his "angels", and they have given his agents the technology that he learned from Yahuwah from the days of creation until he was kicked out.

He is directing his chosen scientists in their creation of super men, super animals—trans-humans—by mixing the DNA of humans and animals, humans and reptiles, humans and plants, humans and insects, putting human tissue in bionic robots, producing the total distortion of any semblance of Yahuwah. He is directing experiments, using Yahuwah's image and likeness, to create hideous atrocities against Yahuwah. He is directing scientists to create diseases that will torture and hideously kill Yahuwah's human kind. He and his "angels" have given these agents—the most wealthy and powerful elite of the world—technology that is so far advanced that they can use it to accomplish his goals—things like anti-gravity technology, space warfare technology, DNA-altering technology, weather-altering technology, and on and on.

Satan as Lucifer—the light-bearer, the illumined one, the angel of light—is demanding more and more worship from his devoted ones—demanding more and more human sacrifice to satisfy his hate of Yahuwah. The only thing he is not telling his agents is the end of the matter. He is not telling them that

they will have to flee to Petra in Edom because their monstrosities have gotten out of hand (Revelation 6:14-17), nor that their gold will be thrown in the streets and Yahuwah will prevail (Isaiah 2:19-21). He is not telling them that they too will die. He is not telling them that their end will be with him in the lake of fire (Revelation 19 and 20). He is not telling them that Yahuwah will set up an eternal Kingdom on the earth, and the kingdoms of this world will be come the kingdoms of His Messiah Yahushua (Revelation 11:15-19. He is simply using them to kill as many as 95-100% of human beings, and to destroy the beauty of Yahuwah's earth. End of quote.

This information is given, not as a scary tactic. On the contrary, the Almighty Creator of our beings is now releasing this information to give His children the opportunity to renounce the acquired knowledge from the forbidden tree and return to Him.

Furthermore, let it be known that for a fact, it is not the will of our Father/Creator that anyone shall perish much less any of His chosen children.

Therefore, His power of love from on high is descending on many vessels liken to myself that are willing to abandon all to obey His mandate to go to the 'Lost Sheep of Israel'.

Like the patriarch Abraham, we do not know where we are going until we get to wherever the 'Lost Sheep of Israel' is hiding.

Thus, our Father/Creator has sent me to this Ahmad. Even so, let me tell you all, it is mighty easy to theorize many religious issues to come up with so many false teachings about every single Scripture.

Therefore, the so called ‘Church’ makes this issue of His mandate to go to the ‘Lost Sheep of Israel’ a thing of the carnal nature by the power of the mind & emotions of the members of any ‘Church’.

Indeed. Read Matthew 10. Regardless. In my infantile mind, when the mandate came to me, I never dreamed that Matthew 10 was to become a reality in my life.

Instead, I dreamed of being carried down the street on people’s shoulders—my children and friends, with champagne corks and streamers flying around me.

Some seven years later I can joyfully and gratefully recall my childish dream. For the experience of living in my Father’s Presence obeying His will & commands and under His loving care & protection, by far surpasses my childish dream.

By all means. The Almighty Yahuwah will set up an eternal Kingdom on the earth, and the kingdoms of this world will become the kingdoms of His Messiah Yahushua (Revelation 11:15-19. No question about it.

Anyhow, how is it going with this illustrious Ahmad and my witness to him of our Father/Creator within my being? It’s beginning to rain. Yes. The latter rain is beginning to fall on us. As it is written,

And you children of Tsiyon, be glad and rejoice in Almighty Yahuwah your Almighty, for He shall give you the Teacher of Righteousness, and cause the rain to come down for you, the former rain and the latter rain, as before. And the threshing-floors shall be filled with grain, and the vats shall overflow with new wine and oil.

“Then I shall repay you the years that the swarming locust has eaten, the crawling locust, and the consuming locust, and the gnawing locust, My great army which I sent among you.

“Then you shall eat - eat and be satisfied - and shall praise the Name of Almighty Yahuwah your Almighty, who has done with you so wondrously. And My people shall never be put to shame.

“And you shall know that I am in the midst of Yisra’ēl, and that I am Almighty Yahuwah your Elohim and there is no one else. And My people shall never be put to shame. Footnote: 1See Isa. 24:23.

“And after this it shall be that I pour out My Spirit on all flesh. And your sons and your daughters shall prophesy, your old men dream dreams, your young men see visions.

“And also on the male servants and on the female servants I shall pour out My Spirit in those days.

“And I shall give signs in the heavens and upon the earth: blood and fire and columns of smoke, the sun is turned into darkness, and the moon into blood, before the coming of the great and awesome day of Almighty Yahuwah.

“And it shall be that everyone who calls on the Name of Almighty Yahuwah shall be delivered¹. For on Mount Tsiyon and in Yerushalayim there shall be an escape² as Almighty Yahuwah has said, and among the survivors whom Almighty Yahuwah calls. Footnotes: 1Acts 2:21, Rom. 10:13. 2Isa. 4:2-3, Obad. v. 17, Rev. 14:1.

Of course, every bit of progress in the process of Ahmad’s restoration brings me to height of elation but, so far, it never fails, my elation is not a lasting. Why?

Because every bit of progress is followed by stumbling blocks in the path of my Ahmad. This morning he intended to come to continue to absorb the truth that shall set him free but, instead, his

thiaBasilia Licona

father had to be rushed to the hospital where Ahmad's presence is mandatory.

When will I see him again? Father? You know it. Me? I am only delighted to receive this news with a calm heart. Frustration & disappointment are a thing of the past in my present attitude. I wait on You with hope & composure.

Chapter 35

Is There A Lesson Learned From The Frustrating Responses From Ahmad And From My Friends? Indeed There Is. Big Time.

Thursday, September 17, 2015 at 4:23 pm

Father? What is it that I am to learn from the frustrating responses from Ahmad and from my friends?

Your doings in my life are so exciting to me that I wish I could just share those doings with the whole world for them to see Your amazing work within my being.

Alas. Between the wiles of Satan and the selfishness of people, the only thing I accomplish in sharing with my closest friends is to interrupt their doings—whether they are eating or taking care of this or that.

Perhaps You are strengthening me to suffer in the same way that Yahushua suffered when He walked among mankind.

For Yahushua could not find anyone to comprehend Who He really was nor what He was talking about, not even His twelve called ones.

Thus, Yahushua will retreat to the mountains to commune with You when nighttime came.

Perhaps that is the lesson that I am to learn. Perhaps that is what Yahushua meant when He said,

Matthew 10

Brother will deliver up brother to death, and the father his child; and children will take a stand against their parents and will have them put to death. And you will be hated by all for My name's sake, but he who perseveres and endures to the end will be saved from spiritual disease and death in the world to come.

When they persecute you in one town that is, pursue you in a manner that would injure you and cause you to suffer because of your belief, flee to another town; for truly I tell you, you will not have gone through all the towns of Israel before the Son of Man comes.

A disciple is not above his teacher, nor is a servant or slave above his master. It is sufficient for the disciple to be like his teacher, and the servant or slave like his master. If they have called the Master of the house Beelzebub or master of the dwelling, how much more will they speak evil of those of His household.

So have no fear of them; for nothing is concealed that will not be revealed, or kept secret that will not become known. What I say to you in the dark, tell in the light; and what you hear whispered in the ear, proclaim upon the housetops.

And do not be afraid of those who kill the body but cannot kill the soul; but rather be afraid of Him who can destroy both soul and body in hell (Gehenna).

Are not two little sparrows sold for a penny? And yet not one of them will fall to the ground without your Father's leave (consent) and notice. But even the very hairs of your head are all numbered. Fear not, then; you are of more value than

many sparrows.

Therefore, everyone who acknowledges Me before men and confesses Me out of a state of oneness with Me, I will also acknowledge him before My Father Who is in heaven and confess that I am abiding in him.

But whoever denies and disowns Me before men, I also will deny and disown him before My Father Who is in heaven.

Do not think that I have come to bring peace upon the earth; I have not come to bring peace, but a sword. For I have come to part asunder a man from his father, and a daughter from her mother, and a newly married wife from her mother-in-law—and a man's foes will be they of his own household.

He who loves and takes more pleasure in father or mother more than in Me is not worthy of Me; and he who loves and takes more pleasure in son or daughter more than in Me is not worthy of Me; and he who does not take up his cross and follow Me cleave steadfastly to Me, conforming wholly to My example in living and, if need be, in dying also is not worthy of Me.

Whoever finds his lower life will lose the higher life, and whoever loses his lower life on My account will find the higher life. He who receives and welcomes and accepts you receives and welcomes and accepts Me, and he who receives and welcomes and accepts Me receives and welcomes and accepts Him Who sent Me.

He who receives and welcomes and accepts a prophet because he is a prophet shall receive a prophet's reward, and he who receives and welcomes and accepts a righteous man because he is a righteous man shall receive a righteous man's

reward. And whoever gives to one of these little ones in rank or influence even a cup of cold water because he is My disciple, surely I declare to you, he shall not lose his reward.

O my Father, I know that my children and my friends and even Ahmad do not feel that these words apply to them.

For they claim to love me. They also claim that I speak truth and some are very encouraging when I share but, only for a time.

My sense is that somehow Your Spirit within my being is not connecting with them?

I sense that all connect to a certain point but then, the connection ends and all go to their own business and ... why does it hurt my Father?

No, this time I am not angry nor am I really disturbed. Only grieving—the grieving of a lost connection—the grieving of being left with a gift on my hands and not being able to deliver it to whom the gift is for.

I called one of my best friends to share my treasure. For some reason I could not find the writing that I needed to share, so, she asked that I call her in half hour.

Well, I did not pay attention to the time and when I found the writing, the writing is so good that I called, only to be sternly reminded that my friend was eating her breakfast and to call later.

O my Father, are You feeling with me? I understand my Father, and You know it. I accept the fact that I am overbearing.

Even so, You also know that my life is overbearing to many because I live a life above my own understanding and my own feelings as well as the understanding and feelings of others.

So, I do not share to consult with anyone on any given spiritual issue. Why?

thiaBasilia Licona

Because, I am not a Counselor. You, my Father, are my Counselor. And could be the Counselor to whomever desires for it to be

I share the process and the results of Your doings in my life for a witness of Your Presence working in my life. Sadly, most all find my sharing overbearing. I'm going to sleep.

Thursday, September 17, 2015 at 8:07 pm

Father? Thanks for letting me grieve. In due time You dried my tears. Ahmad called. I remained calm to certain extent. Of course, I cannot compromise.

Everybody wants to be heard but no one wants to listen.

I cannot open my mouth to relate any incident for example of whatever You give me to share, immediately, I get a retort from the hearer—they have to voice out and exhibit their culture and high evaluation of any word that I pronounce before I get the chance to complete the sharing.

The programmed human minds want control, no two ways about it.

I cannot be controlled by any human mind, including my own mind. Why? Because my mind is under the control of my Loving Father.

Friday, September 18, 2015 at 2:38 am

Father? Am I still, seeking the honor from man? Indeed. As a human being such is the innate drive in all of us.

Let us not kid ourselves thinking that we don't care what others think of us. The honor from people either makes or breaks us. That's the fact.

What about myself, my Father? Where do I fit among other human beings? How am I to act & react under any given circumstance?

“My child, you are now to act & react as Yahushua did when He walked among mankind.”

Father? When Yahushua walked among mankind, He did many works—super natural works, miracles that proved You sent Him. Myself? What or where is that proof?

With the least of provocation, I get bent out of shape and blow my cool. People, human beings, myself included can be, for the most and to say the least, overbearing.

How can I cope even with my own self? I am overbearing. Disgustingly overbearing. But, a couple of my friends put up with me for a time.

Yes, for a time until they reach their limit to suffer my overbearing self. Then, there is a blow up. I am left alone with my overbearing self again. Unrelated to anyone. Feeling sorry for myself. What kind of life is that, my Father?

“My child, My precious child, that is your human life. But you are no longer living a human’s life. For I have lifted you up to live in your eternal life in My Presence.

For that reason, you no longer fit among humans—the human life is disgusting to you as it is to Me. I have lifted you up above such life.

Even so, I must keep you among humans for the time being to finish the work of restoration that I started among mankind with the birth, life, death and resurrection of My Son.

Therefore, because of your experience of life eternal, the reactions from the carnal self of mankind, including your own

carnal nature, are extremely offensive to you.

Regardless it all, My precious child, I am keeping you undefiled by the carnal nature. Thus, no matter what you or others think or feel or do, you will continue in the path that I have marked for you.

There is much work ahead of you. Have no fear. I have given you the power of love from on high to handle it all.

Furthermore, be not surprised at the blow ups among your people—there will continue to be a severing of any distraction from the work ahead of you.

For the distractions from the flesh—the carnal self shall continue to cross your daily path. Even so, I have overcome the flesh for you. No need to be concerned with such distractions.

In the other hand, now more than ever before, My people must come to accept My decree as it is written,

It is the Spirit Who gives life—He is the Life-giver; the flesh conveys no benefit whatever, there is no profit in it. The words (truths) that I have been speaking to you are spirit and life.

John 6:63

Yahushua answered him, I assure you, most solemnly I tell you, that unless a person is born again (anew, from above), he cannot ever see (know, be acquainted with, and experience) the kingdom of heaven. I assure you, most solemnly I tell you, unless a man is born of water and even the Spirit, he cannot ever enter the kingdom of heaven. What is born of, from the flesh is flesh—of the physical is physical; and what is born of the Spirit is spirit. John 3:3,5

And Yahushua said to them, I assure you, most solemnly I

tell you, you cannot have any life in you unless you eat the flesh of the Son of Man and drink His blood—unless you appropriate His life and the saving merit of His blood. John 6:53

Such is My decree. It cannot be changed. Even so, the human mind has been programmed to believe that man can live above My decree.

The human mind is programmed to think that human beings have the power to break My decree and live forever by their own power.

My child, such is the lie implanted in the human mind by the arch enemy of My Being, Satan—the enemy of your souls.

In addition, there are many other lies ingrained in the human mind by Satan.

Therefore, the human mind must be repelled. In order to enter into My Kingdom, a human being, by his own will, must choose to repel his own thinking or understanding.

Now, the time is due for all human beings to know the Truth of the condition of their human mind. This Truth should empower many to repel that mind and reach up to Yahushua. The first step towards freedom is to quit questioning My doings.

For there is no way that the human mind can assimilate an smidgen of My goodwill in all the happenings, whether good or evil, that go on in this world.

Therefore, I cannot allow the insidious questioning from the human mind.

In due time, I let known My secrets to a surrendered soul.

Even so, the mind of the flesh is vanished from My sight.

For the mind of the flesh means death to the life in My mind. Thus, in order to reach the heart of My children scattered all over the world, the power of love from high has descended on you and several other recipients of the Truth that has set you and will set all free.

In addition, the power of love from on high has nurtured Yahushua's nature within your being.

Thus, your tendency to act & react exactly as Yahushua did when He walked among mankind.

Therefore, Yahushua's words are coming to pass exactly as those are written. Thus all the difficulties in your human relationships.

All the insults and negative reactions to you were thrown at Yahushua Himself by His own people, just like it is happening to you. For it is written,

John 5:19-47

I am able to do nothing from Myself independently, of My own accord—but only as I am taught by my Father and as I get His orders. Even as I hear, I judge—I decide as I am bidden to decide.

As the voice comes to Me, so I give a decision, and My judgment is right (just, righteous), because I do not seek or consult My own will—I have no desire to do what is pleasing to Myself, My own aim, My own purpose but only the will and pleasure of the Father Who sent Me.

If I alone testify in My behalf, My testimony is not valid and cannot be worth anything. There is Another Who testifies concerning Me, and I know and am certain that His evidence on My behalf is true and valid.

You yourselves have sent an inquiry to John and he has been a witness to the truth. But I do not receive a mere human witness the evidence which I accept on My behalf is not from man; but I simply mention all these things in order that you may be saved (made and kept safe and sound).

John was the lamp that kept on burning and shining to show you the way, and you were willing for a while to delight (sun) yourselves in his light. But I have as My witness something greater (weightier, higher, better) than that of John; for the works that the Father has appointed Me to accomplish and finish, the very same works that I am now doing, are a witness and proof that the Father has sent Me.

And the Father Who sent Me has Himself testified concerning Me. Not one of you has ever given ear to His voice or seen His form (His face--what He is like). You have always been deaf to His voice and blind to the vision of Him.

And you have not His word (His thought) living in your hearts, because you do not believe and adhere to and trust in and rely on Him Whom He has sent. That is why you do not keep His message living in you, because you do not believe in the Messenger Whom He has sent.

You search and investigate and pore over the Scriptures diligently, because you suppose and trust that you have eternal life through them. And these [very Scriptures] testify about Me.

And still you are not willing—but refuse to come to Me, so that you might have life. I receive not glory from men I crave no human honor, I look for no mortal fame, but I know you and recognize and understand that you have not the love of the

Father in you.

I have come in My Father's name and with His power, and you do not receive Me, your hearts are not open to Me, you give Me no welcome; but if another comes in his own name and his own power and with no other authority but himself, you will receive him and give him your approval.

How is it possible for you to believe how can you learn to believe, you who are content to seek and receive praise and honor and glory from one another, and yet do not seek the praise and honor and glory which come from Him Who alone is the Almighty?

Put out of your minds the thought and do not suppose as some of you are supposing that I will accuse you before the Father. There is one who accuses you—it is Moses, the very one on whom you have built your hopes in whom you trust. For if you believed and relied on Moses, you would believe and rely on Me, for he wrote about Me personally. But if you do not believe and trust his writings, how then will you believe and trust My teachings? How shall you cleave to and rely on My words?

In conclusion My precious child, blessed (happy, to be envied, and spiritually prosperous—with life-joy and satisfaction in My favor and salvation, regardless of your outward conditions) are you when people revile you and persecute you and say all kinds of evil things against you falsely on My account. Be glad and supremely joyful, for your reward in heaven is great (strong and intense), for in this same way people persecuted the prophets who were before you.

You are the salt of the earth, but if salt has lost its taste (its

strength, its quality), how can its saltiness be restored? It is not good for anything any longer but to be thrown out and trodden underfoot by men.

You are the light of the world. A city set on a hill cannot be hidden. Nor do men light a lamp and put it under a peck measure, but on a lampstand, and it gives light to all in the house.

Let your light so shine before men that they may see your moral excellence and your praiseworthy, noble, and good deeds and recognize and honor and praise and glorify your Father Who is in heaven.”

Ha. Ha. HalleluYah. There went my troubled mind. There went my unworthy suspicions about my friends or any other human being. Away with my carnal thoughts & feelings.

There you have it. I did not originally pronounce nor write those amazing words. Thus, I am going to let my light shine. Shine. No matter who or what attempts to dim it down.

From His Presence let my voice resound in the waves of the Internet and in the books by yours truly from one end of the earth to the other. thia/Basilia—Webmaster/Author/ Publisher

Chapter 36

The Core Of Our Sin Is Our Mind—The Sit Of Our Carnal Nature.

Tuesday, September 22, 2015 at 11:56 am

Father? Every single moment You amaze me with Your doings. Here I am minding the task that You have assigned unto me— I am not looking for anyone's fellowship anymore because You have given me peace about this matter of fellowship.

Very well then. I have revised the first published book titled *Power From On High.*! Now I have re-submitted it for publication of the revised edition.—that will take at least 24 hours before I hear from Kindle. What to do next?

I go to my kitchen and rescued my almost burnt boiled eggs. I combined them with my veggie meddle from the fridge, added a touch of balsamic vinegar and voila. A tasty brunch.

Next? I come back to my desk, papers, notes, books and what have you functionally scattered all around my computer. The mouse and the key board have been giving me a heap of troubles—those two seemed to have team-up to test my exploding limit.

Alright, I proceed to check my long list of emails—open & close, open & close looking for the one that I am waiting for, what was that one? Goodness sake. Don't even remember what is it that I am waiting for. Bless my heart.

thiaBasilia Licona

I click—the mouse jumps to wherever I did not mean for it to jump to. What? How did I get here? I start to click away then, there. My brother. How did I get to you? Let me see what he is up to now?

Peace in the world  Ngobesing Romanus. I begin to read—carefully inquiring from the Spirit within my being, what is it that I see?

I like Ngobesing. I know that he is Your servant. What is it that You are showing me about my brother and his passion for peace in this world? Suddenly. I see.

My brother, I sense that I must ask you if you would like to hear what I see? If it is so, please keep checking my blog, for I will post the whole matter in the blog. 😊

His love in my heart for all, thia/Basilialia

What is it that I saw?

Yes. You have called Ngobesing Romanus as well as the many wonderful friends and brothers of my acquaintance that are passionate about alleviating the ills in this world.

Yes. You have called them and they have answered your call. They are liken to the first twelve—a very especial group with a very especial call.

I see this matter for the first time. I am talking about the select few that are truly called to this task of helping humanity and are doing so in an effective way. Even so, What is it that You are now showing me about this few, my Father?

And why have You set them in the path of my life? A moment ago Ngobesing Romanus pop up in my sight and You quickened me to read about his passion and come to my computer to record what You are showing me.

Here is that record, please read until the end. For there is Good News recorded to close the article. Anyhow, here is the record,

I see the thousands following this brother as well as any other human being offering help to a hurting world. I see the multitude in the valley of decision.

Joel 3:13-14 Put in the sickle, for the [vintage] harvest is ripe; come, get down and tread the grapes, for the winepress is full; the vats overflow, for the wickedness [of the peoples] is great. [Mark 4:29; Rev. 14:15, 18-20.] (14) Multitudes, multitudes in the valley of decision. For the day of the Lord is near in the valley of decision. [Zech. 14:1-9.]

I see my brother as well as the few that are called, I see them, passionately, attempting to help the hurting people. But then, I also see the error of their attempts to help.

That is the reason why our Creator instructed the Prophet Ezekiel in Ezekiel 3:20

Again, if a righteous man turns from his righteousness (right doing and right standing with God) and some gift or providence which I lay before him he perverts into an occasion to sin and he commits iniquity, he shall die; because you have not given him warning, he shall die in his sin and his righteous deeds which he has done shall not be remembered, but his blood will I require at your hand.

In the same way He is instructing some of us now to tell the righteous as well of their error, their sin. And that is the reason why this here my brother, Ngobesing Romanus appeared in my path?

Anyhow, the multitude in the valley of decision are there *in need of repentance*. They need to repent of their lifestyle before our Master Yahushua's return.

So? What is the sin of the people? Including the righteous people? The core of our sin is our mind—the sit of our carnal nature. Thus, to help the people, we need to proclaim REPENTANCE from depending on our minds for everything.

Moreover, such matter is not touched by this brother et all. On the contrary, sympathy and compassion are the staff of these encouragers of the people.

Altogether a God of love is exalted. The people are led to worship that God instead of the Almighty Creator that demands the voluntary submission of our will and minds to Him.

We are suffering because we have not submitted our minds and wills to the Almighty. And even when we submit & commit ourselves by the Spirit, we degenerate into the plight of the Galatians and the Corinthians—we remain carnal.

Love means Obedience not sympathy for our disobedience. Yes, there is peace and well-being in doing good, for the Almighty rains on the just and the unjust. But, *such peace & well-being can and is misleading all in the wide gate to the end of death.*

We have not been placed on this earth to enjoy what the world calls peace. Indeed. Yahushua did not come to bring peace to this earth, on the contrary, it is clearly written,

Matthew 10:34-39 Do not think that I have come to bring peace upon the earth; I have not come to bring peace, but a sword. (35) For I have come to part asunder a man from his father, and a daughter from her mother, and a newly married wife from her mother-in-law- (36) And a man's foes will be they of his own household. [Mic. 7:6.] (37) He who loves [and takes more pleasure in] father or mother more than [in] Me is not worthy of Me; and he who loves [and takes more

pleasure in] son or daughter more than [in] Me is not worthy of Me; (38) And he who does not take up his cross and follow Me [cleave steadfastly to Me, conforming wholly to My example in living and, if need be, in dying also] is not worthy of Me. (39) Whoever finds his [lower] life will lose it [the higher life], and whoever loses his [lower] life on My account will find it [the higher life].

I did not write those words and I am not the one calling all to repentance, including my good brothers & sisters with a heart to help and encourage the dying world.

The Good News In What I Saw....

Tuesday, September 22, 2015 at 4:05 pm

O my Father. How awesome You are. First You strip us naked and commands us to gird up our loins and stand up in Your Presence. Then, You ask us for an account of our doings? Where were you when?....

Man. O man. O man. I been there a couple of times and I am not looking for a third time. And all that time, I was so good—taking care of the orphans, taking care of the widows, helping, helping & helping more.

Ha. The whirlwind descended on me and the rest is history recorded in all that I write for the honor of my Master.

Anyhow, this is the deal in what I saw while reading my brother's article: For the most, a great majority, not to say all of us have been gifted with brilliant minds. Alright. We think our brilliant minds are a gift from our Creator? Not so.

True, originally we were created in our Father's image with the potential to have dominion over the rest of the creation. But we blew it. So we died along with that image.

I often times read that passage in the Scriptures and wondered, “We did not die. Here we are. We are alive. Hum.” I read all kinds of inspired deductions from inspired writers and teachers and preachers and what have you to no avail.

I have been reading the Scriptures since 1974. Since then, for quite a few years, I had the same line of thought about most everything in the Scriptures.

Then came June of 1985. The first thing that our Father/Creator seared within my being is the fact that, ***“It is not your faith. It is all My faithfulness.”***

Wow! Thirty years of living by His faithfulness. Thirty amazing years. His faithfulness. O His faithfulness to avail me in the blackest moments of my existence.

Most all tell me, “You are a woman of faith.” Me? I only smirk. Me? A woman of faith? O but if you only were a fly on the walls of my private quarters.

There, you would witness a totally pitiful, faithless, fearful worm of a human being that I could become with the least of provocations.

O but my Father’s faithfulness. In the midst of my pity parties, He simply commands me, “Go fix you a cup of coffee.” “Go wash your dishes.” “Go do.” Whatever mundane task needs to be done....while He faithfully takes care of my deranged mind & heart.

My faith? Nay. His faithfulness. So? How do this applies to what I saw while reading my brother’s article.

I tell you, this little piece of information can tell you volumes about the false doctrines that have been programmed into our brilliant minds.

Kid you not yourselves. No matter how much that “Lord. Lord.” word is bragged about, the reality beyond that word is not there. The trust is not on what anyone call, ‘Lord’.

The trust is in whatever that one does for the 'Lord'. Rare is that one that truly trusts in our Father/Creator even Almighty Yahuwah/Yahushua—Father & Son.

Anyhow, I have been blogging only by the leading of the Spirit within my being at the beginning of 2015.

Since then, the immense Internet wave of good people proclaiming good things and great plans for a better world and a better human being, just about floods my makings.

At first, I wanted to quit—as a human being, I am a coward. But no. Father said, No. let your voice in My Presence resonate in the four corners of the earth.

So, here I am writing this post about what I saw while I read my brother's article about his passion. And by the way, what is the Good news in what I saw?

Ah. I almost got carried away from the subject. What I saw is the good news that *Yahushua is joining His Body—fitting us together by His Spirit. Therefore, this brother ET all, are building a platform for this joining to happen. Yahushua will not come back to a disjointed body.*

Can you imagine what is to happen when this illustrious brother Et al get a hold of the message in these blogs & books that Father is sending forth?

Can you imagine what is to happen when these illustrious brother Et al see their error and repent and instead of passion for a world of peace they become passionate about losing the lower life to obtain the higher life?

Ha. Ha. Maybe I get a whiff of their success and become? O for heaven's sake. I am only making a joyful comment about the enormous scope of such happening.

thiaBasilia Licona

Indeed. I sense my Father's faithfulness in all of these happenings and I am totally astounded by it all.

From His Presence let my voice resound in the waves of the Internet and in the books by yours truly from one end of the earth to the other. thia/Basilia—Webmaster/Author/ Publisher

His love in my heart for all, thia/Basilia

Chapter 37

Culminating In The Perfect & Complete Work Of My Father Within & Without My Being. Closing The Matter? Not Yet. Maybe After The Next Chapter....

Friday, June 05, 2015 at 3:32 pm

Father, I don't even know what to ask of You if anything. I don't know what to think, what to do, or what to expect? Things are not going well at all at the moment.

I do not really have much of an idea of what is going on and I am tempted to believe the worst.

But, You know all about it my Father. I have nothing to fear. I wait on You to act on behalf of all of my concern.

Friday, June 05, 2015 at 11:26 pm

Going back to bed and hope for sleep. Well, as You know my Father, I did go to sleep and woke up a couple hours later on to the next day or today, Saturday, June 06, 2015 around 1:20 am.

Saturday, June 06, 2015 at 2:32 am

I woke up and laid there on my bed thinking What? I don't know what I was thinking when the phone rang. Ahmad on the line. After the small talk we talked with much sense about what You, my Father are doing with our lives.

After a while around 5: am I fell asleep again and slept until around 8:00 am.

Then I realized that here it is another 7th day of rest. O the wonders of these 7th days of rest while living in Your Presence.

This 7th day of rest finds me resting on You now even more than what I was resting on You last 7th day of rest.

I was blessed with a nice chat with Andrea then proceeded to search for catalog making software for I intent to make a catalog for the shop. I now shall proceed installing the software for the catalog.

Saturday, June 06, 2015 at 1:33 pm

I will install the catalog and check it out and then take a break. It's now 3:57 pm. I installed & printed the guide for the catalog.

I see that such program is not what I am looking for. I am now updating my InDesign program and will go from there.

In the meantime, while I was taking a break Ahmad surprised me with his presence bringing me some needed supplies.

We had a good chat and now he is resting while he waits for a phone call to continue his business before he goes home to eat and get ready to go to work.

O my Father. I remain in awe of your doings within myself not only for my benefit but also for the benefit of all of my concern.

Sunday, June 07, 2015 at 12:52 am

O my Father, You know all about myself. You know that right now I don't feel good physically. Maybe I need to go back to sleep.

Sunday, June 07, 2015 at 6:43 am

I woke up around 3:00 am. Talked to Ahmad then went back to sleep until around 5 am.

I checked the sky and took a picture of the moon. Then I have been searching how to open my PageMaker files to no avail.

I will now attempt to install the PageMaker program. Hum. I did all kinds of things to install PM to no avail.

Father, so many disappointments in my life, will those ever end? What is the cause of my disappointments? Could it be that I still insist in expecting things for the pleasure of my flesh?

Sunday, June 07, 2015 at 2:10 pm

Of course. I just now see the root of my disappointments. Thanks my Father for quickening me to realize such matter. I cast all my disappointments under Your feet.

Trample away my Master and set me free from such disturbance. Let me not set my hopes in any comfort for my flesh whether that be glee in favorable circumstances or gloom in unfavorable ones.

For the flesh—the carnal self takes pleasure in either glee or gloom, that's for sure. It is a pleasure to laugh in glee as well as pleasure to cry in the gloom of self-pity.

My mind and my heart are set on You and on Your will for me and for all of my concern. Thus whatever happens on my daily journey, let it happen and be done with it. No need for me to get bent out of shape trying to get the show on the road of my pleasure.

And now I am set to continue the task You have assigned unto me.

Sunday, June 07, 2015 at 5:15 pm

Thanks for this day my Father. It is now coming to an end for me because I am really tired & I am going to bed and hope You give Your beloved sleep.

Sunday, June 07, 2015 at 7:38 pm

O my Father, I could measure the time by the time You give me to sleep—a couple of hours without fail. I feel better now. Only I am not sure what am I doing with Power From On High.!

Right at this moment I am wondering, What power? For I feel totally powerless even to think which way to go or do anything.

Hey. But that's the way it's supposed to be. For all power belongs to our Father/Creator. Ha. Ha. HalleluYah. I never thought it that way but so it's written,

Psalms 62:1-12

FOR THE ALMIGHTY alone my soul waits in silence; from Him comes my salvation.

He only is my Rock and my Salvation, my Defense and my Fortress, I shall not be greatly moved.

How long will you set upon a man that you may slay him, all of you, like a leaning wall, like a tottering fence? They only consult to cast him down from his height [to dishonor him]; they delight in lies. They bless with their mouths, but they curse inwardly. Selah [pause, and calmly think of that].

My soul, wait only upon The Almighty and silently submit to Him; for my hope and expectation are from Him.

He only is my Rock and my Salvation; He is my Defense and my Fortress, I shall not be moved.

With the Almighty rests my salvation and my glory; He is my Rock of unyielding strength and impenetrable hardness, and my refuge is in The Almighty.

Trust in, lean on, rely on, and have confidence in Him at all times, you people; pour out your hearts before Him. The Almighty is a refuge for us (a fortress and a high tower). Selah [pause, and calmly think of that].

Men of low degree [in the social scale] are emptiness (futility, a breath) and men of high degree [in the same scale] are a lie and a delusion. In the balances they go up; they are together lighter than a breath.

Trust not in and rely confidently not on extortion and

oppression, and do not vainly hope in robbery; if riches increase, set not your heart on them.

The Almighty has spoken once, twice have I heard this: *that power belongs to The Almighty.*

Also to You, O Master, belong mercy and loving-kindness, for You render to every man according to his work. [Jer. 17:10; Rev. 22:12.]

Sunday, June 07, 2015 at 11:57 pm

Just in time to offer You my midnight prayer, my Father. I worship You. I worship You as You wish—in spirit & in truth or in the reality of my very existence.

You are my Shepherd—my Master—my Owner. I owe my life to You, both physically & spiritually.

So, that's the Power From On High that I am to record in the pages of a book—the power to live to worship You.

Monday, June 08, 2015 at 2:36 am

Father, You know that I can't go any further right now. I must go to sleep. It's now 5:45 am. I am awake and relaxed. I am ready for my day in Your Presence.

I wait and long for Your mercy & loving-kindness in spite of our wicked selves, like a maid looks to the hand of her mistress as it's written,

Psalms 123:1-4

UNTO YOU do I lift up my eyes, O You Who are enthroned in heaven.

Behold, as the eyes of servants look to the hand of their master, and as the eyes of a maid to the hand of her mistress, so our eyes look to the Master our Almighty, until He has mercy and loving-kindness for us.

Have mercy on us, O Master, have mercy on and loving-kindness for us, for we are exceedingly satiated with contempt. Our life is exceedingly filled with the scorning and scoffing of those who are at ease and with the contempt of the proud (irresponsible tyrants who disregard The Almighty's law).

Monday, June 08, 2015 at 10:35 am

Father, when I read the amazing things that the leaders in Christian ministries are doing I wonder & ponder, is it possible that I have missed the mark You have set in Your written words?

And why are those leaders so convinced that they are blessed of You, my Father? Have You blessed them and are they on the mark that I could have missed, my Father? Speak to my heart, my Father, I wait to hear Your voice.

Monday, June 08, 2015 at 11:24 pm

I have waited in vain all day to hear Your voice. Could it be that this time, You are planning to show me rather than telling me what is going on? I'll wait and see my Father for You always have good reason for all that You do.

Tuesday, June 09, 2015 at 2:05 am

Father, to be in Your Presence is a simple thing once a one quits depending in the human mind & emotions. In Your Presence there is a rest not known when one lives depending on the human mind & emotions.

I thank You my Father for bringing me into Your rest. I thank You for counting me worthy to come into that rest and for keeping me there never to return to my restless way of life.

Perhaps today You give me to conclude with the title Power From On High with the knowledge of the power that You have invested on

me to live in Your Presence never to return to my old ways of life away from You.

Come & go with me to my Father's house. Come & go with me to my Father's house where there is peace love & rest. Come & go with me to my Father's house where there is, all one needs for one's best in this world's nest of vipers. Come into our Father's rest for the best.

Wow! It's 2:41 am. At this instant of time I found the reason why You did not answer my request made yesterday. Why?

Because You have already answered such request with much detail on Saturday, May 02, 2015 at 3:31 pm

That answer has been published in a post in all the blogs that You have instructed me to create.

And it will be also published in Power From On High.! It's now 3:06 am. I am going back to sleep.

Tuesday, June 09, 2015 at 4:57 am

Thanks my Father for the couple hours of sleep. You have told me that I am in perfect health and I know that it is so. Even so, my body hurts all the time. What am I to do about it, my Father?

You know how painful it is for me to move around or to sit or to lay down; will I ever get some relief from this painful condition?

Perhaps, regardless, I need to be thankful that even with the pain I still can function and take care of myself.

I know that I can do that by the power of Your grace. Your grace is sufficient for me as it was for Your servant Shaul.

Tuesday, June 09, 2015 at 1:31 pm

I just finished chatting with Robin. I am still wondering how to end Power From On High?

Let me revised the last entry in the last written chapter. And on I went, revise, revise and revise. Hopefully, this will be the last revising.

Wednesday, June 10, 2015 at 12:57 am

On this midnight, I lift up my being to worship You. To worship You is the whole purpose for my existence for You created me to worship. Thus, is the reason for my existence as it is written,

Ecclesiastes 12:11-14

The words of the wise are like prodding goads, and firmly fixed [in the mind] like nails are the collected sayings which are given [as proceeding] from one Shepherd. [Ezek. 37:24.] But about going further [than the words given by one Shepherd], my son, be warned. Of making many books there is no end [so do not believe everything you read], and much study is a weariness of the flesh. All has been heard; the end of the matter is: Fear The Almighty [revere and worship Him, knowing that He is] and keep His commandments, for this is the whole of man [the full, original purpose of his creation, the object of The Almighty's providence, the root of character, the foundation of all happiness, the adjustment to all inharmonious circumstances and conditions under the sun] and the whole [duty] for every man. For The Almighty shall bring every work into judgment, with every secret thing, whether it is good or evil. [Matt. 12:36; Acts 17:30, 31; Rom. 2:16; I Cor. 4:5.]

Chapter 38

Writing About The Same Subject Since 1985...

From My Presence in My beloved Thia's journal—A dialog between thia/Basilia and Master Yahuwah/ Yahushua.

Why Do I Blog? Why Do I Write And Continue Writing About The Same Subject Over & Over Again? And Why I Do Not Ask For Comments?

Sunday, October 11, 2015 at 11:29 am

Some thirty years ago, in 1985, the Almighty Creator of our beings chose to step into my tumultuous life and halt the course of such a life forever.

There was a radical change from within my being that came to be as per magic. From that time on a transformation of my being began to take root.

At that time the Almighty communicated several things that were to take place in my life from there on.

The number one thing that He communicated to me was that I was to write the story of my life as he would give me to write it on the daily basis. Thus my journal was instituted.

He also communicated to me that He would supply a computer and all necessary equipment for me not only to write but also to set my writings in book format that I was to distribute free of charge among His people.

True to His promise, within two months, a computer system along desk & chair was set in my room.

In addition, the ability to operate such equipment came to me with much ease. That was the year that He spoke the following words to me,

First Words my Father spoke to me in 1985

O my Master—my Beloved Yahuwah/Yahushua You spoke to my heart on the morning of August 8, 1985. You said to me at that moment:

"I have been shaping you into a vessel, a beautiful vessel to hold flowers, beautiful flowers of love. These flowers are not yours, they belong to Me and I give them to whom I please. You are only holding them as they sit in the water of My love with which I have filled you.

"You cannot give out these flowers on your own, because you are only a vessel holding them; but, I will send you those to whom I have given the flowers you are holding. Some will pick just the flowers from you, and some will pick you up, and use you to bring good news and cheer to others. Rest in Me and hold My flowers.

"Do not put your own flowers in that vessel of yourself; because they are the flowers that wilt and don't last; but the flowers that I am letting you hold will last forever."

And what kind of flowers are those, my Father? I asked. And You said to me:

"You are only the vessel to hold these flowers and you need not to know what kind of flowers they are. Again I say, rest on your Father and just know that you are holding MY flowers and not your flowers."

Then You spoke to me a second Word to answer my dilemma at that time. I asked, "Father? Are You trying to tell me to quit looking at what I do and what I say and just to rely on You that what I am saying comes from You and what I am is what You are working with and that You are in control and to quit doubting everything because it doesn't fit, exactly, with what I think and what I reason to be Okay, my Father? And You answered me,

"I am not *trying* to tell you. *I am telling* you. I am telling you just that. You look, you wobble, you go back and forth like a seesaw because you are taking your eyes off of ME.

"Even in your typing that is what is happening to you, you take your eyes off the master copy to look at what you are copying. You are being self-conscious.

"*Fix your eyes on Me.* I am your Master, I am in control, relax, I have taken your yoke and done away with it, now take My yoke, for My yoke is easy."

Father, help me. I pleaded. And with Your infinite patience You told me,

"I am helping you, I am talking to you plainly, and you know that I have touched you and made you whole. *Quit trying to perfect My work.* Relax and do your work and know that you are doing well.

"Whenever you remember something you have forgotten, realize that I reminded you of it, and that I allow you to forget about certain things for My own reasons, even if you don't understand My reasons.

"You are not to know everything now because you can't take it, it will blow your mind.

“Picture yourself as a vessel, but in your human nature you have a narrow mind, the body of your mind is tremendous, but your mind is narrow at the entrance, there is only so much that can go in at one time, that is why I have to pour slowly and gently in order to fill you, and that is why I have to shape you to enlarge your opening so I can fill you.

"Relax about your writing. You will write and you will get published and I will use your writings. That is why I gave you the gift of writing, for you to use it for My esteem and honor. It is not for you to use your gift for your own purposes and gains.

“I’ll do the work, as a matter of fact I have already done it. So don’t worry about anything.

“Take everything in this day and know that My name will be esteemed because you have obeyed and trusted Me and placed Me in the center of your being. Therefore every little flaw in you has been taken care of. You are a finished work because I am finished—I finished My work when Yahushua suffered for you at the stake.”

Wow! Every single time that those words come to my remembrance, my heart expands with joy inexplicable and full of esteem no matter what kind of difficulty I am experiencing at any given time.

It is now Sunday, October 11, 2015 at 2:22 pm. A few hours ago it came to me to post the reason why I write. Furthermore, it has come to me to explain the reason for my journal—my writing style.

Last year, 2014, I posted in one of my websites the following explanation which I find now to be rather sketchy. Thus this update for the reader to understand why I do and write the things that I do and write about?

Tuesday, November 11, 2014 at 9:13 am

Why Do I Blog? Why Do I Continue Writing About The Same Subject Over & Over Again? And Why I Do Not Ask For Comments? Three valid questions deserving a valid answer.

- I. I blog or build web sites to get the most important message ever given, from ancient to present times, to the people chosen by our Creator to be His people.
- II. Why I do not ask for comments? I do not ask for comments because the subject that I write about is not open for reasoning with yours truly, but, it is strictly a subject to be reasoned with the Almighty Creator of our beings.
- III. I continue to write about the same subject because, even when such subject is the most despised subject by all human beings, such subject has to come to light at this precise moment of time by the will of our Creator. Why? *Because it is not our Creator's will that any should perish in ignorance of this subject.* And what is that subject?
 1. The fact that we are all human beings possessors of a satanic nature from our birth.
 2. The fact that we have to renounce that wicked nature or die spiritually.
 3. The fact that we have to accept a new nature from our Creator to live spiritually.
 4. The fact that dying spiritually is not a light matter at all to be chosen by anyone with reasonable intelligence.
 5. The fact that if we are to live eternally in the Kingdom of heaven we **MUST BE BORN AGAIN** possessing the nature of our Creator like it was when we were first created. The alternative? Unthinkable.

6. And lastly the fact that we must submit our wills to the will of our Creator before and after we are born again.

Thus I write, write, write and blog, blog, blog, knowing of a surety, that our Creator is getting this message to His people inhabiting the four corners of the earth in a supernatural way.

Otherwise, the credit for the success of the blogs that I publish will go to yours truly not to the Almighty Creator—the source of this most important message ever brought to the attention of His people.

His love in my heart for all, thia/Basilina

Epilog

Your Plans For Me Are Good.

Sunday, September 27, 2015 at 11:36 am

Father? Thanks for Your strength and power. Otherwise, a long time ago, I would be no more.

Even so, Your plans for me are good. You have let me know this fact many times before. For so it is written,

Jeremiah 29 10-14

For thus says the Master, When seventy years are completed for Babylon, I will visit you and keep My good promise to you, causing you to return to this place.

For I know the thoughts and plans that I have for you, says the Master, thoughts and plans for welfare and peace and not for evil, to give you hope in your final outcome.

Then you will call upon Me, and you will come and pray to Me, and I will hear and heed you. Then you will seek Me, inquire for, and require Me as a vital necessity and find Me when you search for Me with all your heart. I will be found by you, says your Maker, and I will release you from captivity and gather you from all the nations and all the places to which I have driven you, says your Maker, and I will bring you back to the place from which I caused you to be carried away captive.

I just woke up a couple of hours ago. My body was not cooperating with me at all. I called upon You and, You have answered me just like You promised to do.

Seven years ago, it was the day that I reached the 70 years mark since my birth. I was in South Africa in route to Jerusalem when You spoke those words to me.

Now, again You remind me of Your spoken words to me, is there a reason for the reminder my Father? Speak to my heart, Your child pants to hear Your voice afresh.

“My child, My precious thia/Basilia, I know you. I know your thoughts before you think them. I know your words before you pronounce them. Do you wonder how is it that I know such matter?

Because, My child, you are now One with Me. You are no longer living in your carnal nature as it was before, for I have lifted you up to live the higher life in My Presence.

Before, you were born in the captivity of Satan—under the curse. There you suffered for the 70 years I appointed for your captivity.

My child, before you were born I appointed each one of your days specifically for you. This matter cannot fit into your human mind therefore, this matter troubles you. Why?

Because you are human. As a human being you possess a human mind. Your human mind is always working, always thinking non-stop.

It is your human mind that troubles you not necessarily this matter about your days. No matter what words, what plans, no matter. Your human mind will continue to question everything in the mind of My nature within you.

Even so, the due time for My faithfulness to you is now here. Thus, under any and all circumstances, the mind of My nature within you shall always prevail over the mind of your carnal nature.

Thus, your days come to pass victoriously. Day by day My strength avails you. Your carnal mind decreases and the mind of My nature within you increases.

In a couple of days, I am moving you into a loving family—Ahmad's family. I know of your apprehension in this move. I also know of your hope to, perhaps fit into the loving family of Ahmad for longer than a month.

I know of your nostalgia for your own children's care & love. I know of your pain to see your children suffering the lack of your presence in their lives.

I know of your shattered dreams of acceptance into their families. I know it all, My child because I am the One who has schedule each day of your life before you were born.

So, what is My point? Why have I set up such miserable days in your life? The answer to your questions is written.

I set up such miserable days in your life in order that My workings should be manifested (displayed and illustrated) in you.

Examples of all of My doings are recorded to answer all of your dilemmas and questions about such doings.

Why have I set up such miserable days in your life? And why was the man born blind? You can read the answer to both questions in John 9:1-41.

This chapter about the man born blind is little understood by the human mind but, it applies to all questionable situations

of My doings. Now, why would I want My workings to be manifested (displayed and illustrated) in you? *The answer to that question is obvious—for others to come into the knowledge of My power and My goodwill to restore your beings.*

Even so, all the answers have been given but, My children have not yet grasped those answers. Why?

Because I have set the time for all things to take place in My creation. The time is now due for My children to understand and respond to My beckoning.

Thus is the reason for your existence along with all the happenings of your journey on these earthly grounds.

My children will now respond to your testimony. The result will be something that you cannot yet imagine.

Thus, do not trouble yourself with anticipations of glee or gloom, expecting fame & riches to dazzle in this world or otherwise.

Do not expect any reward from man. For I am holding your reward and will not allow you to sleep on the laurels from mankind.

Continue your journey in My Presence as you are doing at the present moment. Day by day, moment by moment I will lead and show you the way.

And whatever you do, awake or sleep, do it all for My esteem and honor. In return I will honor you and set you up high beyond the reach of your enemies. As I promised to do,

“And because you My child—My beloved Thia have set your love upon Me, therefore will I deliver you; I will set you on high, because you know and understand My name—have

personal knowledge of My mercy, love and kindness; trust and rely on Me, knowing I will never forsake you, no, never. And you shall call upon Me, and I will answer you; I will be with you in trouble, I will deliver you and honor you. With long eternal life will I satisfy you, and show you—reveal to you My salvation even Yahushua your Messiah.” Thus says my Master—my Beloved Yahuwah/ Yahushua.

This knowledge shall be your anchor not only to survive but mainly to overcome the awful days ahead of you.

Such knowledge is the Power From On High!—the Power of Love from on High that has descended upon you.

Thus is only fitting that you end Power From On High.! with this record of My words to you.”

In awe of Your Being, I worship You. Let it all continue to happen as it is Your design & purpose not only for myself but also for all of Your children.

From His Presence let my voice resound in the waves of the Internet and in the books by yours truly from one end of the earth to the other. thia/Basilia—Webmaster/Author/ Publisher
